Sept 1808 answer filed &
rule to dissolve

To the worshipfull court of Southampton county in
chancery sitting

Humbly complaining sheweth unto your
worships your orator Robert Maberly administrator of Randolph
Deere dec'd That Pelgrim Pick who is the administrator of
Revers Deere ^{dec'd} hath instituted an action of Debt in this
court your orator as the administrator of the said Randolph
and hath recovered a judgment for the amount of the bond on
which the suit was brought, Your orator here states that
he as administrator of the said Randolph Deere hath obtained
judgments against the said Pick as the administrator of
Revers Deere for the sum of eight pounds Twelve shillings
which still remains due and unpaid, he further states
that he has not as yet been able to make up an account
current of his administration on the estate of Randolph Deere
but as far as he is enabled to judge from a view of the papers
relating to that estate, there will not be assets in his hands
to discharge any other debts than those already paid off
~~debts~~, he however believes and is confident that as the debt
due from the estate of Revers Deere to that of Randolph Deere
^{and executor,} is larger than that recovered by the administrator of Revers Deere
against him, ~~that~~ ^{he} ~~could~~ not be harassed by an execution, but
that your worship will inform and restrain the said Pelgrim Pick
from all further proceedings on the said judgment, at any rate
until he is enabled to make out his account current and
have it properly authenticated, was to ascertain whether there will
be any assets in his hands - In tender consideration whereof and
for as much as he can only find relief in equity, your orator
wishes that your worship will inform and restrain the said
Pelgrim Pick from all further proceedings on the said judgment
and compel him to answer the bill fully and sincerely

and grant to your orator such other and further relief
in the premises as may be consistent with equity - May
it please the Court the premises considered to grant to
your orator the Subpoena of Injunction commanding &

March 1887 From to in Court Shelle

The ~~answer~~ ^{admirer of Niles} of Pilgrimage Dick, to the bill of complaint exhibited against him in the Worshipful court of Southampton county by Robert Mathey ^{admirer} of Randolph Keese -

This Respondent saving to himself all right of excepting to the various errors stated in the said bill, for answer thereto says, that he knows nothing of any claims of the Compt. in his individual character against him, and therefore he denies that any such exist to the best of his recollection - He does not know any thing of the two judgments which the Compt. says he has obtained against him ^{in his character} ~~as~~ ^{an} admirer of Randolph Keese. He admits that his warrants were served upon him, but he did not attend because on the day fixed for their trial, he was entirely too sick to do so - He conceives if any judgments were rendered upon the trial of those warrants, that they were unjust, and therefore he prays that they may ^{be} reversed by this court - He has heard that the two judgments alluded to by the Compt. were judgments obtained by the Compt. in his own right & not as the admirer of Randolph Keese - He is advised that his own individual claims can not be ^{used} ~~used~~ as an offset in this case. He also states that Niles Keese was guardian to Joseph Keese, and owes the said Joseph more than his estate is worth - He lastly prays to be hence dismissed with his costs in this behalf expended.

Pilgrim Vick ~~made~~ affirmed ~~base~~
me that the statements in the within
number are true to the best of his
knowledge & belief
