NOT DEAR

To the Worshipful his Majesty's Justices of
the Peace for the County of Southampton sitting
in Chancery

Humbly complaining sheweth unto your
Worships your Orators Thomas Williams of this City
Gent and Olive his Wife that one Francis Eum late
of the County of Isle of Wight dec'd died intestate about the
Year being seized and possessed of a
considerable Estate in Lands & personal Estate and at the
Time of his Death left a Widow Mary & five Children
named Francis Elizabeth Anne Oliver & Mary

Your Orators shew that the said Mary took
Possession of the Estate of the said Francis Eum who
the never administered thereon according to Law Your
Orators shew that the Day your Orator the said Olive
was to be married to your Orator the said Mary took her
into a private Room & presented her with a Writing which
she resisted on her to sign nor would she consent where
Mary with the said Thomas unless she signed this said
Writing the then Minister was then expected at the House
and came soon after and people attending rose the
Mary solemnized Your Orator under these
Circumstances signed the Paper not knowing
what to do or what might be the consequence of the
signed at that Time Your Orators further shew to
your Worships that after some Time your Orator
Thomas being informed of this said Writing he was

determined to have a fair Settlement of the said Fran-
Eum's Estate and Mary Eum a Daughter of the
Francis & Mary who then lived with the Mary Eum
Coming to your Orator's House he informed this said Mary
Eum the younger of his Design and a few Days after
Mary Eum the Widow of Francis Eum sent a
Messenger for your Orator & Maria and Arthur
Williamson his Wife and ~~other~~ ^{to} ~~the~~ ^{her} ~~House~~
~~sister~~ ^{to} come to her House Your Orator
his Wife went accordingly and the said Mary Eum the elder
told your Orator she had sent for them to divide what
there was amongst them That she would keep six
your Orators thought proper two Negro Sillom Harry
Red one pot Pan ^{bed} some Punter for a Quantity can't
now be remembered) and one Silly ^{as well as your Orator remember} and all the rest she
might take & divide amongst us But as your
Orator not desiring any thing but what she the said
Mary could conveniently spare and ^{had} no occasion for
(this after her Death) they came to the following
Agreement with the said Mary That we should divide
such Things as she could conveniently spare at that Time
among us and the rest after her Death should be equally
divided amongst her three Daughters, to wit, Anne
the Wife of Arthur Williamson your Orator Olive
the Wife now the Wife of ~~John Jordan~~ and William
Jordan the said Mary Eum saying that if one of her
Daughters should do more for her than the others she
ought to have more to each your Orator & the said Mary

agreed Your Orator shew that agreeable to this Agreement your Orator for himself and on Behalf of the said Arthur W^mson and the said Mary divided several things being such as the said Mary Esq^r the Mother thought proper some Household Furniture a Key to the Jail and some Money between them with Agreement & Division the said Arthur Williamson agreed to stay by and then the Affair rested on the Agreement aforesaid till the Death of the said Mary Esq^r the Mother after whose Death the said Mary Esq^r the younger thought your Orator a Will of the said Mary's which much surprised your Orator knowing of the Agreement above mentioned which when your Orator repeated to the said Mary ~~she~~ ^{she} desired your Orator to be satisfied so she would pay him his Share of the Estate ~~according to the Agreement above~~ ~~with the said Mary Esq^r the~~ if your Orator would not contest the Validity of the said Will and also further declared that she was willing your Orator's Olive Lettice W^mson's Wife should have her Share in case Dr^r Smith could be barred from having any Part but his Legacy for his Wife had taken Money and other things the full Value of her Part of the Estate & more and that the said Arthur W^mson's Wife your Orator's Sister & her self had earned the greater Part of the said Estate

Your Orator informed the said Mary that as there

was a legacy given John Smith by the said Will he
might accept thereof which would bar him from
the share of effects would be divided according to
the foregoing Agreement which one contended is

Your Orator acquainted John Smith of the legacy
offered the same to him which he accepted of and
received a receipt for the same

