To the Honorable, the Judge of the Circuit Court of
Law and Chancery for the County of Southampton.

Humbly complaining sheweth to your Honor, your
Orator Norfleet Joy, that by the last will and
Testament of Thomas Joy dec^d, a legacy of one thou-
= sand dollars is bequeathed, to Charles Joy and the
like sum is bequeathed to your Orator - which will
morefully appear by reference to a copy of the said
will as admitted to record by the County Court of
Superior, and prayed to be taken as a part of this bill.
That there being no Executor named in the said will,
the said County Court, granted adm^t with the will an-
= nued to one George Joy, who resides in the County
of Southampton, & who was duly qualified having
executed his bond to the justices then sitting in ex-
cessality of ten thousand dollars, with one Horrel Nichol-
= son, and one John Williams as his sureties - That
the said George Joy is qualified on the 7th day of
September 1826, his will appear by reference to a
copy of his adm^t bond herewith exhibited as a part
of this Bill - Your Orator also states, that notwithstanding
= standing the great length of time which has elapsed,
and the fact, that there were but few outstanding
debts due from the said Thomas Joy's Estate, which
have been long since paid, the said George Joy
has never settled any acct of his adm^t of the
said Thomas's Estate, nor paid to your Orator
his legacy aforesaid or any part thereof. He
also states, that Horrel Nicholson, one of the sureties in

the said bond, departed this life in the year, having made
and published his last will and testament which was
admitted to probate by the County Court of Sussex.
That adm^r with his will annexed was granted to his
widow Charlotte Nicholson, who undertook the duties of
the same, & has intermarried with Bailey Bryant.
The fact of her qualification as adm^r will appear to
the Court, by a copy of her letter of adm^r herewith
exhibited - That your Orator has ^{in vain} applied to the s^d
George Joy for payment of his legacy with interest
or a settlement of the estate, and a payment of
a pro rata proportion of his legacy, if the estate sh^d
prove insufficient to pay both money legacies - but
cannot compel the same, without the aid of this
Honorable Court. In tender consideration whereof and
inasmuch as your Complaint is remediable at law, To
the end, that the said George Joy adm^r & of Thomas
Joy, and the said Charles Joy, son of George, who
is an infant by some Guardian ad litem, and the
said Bailey Bryant and Charlotte his wife, adm^r
& of Hovel Nicholson dec^d and the said John Williams
may be made Defendants hereto, and compelled to
answer the allegations herof, he prays the writ of
Sp^d directed &c. that your honor will compel
the said George Joy to render an account of the
assets of his said Testator's estate which have come
to his hands for adm^r and compel him & his said
sureties to pay to your Orator his legacy & interest
aforesaid, or in case of insufficiency of assets, the
majority of the balance, and grant him gen^d & special relief &c.

May 31/1833-

To the Hon^d. Robert B. Taylor, Judge of the Circuit Superior Court
of Law and Chancery, holden for the County of Southampton.

Your Orator sheweth, by leave of the Court, and
by way of amendment to his Bill heretofore filed in this
Court, against George Joy as ~~Guardian~~ of Thomas Joy dec^d, humbly
complaining sheweth to your Honor, that the said George
Joy on the 16.th day of December 1822, and before the death
of the said Thomas Joy, duly qualified as Guardian to
and his sister Sally Joy,
your Orator, in the County Court of Southampton, and
executed his bond to the Justices then sitting in the pecuniary
off 700, with James P. Holt and John Womack as his sureties,
as will appear by an attested copy of the said Guardian's
bond herewith exhibited as a part of this Bill; That in
this character he rec^d. several sums of money belonging to
your Complt without ever having accounted for the same
in any manner - That he did not render any account
either of his admⁿ. or Guardianship, ^{before the institution of this suit.} - and if your Orator
be held to his remedy on the Guardian's bond, the penalty
will be wholly inadequate to pay the sums rec^d. by him
as Guardian, if he should be considered responsible
in that character, for the legacy bequeathed him by Tho^s.
Joy - That the said Guardian, and his sureties, tho' often
required to pay the sums so rec^d. as aforesaid, to the
p^lff since he attained full age, have never done so
nor has he accounted for the same - which is contrary to
Equity. In consideration whereof and for as much
as your Complt is remedied at law, and only relie-
vable in Equity - Is the end that the said George Joy
as Guardian of your Orator, and the said James P.
Holt and John Womack as his sureties, may be made
Defendants hereto, and compelled to answer the allegations

heresof, fully and unequivocally, he prays the Commonwealths assent
of Sh.^a directed & commanding &c. that your Honor will decree
that the said Guardian do account for all monies by him rec^d
for your Orator, & that he & his said sureties do pay to
him the same, and that your Honor will grant him general
and special relief and as in duty bound he will
pray &c.

