To the worshipful court of Southampton County in
Chancery sitting humbly complaining sheweth
unto your worships your orator Samuel Calvert Executor
of Simon Murfee decd

That a certain Josiah Vick whom your
orator prays may be made Defendant hereto executed as
the security of the said Simon Murfee a bond to a
certain Wilkeson Edwards on the 4 day of
for £ That the said Murfee
your orator's testator died before the sd bond was
discharged - That after his decease judgment was
recovered thereon in this Court against the sd
Dft as surviving obligor - That after the rendition
of the said judgment & its satisfaction by the
Dft, he by motion in this worshipful court under
the act of assembly in favor of securities obtained
judgment against your orator as executor of sd Murfee
who was principal in the said bond for the amount
of the judgment which had been recovered against
him this Dft as security aforesaid. That your orator
has no assets in his hands wherewith to satisfy the
judgment thus obtained or any part thereof nor has he obtained
any against him provided he should be eventually con-
victed in a suit now depending in this Court between
the sd Dft & your orator as Executor aforesaid wherein
the sd Dft demands a debt much larger than the judg-
ment aforesaid & of superior dignity thereto of your
orator. Nor will your orator be able to discharge the
said judgment for want of assets if a certain Matthew
Murfee for whom your orator's testator was security
decease, should succeed in the recovery of a very con-
siderable demand against your orator for monies which
he alledges your orator's testator was indebted to him as their
security This demand being also of superior dignity
to the judgment aforesaid - Whereupon your
orator

orator, he being remediless at common Law, pray's that the judgment aforesaid obtained against him may be enjoined until the determination of the said suit between the Defts & your orator & until the final settlement of the said Matthew Murphy's demand aforesaid & until your orator shall have fair allowed all the credits & defalcations due by his said testator - May it please the court to grant to your orator such further & other relief in the premises not herein prayed for as may be just & applicable to his case the Defts answering upon his corporal oath unreservedly all the allegations herein contained & your orator ever will pray

The Answer of Josiah Vick To the bill of injunction exhibited against him in the worshipfull court of Southampton by Samuel Calvert surviving executor of Simon Murfee decasd.

This respondent saving and reserving to himself all manner of benefit of exception to the manifold errors, insufficiencys uncertaintys and absurdities in the Complainants said bill contained, for answer thereto or to so much thereof as he is advised it is material for him to make answer unto, answereth and saith That true it is the said Simon Murfee was by this court appointed Guardian of John Murfee this respondent in the year and that your respondent as the security of the said Simon Murfee then executed with him a Guardians bond as by Law required, That the said Simon Murfee continued to act under the appointment aforesaid until February Court 1790, when the said John Murfee having arrived to the age required by Law for that purpose, came into this court and chose your respondent as his future Guardian. That it is also true, that the said Simon Murfee during his Guardianship aforesaid became indebted to the said John Murfee on the 25th. December 1769 in a ballance of £70. 3. 2 That although the said Simon Murfee became thus indebted to the said John Murfee, or to your respondent as his Guardian as aforesaid, Yet your respondent most positively avers and charges, that the said Simon Murfee never did during his life pay to this respondent as Guardian as aforesaid or on any other

capacity, the said sum of £70.3.2 or any privity thereof, but that after the death of the said Simon Murfee, which took place in the latter part of the year 1795 or early in 1796, your respondent as Guardian aforesaid demanded of the executors of the said Simon Murfee payment of the said £70.3.2 with the interest which had accrued thereon, as will fully appear from the Letter annexed to the complainants bill to which your worships are respectfully referd. That though this demand was thus made at a very early period after the death of the said Simon Murfee upon his executors, they as their testator had done before them did refuse and have failed to pay the same to your Respondent. That the said John Murfee having attained his lawfull age made frequent and repeated applications to the executors of the said Simon Murfee for payment of the said sum of £70.3.2 with the accruing interest, but without effect until tired out by repeated and ineffectual applications he instituted a suit on the Guardians bond aforesaid against your respondent as surviving obligor of Simon Murfee and himself and at Term 1803 recovered a judgment against your respondent for the said sum of £70.3.2 with interest from the 25th december 1789 and costs amounting in all to the sum of £118.10.4 which sum your respondent on the 21st day of september 1803 fully paid and satisfyed to the said John Murfee as will appear from his receipt filed in the clerks office of this county, to which your worships are also referd. That at Term 1803 your respondent by virtue of the act of assembly in favour of Securities, moved this court for judgment and award of execution against the complainants as surviving executors of Simon Murfee deceasd and obtained a judgment against him for the sum of £118.10.4 with interest thereon to be paid, which judgment hath since been enjoined by this worshipfull court. Your respondent acknowledges that the said Simon Murfee did on the 30th June 1783 enter into partnership with Mitchell and Nick and that in their adventure as his share of the stock the sum of £27.5.2½, which sum without addition or diminution continued in Trade under the different forms of Mitchell and Nick Abraham Mitchell & Co and Jonah Nick & Co until the 18th Sept. 1786. That upon a close of the business your respondent found the said Simon Murfees profits during that period in proportion to the amount of his stock amounted to the sum of £13.16.10¼ and that during that period the said Simon Murfee as a partner dealt for and received in debts, goods and other articles to the amount of £58.3.4½. That on or about the 18th Sept. 1786 the goods then on hand were by mutual consent put in to Franklin County North Carolina and there opened and the business conducted under the firm of Mitchell & Nick by a certain Bolley Hines under the superintendance and direction of Abraham Mitchell, that at that time the said Simon Murfee added to his former stock the sum of £6.11.4, thereby increasing the amount of his stock to the sum of £33.16.6½. The business in N Carolina was continued for about two years when the copartnership was dissolved, and all the books and papers relating thereto remained in the hands of the said Bolley Hines and Abraham Mitchell until his death, that as to the business carried on in N Carolina your respondent hath not to this day been able to obtain any correct information and so far from having received any part of the stock or profits of the

said Lemon Kemper, your respondent had not been able notwithstanding the most fatiguing exertions to obtain even his own stock by him put in, and has every reason to believe that he will lose a considerable part of it owing to the said Railway Hands, having received and collected the monies and applied them to his own purposes, That as to such credits as the representatives of Lemon Kemper are entitled to your respondent begs leave to refer your worships to his account against the said Lemon Kemper dec'd. hereto annexed and pray it to be taken as part of this answer. That so far from your respondent being a debtor of the said Lemon Kemper he most positively avers he does not recollect that he ever owed him a penny in all his life. This respondent denying all combination fraud & prays to be hence dismissed with his reasonable costs in this behalf most wrongfully and unnecessarily sustained without that &c.