Your Orator then that before the Division
of the said Estate was agreed on the said Mary
Leum the younger intermarried with one William
Jordan of the County of Isle of Wight and he refused
to comply with any thing that his Wife had before
agreed on and insisted on the Will of the said
Mary Leum died in favor of his Wife after which
your Orator and the said William Jordan agreed to put
their Difference to indifferent Gent but when your
Orator had prepared Bonds for Arbitrating the Dispute
the said William would not agree to it Your Orator
then that on this they commenced a suit in the Court
of the County of Isle of Wight to oblige the said William
to whom an Appraisement of the said Estate on which
the said Jordan insisted on your Orator putting it to
them and John Elly W. Leum & Edward Hall being
agreed on your Orator was to get a Bond prepared with
sureties but the said Jordan refused to sign that also But
offered your Orator a sum of Money unknown to either
Williamson or to make up the Difference between

them as Arthur Williamson had said would comply with
any terms your Orator agreed to. But your Orator
utterly refusing to be concerned in so knavish an action,
your Orator then said William afterwards met at Isle
of Wight Court being Court Day and then came to an
agreement before Francis Waenn & Mr. Turner a
Solloweth. He then said Jordan was to keep all her
Dravens one Oval Table one Chest one Safe all the
Money except ten Pounds which was said to have been
earned by M^{rs} Exum after your Orator's Inter-marriage
was looked on as a sufficient Reward for her
Trouble she had taken more than the other two sisters
and his then said Jordan's Wife's Part to be made up with
what your Orator had had and then she was to have
ten Pounds more ~~than an equal Part of the same~~
There was some Pewter one Bed or two and the
Remainder of Part of the Estate was to be divided between
Arthur Williamson your Orator & Merid Williamson in right
of their respective Wives except a legacy of a B. & D.
Furniture and a silver Cup given to Francis Exum
and what ~~the father had~~. It was further agreed he
should keep one Negro Fellow named Ned at £50 and his
at £29. and a Mare at £3. And your Orator was to
have one Negro named Harry at £30. (who was
delivered according to Agreement.) because each of them
had had a Negro which they accounted for at £30. a piece
Your Orator then said it was also agreed that
your Orator & Arthur Williamson were to give the

said William Jordan Bond in case either Francis Epum or John Smith should commence suit agd him & recover any Part of the Estate that then they were to refund a proportionable Part of what should be so recovered And also That the said William Jordan should keep the Hoggs & killed for one Year Provision & never inventored or appraised without accounting for them And for the crop made on the plantation the Year N^o Epum died with great in the ~~year~~ North of May 'was agreed it should be submitted to the Determination of N. Lawrence Baker of Isle of Wight County Gent your Orator alleging such crop was Appts in the Estate tho never inventored or appraised by the said William Jordan as a good crop made the Year before your Orator married was kept by N^o Epum in the Estate But N. Baker declined giving his Award in the premises Your Orator then had a Day being appointed for a Division of the Estate according to the Agreement last above mentioned your Orator together with the said Arthur Williamson met but the said W. Jordan would not make any Division without your Orator would let him keep all the best of the Effects with yr Orator would not comply with Your Orator thereupon presented him with an Acc. he had prepared of what was to be divided with one as taken from the Inventory returned to Court & what was not inventored with your Orator saw & knew of in the House and gave it to the said William Jordan and

and him if he would pay in cash he would take less than the Value of his Share of the Estate he took the Acc. not in his hands and your Orator prays may be taken as part hereof Amount £206.14.0 and said some things were valued too high and then valued them himself and as well as the other circumstances he made them amount to upwards of 200 and told him if he would point out the Articles too high valued your Orator would take them & pay the money for them but he refused altho your Orator offered him £10. and then £15. more than the whole amounted to which he also refused Your Orator then proposed getting up the Estate to be bought by themselves with he also refused not would he comply with his Agreement in any respect except in delivering the Negro Harry Your Orator then that the things not be divided were reduced to nothing in the possession of the said Jordan & delivered to the said Francis Whinn & Mr. Turner that Maum said he hath left his City & Jordan fraudulently got Turner from him to take a Copy of and hath secreted it & refuses to let your Orator have a sight thereof Your Orator then that they open in a friendly manner applied to the said William Jordan and requested him to perform

your Orator prays that the said Harry may be delivered to your Orator & that the said William Jordan may be compelled to perform his duty in this behalf