To the honorable Robert B Taylor Judge of the Superior Court of Law & Chancery for the County of Somerset
The answer of George Jey to the bill of complaint filed in the said Court against him & others by Norplett Jey. This respondent saving all benefit of exception to the complainants bill for answer sheweth says that it is true that he became the administrator with the will annexed of Thomas Jey in Suprem Courts Court the deceased having received the said in that County.
It is true further that this respondent paid the debts of the deceased as well as his by his acct current of his administration on the said estate made up & reported under the ^{order of the} Suprem Court by Master Commisner James here annexed & charged to be paid as a debt hence this account was settled in the year 1832 but as the said Thomas Jey had devised his estate after the payment of his debts one thousand dollars to Norplett Jey, who was then an infant & to whom your Honor the infant son (Charles Jey) of your Honor & to whom he was the natural guardian & your Honor considered the balance in his hands as belonging to his heir so this son one month since & has been so using the balance to the hurt of the two devisees he had his acct referred to a master Commisner & who has the subject state before him & who he hopes will shortly

report the same thereby showing the amount
due to the Complainant by your demand
as his guardian which sum deducting
the disbursements made by your agent
debt for his said wage he has no objection
to a just & proper decree for what may
be proper due him but your respondent
cannot but complain that the Complainant
should have sued him on his guardian
bond & again have sued him in this
manner for what the original action
the said guardian bond would
enable him to obtain had you
respondent having been dispositive
to refuse to pay he thereby hopes
that he will be decreed only to
pay the sum justly due his late
wage or that he recover at Law only
the amount due & not be vexed with
disbursements with two suits for the
same cause of action & thereby
subject to double costs & trouble
he has no objection to your honor
directing a commissioner to examine
the acts & vouchers then charging
your Complainant with the
balance of the monies of Thos Grey,
estate from the time of the
settlement of the debts of Thos Grey

which by a return to the said report
will be seen to have been done by the
close of the year 1827 at which time
the monies of the sum then due from him
as Thos Greys account was paid as shown
is advised properly to be paid to the
credit of his late wage & from that time
was a sum to be charged with the expen-
ses of his said wages there are the monies of
your respondent & he is advised as
the money & justly due to your respondent
having now fully answered prayer here
to be dismissed under such decree as
in the opinion of your honor may be
conceded or just & as in equity he will

Cont from the last page

There are several items of disbursements in the above account which have been paid since the intermarriage with Bryant but the Court is directed by each of them to charge them in this account, as they were made out of Mrs Bryant's money.

The administration also directs the Court to state that Wm T. Chambliss's bond for \$300. due the 1st March 1827 is not credited in this acct. as it was placed in the hands of George Patterson of Petersburg for collection, which was then to meet a debt of about the same amount due from the estate to him.

And let me except to the report made by Comm. Cobb, for
the case of Ivey or Ivey & others, for the following reasons

1. That in the act of George Ivey's Guardianship of the pliff,
the Comm. charges the Guardian, with a legacy bequeathed him
by Thomas Ivey, which had been rec^d. by the said George Ivey as
adm^r. of the said Thomas Ivey dec^d. without settlem^t. of his estate,
and the same was not in fact, transferred to the Guardian
act.
2. Because Comm^s are charged on the same sum, by the s^d.
George as adm^r. and as Guardian -

Ordered that Bailey Bryant and Charlotte his wife render before a Commissioner of this Court, an account of their administration on the estate of Horrell Nicholson deceased.							
		Attest J. J. Mason D.C.					
Commissioner's Office.		Superior County.		7 th July 1835.			
In obedience to the above order of Court, I have audited and stated an account of the administration of Bailey Bryant and Charlotte his wife, on the estate of Horrell Nicholson dec'd. (by request of them, separately and distinctly from each other) which is hereto annexed, and find a balance due the admin. wife of fifteen hundred and twenty nine dollars and sixty nine Cents, viz:							
To Charlotte Bryant ninety two dollars & seventy Cents with interest from the first day of this month till paid; and to Bailey Bryant fourteen hundred and thirty six dollars and ninety nine Cents, with interest on thirteen hundred and twenty one dollars and forty one Cents from the same day until paid.							
There are several items of disbursements in the account of Charlotte Bryant which have been paid since her intermarriage with Bryant, but the Commissioner is directed by each of them to credit them in her acct. as they were paid out of her funds.							
The Admin. also directs your Commissioner to state that Wm. Chambliss' bond on the estate for \$360.00 on the 1 st day of March 1827 is not credited in these accts. as it was placed in the hands of George Patton of Petersburg for collection which was to pay a debt of about the same amount due from the estate to him, and that she has not obtained a receipt for the debt and him.							
Respectfully submitted

N. Wey as George Wey &c.

The Defat Geo: Wey qualified as Guardian to Norflet & Sally Wey on the 16 Decr. 1822, & gave bond with James P. Holt and John Wommack his sureties in a penalty of \$700.

Thomas made his will in 1826, & died, devising to Norflet Wey, one thousand dollars. George Wey qualified as adm^r & gave bond with Horrel Nicholson & John Williams his sureties.

On the 5th day of Decr. 1831. Norflet Wey being of age sued out his sp.^a in ch^y. against the adm^r of Thos. Wey & his sureties & commenced this suit for his legacy. At Jan^y 1832 George Wey took the first step towards settling his adm^r acc^t by moving the Cy. Ct. of Superior for an order of reference. By an amendment to the bill, Wey & his sureties as Guardians are Defdts. The contest is

between the two sets of sureties -

The plffs contend, that the adm^r's bond covers
his claim for the legacy. No settlement had been
made; no actual transfer of the legacy
could have been made because it
was not known until the act^s were
settled, what statement had to be made

This Court sitting in Equity will not pre-
= sume such transfer against these facts
shown in favor of sureties, when it
inures to the injury of sureties, & one
who is entitled to its protection against
his late Guardian - Such a decision
w^d throw the plffs back on the Ex^r with
a penalty wholly inadequate to
meet his demand -
