William Briggs Mr

The commissioner charges the Estate for the hire of negro Harry to the amount of $209 to which negro as has been stated by John Harris he is one of Sally Harrison dower negroes of the Estate of Henry Harrison dec'd the said negro was sued for by a Certain Harrington Ellis who has not recd them and the said negro has been sold since the death of Sally Harrison for a division in the Estate of the said Henry Harrison as such I am of opinion that the Estate of Sally Harrison should not be charged with the same and of course has not been so. Respectfully submitted to the Court
William Briggs Mr Cmr

Since the above report was made it has been proven to the satisfaction of the Commissioner by the testimony of Dr. Newsom that the above said negro Harry was not one of Sally Harrison dower negroes and that the charge for hire was correct as such I have continued the acct and allowed the same.