the Agreement aforesaid made between his Wife before
Mary Thimself afterwards and to account for the
several things by him not inventoried with hoping he
would have complied with such proper Orators reasonable
Demands as in Justice & Equity brought to have done
But now said it is may it please your Worship
that the said William Jordan altogether refuses to
comply with the Agreement above set forth pretending
that your Orators have no Proof of the Premises and
therefore that he knows the Facts to be true he cannot be
forced to comply with his Engagements All which
Actings and Doings of the said William Jordan
are contrary to Equity and good Conscience and tend
to the Ruin & Impoverishment of your Orators In
order Consideration whereof and for that your
Orators are accordingly at Law & only relieved in
this Court when they can have a Discovery on both
the specific Performance of the Agreement directed
them to the end therefore that the said Wm.
Jordan & Mary his Wife may on their respective
oaths make full true & perfect Answer make to

particularly as if herein again repeated & interro-
gated and more especially that the said Mary
may set forth whether or no the said Mary

Did not your Orator discontinue his suit in the
Court in consequence of his Agreement with

their Agreement? Did not your Orator offer to take

The Answer of William Jordan and Mary his Wife
Defendants, to the Bill of Complaint of Thomas Williamson
and Olive his Wife, Complainants.

These Defendants saving and reserving to themselves all
and all Manner of Advantage and Benefit of Exception to the many
Untruths, Incertainties and Imperfections in the Complainants said
Bill of Complaint contained, for Answer thereto or to so much thereof
as these Defendants are advised, materially concerns them to
Answer unto, they answer and say, and the said Mary for herself
answering sayth that true it is that the said Mary the Mother
of the Deft Mary, did get Possession of the Estate of Francis Eurn
after his Death, that true it is that the said Francis Eurn died
intestate, and left such Widdows and Children as is set forth
in the Bill. - That true it is that the said Mary Eurn the Mother
did obtain a Release from the Complainant Olive, which was her
own free Act and Deed, and not obtained by Fraud, but was fairly
executed, before a Number of People then present, and not in a
private Room, as is set forth in the Bill, and that the said Olive
did know that such Release was wrote, and in the House several
Year before the same was executed, and knew of her Mothers Intest
to get such Release executed, whenever she the said Olive was about to
marry, and leave her Mother, by which Release the Complainant
Olive did release, and quit claim to all her Right of the Estate of her
Father Francis Eurn deceased, which Release these Defendants
refer to, and pray it may be taken as part of this their Answer -
This Defendant further answering sayth, that sometime after the said Thomas
and Olive were married the said Mary the Mother sent for the said Thomas
and Olive to come to her House, and also for Arthur Williamson and his Wife
[who was also one of the said Marys Daughters] to give them their Share
of the Estate. - that the said Thomas and Olive came accordingly, and
the Sum of Forty Pounds being agreed upon as sufficient for each Child
Part together with a Quantity of Household Goods part of which the said
Thomas and Olive had before received, & the Residue then received of an

Account of which Goods in the s^d Thomas's own hand Writing is contained
in the date N^o 2. to which these Defts refer and pray the same may be
taken as part of this their Answer, and the said Thomas and Olive did
then and there, receive one Negro Girl valued at thirty pounds or
ten pounds Cash, as this part of the said Estate - and were well
contented therewith, that after the said Division the said Mary Curn the
Mother told the said Thomas and Olive and the Deft Mary, that she would
divide what was left with her, at her Death, if any thing amongst them
but if one did more for her than the others she should give her the
greatest share of what was left, to which the said Thomas and Olive
agreed. - That the Defendant Mary lived with her Mother upwards
of Thirteen Years after the Complainant Olive left her, for a certain time
until the Time of her Death, and constantly took Care of her in her Old
Age, for which Reason, she hopes that as she did more for her Mother, so
she ought to have a greater share of her Estate, pursuant to the above
Agreement. - That the Sum of Forty pounds was much more than
would have come to each Child's part of the said Francis Curn Estate
provided it had been divided at the Time of his Death, he not dying
possessed of any Negro, only Land which descended to the Heir at Law
and Personal Estate. - This Defendant further answering saith, That
the said Thomas Williamson often during her Mother's Lifetime, after the
said Division, desired this Deft to persuade her Mother to make a Will
telling this Deft that her Mother had a Right to make one, and that
if she did not, her eldest Son and Heir at Law Francis Curn would
have the whole Estate at her Death. - That true it is that the said Mary
Curn did, make her last Will and Testament in Writing bearing
Date the _____ Day of _____ which was duly proved
and Recorded in the County Court of Isle of Wight, which Will these
Defendants pray leave to refer to and pray it may be taken as part
of this their Answer, - That it was not by any Persuasion of the said
Deft Mary, that her Mother made a Will, on the contrary she did not
know for sometime after the said Will was made what was contained
in the same. - These Defendants further answering say that they do not
know how much the Estate of Mary Curn deceased would amount to
on a Valuation thereof. - That there was one Old ~~Man~~ Wheel, One

