SOUTHAMPTON COUNTY
CHANCERY PAPERS

BOOTH

VS CROSLIN'S ADMX

4/1823

North } Bill of
Order of Refractors

April 21st 1873 -

Injor granted upon
the party giving bond
and Security within two
Calendar months -

To the worshipful the County Court of Southampton in Chancery
sitting — humbly Complaining sheweth unto your worships
your Orator Alexander Booth — That a certain Jonas Crolin
deceased this life some years since indebted to your Complainant
in the sum of ~~\$57.50~~ ^{\$82.50} due by account that a certain
Margaret Crolin the widow of the said Jonas Crolin some-
-times on his estate proceeded to sell the same upon a Credit
that at the sale your Complainant became a purchaser
to the amount of \$ — for the purpose partly of receiving
his claim. but the administrators instead of discounting the two
claims compelled your Complainant to execute his bond
for the amount of his purchase alleging that it was uncertain
whether the estate would be sufficient to pay the debt of a
superior dignity — but if the estate should be sufficient that
his claim should be offset against his bond — Nevertheless
the said Com^r notwithstanding her promises as aforesaid
obtained a judgment against your Complainant because
as is well known to your worships Claims of this dis-
-creption cannot be offset in a court of law. and there-
-upon sued out execution which came into the hands
of the Sheriff & has been levied on the property of your
Complainant — That it is believed by your Complainant
that the estate of the said Jonas Crolin is fully sufficient
to pay all its debts — That your Complainant at a few
Courts past upon representing the facts of this case obtained
an injunction — That the same was holden of no validity
in consequence of your Complainant not executing the bond
required by law. — That your Complainant was not advised of

its necessity and believe that the Matter was, at rest. -

In Under Consideration whereof and in as much as your
Complainant is removable in a Court of Law it is prayed, that
your worship to Compell the said Margant Crokin to render
an account of his transactions as administrator of the
said estate - that in the mean time your worship grant a
Subpoena of Injunction prohibiting the Sheriff from pro-
ceeding farther under the execution - directing him to deliver
the property levied on to your complainant and grant such
other relief as the premises involved seem equitable &c.