One Old ~~Man~~ one Mace and Tarnish, One ~~Man~~ Ladle, the Crop
that was ~~the~~ the Year, the said Mary Curn ~~the~~ the particular
whereof ~~now~~ now he remembered which was ~~not~~ got to be
inventoried - That the Deft William Jordan does not know any thing
of any Agreement made with the said Mary Curn deceased and
his now Wife, other than as it is herein before set forth. - The
Defendant Mary further answering saith that after her Mother's Death
she did show her Mother's Will to the said Thomas Williamson who
was much disturbed thereat, saying it was no Will, and that it should
never go into Court, which much scared her she being an ignorant
Woman, she told him to be easy and she would satisfy him if she
could, on reasonable Terms and after the Will was proved, the said Thomas
came to the House of the Deft Mary and told her that he would make her
spend a Hundred Pistols, at the General Court, if she did not comply
with his Demand, she again begged him to be easy and told him to come
and receive his Legacy and what other Satisfaction they could agree upon
he desired her to get the Estate appraised otherwise he could not know his Part
wherefore saying there was no necessity, as the Estate was not in Debt
which is all the Discourse they had about it. - That the Deft Mary
at that Time did not think he had any Right to any Thing but her
Legacy, and it was purely because the said Thomas scared her into
it that she consented to make any further Agreement with him.
The Defendant William further answering saith that true it is there was much
Discourse, passed between the said Thomas Williamson and this Deft, concerning
the Estate, but Nothing finally concluded upon, the said Thomas Williamson
did put a Writing into the Hands of Thomas Turner and Francis Wrenn
which he would have to contain such Things said to be in this Defts
Possession, as the said Thomas agreed to have no share in, being acquired
by the said Mary Curn the Mother, since the Compt^{ss} Olive was married,
which Paper this Deft never agreed to, as he did not know whether the
same was right or Wrong. - That the Copy given to Turner this Defendant
got from him in Order to take a Copy of the same, and gave it to his Wife
to be put up, and the Deft Mary saith, that she did put the same away
where she thought the same would be secure, but can never find it
since, and that it is not wilfully destroyed by either of these Defts as is
set forth in the Will. - That these Defendants know Nothing of what
became of the Paper given to Francis Wrenn. - That the said
William took a Copy of Turner's Paper, which is here annexed
and

and Number 2. — The Deft Mary further Answered with that the said Mary Burn deceased departed this day or about the last day of May 1752. that she gave a considerable Legacy to the said Thomas Williamson & his Wife of a Negro Man named Harry for paying Arthur Williamson twenty pounds. — And the said Deft William said that the said Thomas Williamson did accept the said Negro Harry as his Legacy and is now in Possession of him under the said Will. — The Deft Mary further Answering with that after the Devision made by Mary Burn deceased amongst her Children, Thomas Williamson asked this Deft whether there was no more Money than what was divided amongst them she replied No. than say he you are poorly off intimating as this Defendant believes that they were left with but a very small living after the Devision to live upon. — The Deft William said that he does not know any thing of the said Thomas Williamson disowning any Suit against him in consequence of any Agreement made between them. — And these Defts pray that the Injunction granted the said Thomas Williamson may be dissolved, and that these Defts may have the Effect of their Judgment at Law, and be hence satisfied with their reasonable Costs by them in this Behalf wrongfully sustained. — Without That that &c.

R. Hells
Clerk

Arthur Williamson of full Age being first sworn on the Holy
Evangelists of Almighty God Deposeth and Saith That in the
Year of our Lord 1740 in the Month of January as I can
remember M^{rs} Mary Cum asked me and my Wife to come
to her House to her Daughter Olive's Wedding accordingly
We went when we came there Mary Cum got her Daughter
in another House and asked me to be an Evidence to a
Paper which I refused when I found what it was Mary
Cum the Mother of Olive Cum declared that her
Daughter had not received any Part of her Estate nor that
was not to defraud her but she should have her full Share
of the Estate tho she did set her hand to the Paper and
the Minister was every Minute expected to come Some
time after I informed Thomas Williamson of what had
passed and he was angry and said he would have the
Estate settled & as his Wife had broke her Back in
getting the Estate, that he thought it a Dishonour done
her and he would have the Estate settled, sometime after
Mary Cum sent for me and my Wife to come and divide
what there was amongst us, neither I nor my Wife went
but the next met as I understood afterwards and came to
the following Agreement as they informed me which
I agreed to that is to say, M^{rs} Cum was to keep the Estate
during her Life, only such Things as was of no Use to her
them was to be divided at that Time and the rest after her
Death equally between my Wife Thomas Williamsons Wife
and her Daughter now the Wife of William Jordan, they
divided some Money and old Chairs and some small matters
besides and Mary Cum now the Wife of William Jordan
did at that Time take one Negro Girl and has had in
possession ever since, and has since had five or six Children
which no body has claimed any Right to Inceivied or
Part of what was divided there was not any of the Cattle
Horses Sheep or Hogs nor Beds nor any thing of Consequence
except the Money this Negro Girl which my Part comes

about ten or more found to the same for Mr. Cum
the Mother of Mary Cum now the Wife of William Jordan
kept Possession of the Estate as before agreed on till the Death
of Mary Cum then the Estate was to be divided by
Agreement which Mary Cum now the Wife of William
Jordan brought a Will and pretended at first to claim a Right
to the Estate after rehearsing the Agreement she agreed
the Estate should be divided according to the Agreement
made in her Mother's Life time and she said let the Will
be proved as John Smith might get no more than what
him by her Mother's Will for his Wife had taken
money and other Things more than her Part and
declared she was willing that both Thomas Williamsons
Wife and mine should have their Parts as they had
got the greatest Part of the Estate so it was agreed on
that the Will should be proved and as well as I can
remember the Will was proved the next Court and
after she had got the Will proved Mary Cum insisted
that we should only have one Negro each of us which
much surprised Thomas Williamson and me too
after so firm agreement made by her self this Dispute
lasted some time and Mary Cum married William
Jordan and some time after came to the following
Agreement that the whole Matter should be referred
to Col. Gray Col. Taylor Maj. Shello Col. Baker
Mr. Laurence Baker and Cap. Smith and Thomas
Williamson was to get a Bond drawn to oblige us to
abide by their Determination Thomas Williamson
applied to Maj. Shello to Draw the Bond which
he did and afterwards William Jordan refused to
comply with that Agreement but insisted on our
taking the Legacy left by the Will which we both
refused nor could not prevail on them to have the
Estate appraised and when we saw nothing else would

do we commenced ~~nothing~~ a Suit against them after
Suit was commenced nothing would do but the Matter
be put to arbitration which Thomas Williamson said it
would be as it was before when the Upshot some he
would not comply with it but he and his Wife both
insisted the Suit should be dismissed and the whole
Matter to be put to Cap. Cley Edward Hail and William
Cum which was agreed to the whole Matter should be
put to the above Gent. But the Suit then depending
should not be dismissed till the Bond was signed so
this was agreed on and Thomas Williamson was
prepare a Bond again and the Day appointed for
at Thomas Williamson to sign the Bond I came
accordingly and after I had been there sometime
William Jordan & his Wife came Thomas Williamson
brought the Bond that he had drawn to William Jordan
to look over and liked as far as I know as I did not
hear him find any Fault with the Bond but
refused to sign the Bond or comply with his Agreement
at any rate but call Thomas Williamson out aside
and offered him a Sum of Money unknown to me
which he refused as he told me when he came back
and that he had been at him several Times before
to take a Sum of Money unknown to me and
make the Matter up We were in the Store house
at Thomas Williamson's and William Jordan
begged at him to let the Gent. agreed on settle the Matter
but William Jordan still refused after his Wife
could not prevail on him she got upon the
Counter and made a solemn Promise that she
would never get off the Counter till he did agree
to settle which had no Effect on William Jordan nor
could she prevail on him at any rate but was obliged
to break her Promise then we agreed to meet the next
Day at Sole of Night Court as it was Court Day and

some to the following Agreement before. Thomas Turner
and Francis Wren William Jordan was to keep one
Hill at twenty nine Pounds and a Mare at three Pounds
A Negro Man Slave named Ned at fifty Pounds which
William Jordan is to keep and account for at the
Price above agreed on It was further agreed that
Thomas Williamson should have one Negro Man
Slave named Harry at thirty Pounds because William
Jordan and I had each of us received a Negro apiece
and was only to account at thirty Pounds and Thomas
Williamson insisted as they were the same Negroes and
of no more value he ought to have one at the same
Value which both William Jordan and I agreed to
that he should have one Negro Fellow named Harry
at thirty Pounds and it was further agreed that the
said William Jordan in Behalf of his Wife should
keep a Chest of Drawers one Oval Table one Chest one
small Stettle some Pewter what I cannot well remember
one Pit Saw and all the Money except £10 which appears
to be £95.18.5 by the Inventory that they have
given but I don't believe it was one half the Money
The Things that was not to be divided Thomas
Williamson in the Presence of William Jordan
Turner and Wren wrote down and gave to Turner
and Wren after William Jordan had look'd over them
which he agreed to be right the above mentioned
Things was allowed to William Jordan as so much
earned after her Sister was married which neither
Thomas Williamson nor I claim any Right to nor
five or six young Negroes that was born after we
married and it was further agreed that Thomas
Williamson and I was to give Bond to William Jordan
in case either Francis Cum or John Smith should
recover any Part of the Estate then the said

Thomas Williamson and I was to repay a proportional Part
of what we had received and it was further agreed that the
Cropp made the Year Mr Cum died which was in the
Month of May was to be divided by Mr. Laurence Baker
and if he refused then to chuse some other Man after
every thing was agreed on I told Thomas Williamson
and William Jordan we would join and put in
our Bills and treat the Men for troubling them
which they agreed to and sent for the Liquor and the
Williamson and William Jordan told Turner and
Wren to take care of the Papers in case any dispute
should arise tho they said they did not think
there would and some of the Company said they
did not know how the Estate would be divided and
Francis Wren answered and said set up and the highest
Bidder take it and it was further agreed that the
Suit ~~then depending~~ ^{in Court} then depending should be dismissed
and the Estate should be divided as above agreed on
and Thomas Williamson and I told William Jordan when
we should meet and divide the Estate William Jordan
appointed the Day himself and we went directly
and ordered Maj. Wells who was the Attorney to
dismiss the Suit which was accordingly done then
Thomas Williamson Mr Jordan and I went to Mr. Laurence
Baker as he was at Court and asked him if he would
divide the Crop between us and Mr Baker asked Mr Jordan
if all the Negroes were to be divided and William Jordan
answered yes Mr Baker seemed if he would but before
they met to divide the rest of the Estate Mr Baker wrote
to us that he did not chuse to be concerned about it all
what was agreed and Mr William Jordan desired might be kept
secret and by the way Mr Baker said that he would

~~Thomas Williamson~~ Thomas Williamson sent down to the Office for a
Inventory and when he got it we found by it that they had
not inventoried a great Part of the Estate Thomas Williamson
went and set down what was Inventoried and some Things that
we could not remember that was not Inventoried which he said he
would take less than the Value if William Jordan would keep
the Estate and pay him in Cash and both went according to
the Day W^m Jordan had appointed for the Division of the Estate
when we came W^m Jordan Thomas was there which we supposed William
Jordan had got to draw the Bond as we agreed to give him after some
negotiation Thomas Williamson gave William Jordan the Account he
made out and also give him an Account of what things he had
of the Estate which was agreed by all to be right and was valued
William Jordan and his Wife and I to be worth ten Pounds
which was allowed to W^m Jordan in Behalf of his Wife and it was
also agreed that what I had received was of the same Value except
the Negro woman called Judy and W^m Jordan took the other
and that Thomas Williamson had made out and look'd over and
for he had look'd it over he said there was some things too high
valued Thomas Williamson told W^m Jordan if he would point out
any thing that was valued too high he would take it and pay
according to what he had valued it to which he refused and took the Acc.
and valued it himself and made a small matter less I remember
it was odd of two hundred Pound after W^m Jordan had valued it
himself Thomas Williamson told William Jordan and his Wife
there was a great many Things that was not inventoried W^m
Jordan answered what was not inventoried was his own and
he would not divide them Thomas Williamson told them as they
were upon Oath they ought to return an Inventory of the whole
Estate else they would be forsworn but all that he could say did not
avail any thing and told him of several Things and some that was
put in the Account He took M^r Thomas out aside returned and
did not visit on it afterwards after this was over it was purposed
to divide the Estate he still refused except we would let him

take all the Prime of the Estate and for us to take the residue
that was of little value upon this Thomas Williamson
purposed to set up every thing and let which of the three
that would give most for them take it William Jordan who
refused then Thomas Williamson purposed to William
Jordan that he would take the Estate and pay ten Pound
more than he had valued it to he still refused then Thom.
Williamson offered for more than he had valued it to us
he also refused nor nothing that we could offer that he
would comply with only he did agree to let Thomas Will.
have the Negro Fellow Harry according to the Ag.
The Red and Silver Cup left Francis Cum by which we
which we had set apart for Francis Cum which we
all agreed was his and I think they must be worth ele.
Pounds ten Shillings M^r Cum's wearing Cloaths was
inventoried nor put in the Account which I think must be
the value of ten or twelve Pound and I think there must be
eighty or ninety Barrells of Corn also Mary Cum
now the Wife of William Jordan told me there was
Barrells of Hughes Cyder and as well as I do remember
was sold for 21/6 of Barrell there was force Wheat and Brand
what I can't remember also William Jordan had killed
Provision for one year for his Family that he had not
inventoried as he confessed to us himself but how many
Hogs or Cattle I don't know and also the Corn and Tobacco
made the Year before M^r Cum died one ^{the} Tobacco as
I understood by them was sold to Thomas Williamson after
the Death of M^r Cum which was not inventoried also I think
there must be at least two thousand Pound of Tobacco made
the Year M^r Cum died and several things that was not
inventoried which I can't remember at this time Thomas
Williamson several Times was at William Jordan to settle
or let somebody else settle it and that the Dispute may be
at an end but would not settle at any Rate I never knew
of Thomas Williamson's having a Negro from the Estate
nor I am sure he has not received one except the Fellow

Since the Death of M^r Cum as per Agreement I was ac-
cused with their Negroes in my own and there was first five
which I had which I had received in the Lifetime of M^r Cum
and James who Mary Cum now the Wife of William Jordan
in the Lifetime of M^r Cum and now have in Possession
I had several Children nor did Thomas Williamson claim
right in any of the Negroes above mentioned which we account
Thomas Williamson at Thirty Pounds as he was to account with
for the Negro Sellers he had received since the Death of M^r Cum
Agreement there was one Negro Seller called ^{Red} which William Jordan
was to account with Thomas Williamson and at fifty Pounds
Agreement there was also one old Negro Woman called Sarah
Martha since the Death of M^r Cum there was
William Jordan now has the
Thomas Jordan which nobody claims any Negro
was born after Mary Cum now the Wife of William Jordan
her Possession according to the Agreement first made with
nor has she been inventoryed nor any of her Children as to Thomas
threatening either William Jordan or his Wife I know nothing
of them he always insisted he would have the Estate equally
of his Wife as he said she had worked all the
and got the Estate and only insisted on Land
as she had worked till she was thirty
old years old more like a Negro than a Daughter and this much
I know that her Daughter worked constantly in making both Corn
and Tobacco I have heard Thomas Williamson declare he did not
desire anything but what was fair and honorable both before M^r
Jordan and his Wife and behind their Backs and always said
as he was an interested Man was willing to refer it to indifferent
Persons to settle it and what ever they did he should be satisfied
with and I do hereby Declare that I am not ^{to receive} nor do I expect
any Advantage by the Determination of this Suit either directly
or indirectly

1753 or

In the Month of May In the year 1754 as well as I remember
the Court house of Isle Wight Thom: Williamson came to me
and I went with him to be an Evidence to an agreement
between Arthur Williamson, William Jordan and himself concern-
ing the Estate of Edward & that the suit then depending in Court
was to be Dismissed and I went with Thom: Williamson behind
the Court house under a Large Oak there was Arthur W: Jordan
William Jordan and Francis Ward. When I came there the said
Arthur Williamson, William Jordan, & Thom: Williamson
began to Discourse about a Still, which the said William Jordan
insisted on keeping at £29. the said Thom: Williamson, &
Arthur Williamson insisted on £30. which either of them
would give Still the s: William Jordan, insisted on £29.
with the s: Thom: Williamson, said he did not Value £8. &
it was agreed that the s: Jordan, should keep the Still at £29.
& it was further agreed that the said Jordan should keep a Horse
& what price I cant well remember & a Negro fellow named Ned
at £30. it was further agreed the said Thom: Williamson
should have one Negro fellow Named Harry at £30. because
the s: Arthur Williamson, & William Jordan Wife had each of
them a Negro at £30. which I understood they had Received.
& it was further agreed that the s: William Jordan, in behalf of
his wife should keep a Chest of Drawers, one Oval Table, one Chest,
one small Kettle, some Dishes & Plates, the s: I cant well
remember one pit saw, some other things that I cant remember
& all the Money Except Ten Pounds, the Money and other things
Mentioned in the Paper Delivered to me and Francis Ward, at
the time of agreement which the s: Thom: Did not pretend to claim
any Right in which it was agreed on he should keep for his
wife's Trouble and it was ^{further} agreed that the said Thom: & Arthur
Williamson, was to give the s: William Jordan, Bond in Case
either Thos: Exam: or John Smith, should recover any part of the Estate
then the s: Thom: & Arthur Williamson, should repay a proportion

part of what was received & it was further agreed that the Cr
made the year Mr. Exum died was to be divided by Mr.
Baker, & if he refused then to Chuse some other man.
thing was settled I agreed on Arthur Williamson, said let
Join & put in our Bitts to that the work be for troubling them
they also did and the S^r Thom^s Williamson, & William Jordan
soldiers to take care of the Papers in Case any Dispute should
arise tho; they said they did not think there would & some of the
Company said they did not know how the Estate would be Divi
ed & Francis then answered and said well I am the highest
Bidder take it & it was further agreed that the suit depending
in Court should be Dismissed & that the things should be divided
& I did agree upon a Day for the Division & after that Thom^s
Williamson told me that the suit was Dismissed that some
time after the agreement William Jordan came to my house
& there was some People at my house, he called me out and
me if he was not to have a large Kettle & I told him not as I
remembered and some other things that I cant remember
time after that he came again and I was not at home & he
went to Joshua Turners which is about half a mile and inquired
where I was and they told him I was gone down to the water
to work he said he wanted to see me & as they informed me I
ward, sometime afterwards he came to my house & asked me
to let him see that Paper I let him see it he look'd over it & asked
me to let him carry it home with him I told him I was not
willing that he should and he asked me to let him take a
Copy I had no Pen and Ink then we went over to Joshua Turners
tho; he was not at home then he invited to let him carry it
home with him & he would take Care of it he told me the Paper
would be of no use for we shall Divide the Estate without
troubling you & he would carry it to Court the Next Court
& if I was there he would give it to me and if not he would take
the trouble to come and bring it to my house himself & I did

not go to Court nor he never brought it to my house some
time after. I saw William Jordan & asked him for the Paper
he told me he believed his wife had destroyed it for he did not
know what was gone with it Sometime after the above
agreement William Jordan came to me at Sole wiggt Court
& asked me to go with him to Thom^s Williamson and I
went & he demanded a sum of Money which I understood
to be a Legacy left his wife by Tra^s Exum, Tho^s W^m Jon
said there was an Acct^t to settle between them & that
he was ready at any time to settle it if there was any
Balance due he was ready to pay it. —
