He for up

To the Honorable Richard H. Bahr, Judge of
The Circuit Superior Court of Law and Chancery
for the County of Southampton, in Chancery sitting.

Humbly Complaining, I sheweth unto your
Honor, your Oata Jacob Williams adm^r of
Elizabeth Williams dec^d, ^{and also adm^r of Eliza Williams dec^d} that sometime in the
month of May in the year 1817 a certain Joel
Newsome of the said County, by his Act and
Trust dated in the year aforesaid, and executed
to a certain Mary Magel, transferred to the
said Magel, freely considerable real estate,
several likely slaves as well as a variety
of stock and other personal property, the whole
being of very great value, as all of which will
more fully appear by reference to an attested
copy of the said Act herewith filed and prayed
to be considered as a part of this bill. And
your Oata further shews that the said prop-
erty was conveyed to the said Mary Magel in
Trust, that, after paying to the children of Da-
vid Newsome the sum of one hundred and
twenty dollars, he should equally divide the
residue among the children of the grantor, to-
wit, Nancy Newsome, Elizabeth Williams, Lu-
cia Beale, Jane Newsome, Lucy Newsome, &
Rally Newsome, as will appear by the said
Act more particularly. And your Oata repre-
sents that the said Joel Newsome remained
in the use and possession of the said trust estate
during his natural life, on the expiration of
which, to wit, sometime in the year month
of in the year the said Mary
Magel distributed the said trust fund be-
tween such of the ^{original} certain true trust as were at
that time living or included of them who
had previously died. And your Oata fur-
ther shews that the said Mary Newsome in-
termarried with a certain William Newsome

who died before the execution of the said Trust and in the lifetime of the said Nancy Newcome, who also, having received her proportion of the said fund, departed this life sometime in the year , and administration on her estate has been granted to a certain Selah Ellsworth: That the said Elizabeth Williams, who was at the date of the said deed, the wife of Elipha Williams, some short time thereafter, and before the death of the grantor, departed this life leaving her husband, who having subsequently intermarried with a certain Martha Birdsong also departed this life leaving a son named Barney Williams, without ever having received ^{any} portion of the trust fund to which he was entitled in right of his wife, and administration on the estate of the ^{said} Elipha & Elizabeth Williams has been conferred on your Honor: That the said Lucia Newcome intermarried with a certain John Beale, who died after the distribution of the said trust estate, and after having received his wife's portion thereof, and ~~his~~ estate has been committed to the hands of Benj^a Devany Sheriff of the said County: That the said Lane Newcome intermarried with a certain Caswell Worrell, the said Lucy Newcome with a certain William Doyall, and the said Sally Newcome with a certain Selah Ellsworth, who are still living:— as all of which will more fully appear, in relation to those who have departed this life, and on whose estates adminⁿ has been taken out, by reference to attested copies of the certificates of qualification herewith filed and prayed to be taken as parts of this bill. And your Honor is advised that in the division of the said trust estate, the said Eliza Williams having previously died, her representatives was entitled to participate in receipt of the personal part

thereof, in as much as the said deed of trust transferred to each of the cestui que trust a vested interest in the estate comprised therein, which was transmissible to her their legal representatives. And your Honor represents, that being thus advised, she he has made frequent applications to the said Money Magist and urged him to pay over to your Honor so much as would be equivalent to the interest which the said Elizabeth Williams would have been entitled to receive had out of the personal estate comprehended in the said trust, had she survived the final execution thereof; but now so it is, may it please your Honor, the said Money Magist, trustee as aforesaid, has hitherto wholly refused to comply with such reasonable applications contrary to equity & justice. In order considered whereof, and for as much as your Honor is without remedy in the premises except by the assistance of a Court of Equity where matters of trust and confidence are exclusively cognizable— To the end therefore that the said Money Magist, trustee as aforesaid, Selah Ellsworth as well in his own right as in the character of adm^r of Nancy Newcome dec^d, Benj^a Devany, Sheriff & adm^r of John Beale dec^d, Caswell Worrell & William Doyall, who are prayed to be made parties hereto, may upon their several corporal oaths true and perfect ^{answers make} to all the allegations herein contained; that the said Selah Ellsworth, Benj^a Devany, Caswell Worrell & William Doyall exhibit a statement of the portions or portions they and their respective intestates may have received from the said Money Magist in the distribution of the said trust fund, distinguishing as far as practicable between the interest derived from the real and

that derived from the personal part thereof; that the said Maney Maget render a full and complete account of all his transactions respecting the said Trust, the amount of property he received, ~~the said~~ The disbursements he made, the properties he distributed to the various entities one trust under the said deed; and more especially that he be minute in regard to the slaves, and other stock, and other items of personal property embraced in the said deed, and which he received into his possession on the death of the said Grantor; that he pay to your Master as the proper administrator of the said Eliz^a Williams, what upon such account may be found to be due; and that your Honor will decree such other and general relief in the premises as may be right and proper under the circumstances of the case. May it please the

In Chancery

The Com^r is directed "to take an account of the transactions of the defendant Maney Maget in relation to the trust created by Joel Newsom grantor in the deed referred to in the bill of the complainant, in favour of the Certus que trust in the said deed mentioned, the amount of personal property of every kind received by him, in virtue of the said trust, when he received and distributed the same, and the several proportions of the distribut^{es} &c"

The parties to wit Jacob Williams the plff and Maney Maget one of the defendants, attend before the com^r on the 1st day June 1836, and all the exhibits required; not being furnished by the said Maget, the account of examination was postponed to the 6th of the same month, when the same parties attended; the said Maget then exhibited a paper purporting to be an Inventory and account of sales of all the property alluded to, who stated that all the parties to whom he distributed the Land and Slaves, were of age, and that they agreed upon persons to appraise and divide the same, with the exception of Negroes named in the said deed in trust; and it was agreed by all the said parties that he, with the stock of all kind, crops furniture &c should be sold by the said Trustee and the proceeds, to be applied to the payment of the said grantors debts, which he proceed to do, and exhibits vouchers to shew the same, which (as the deed does not particularly authorize) he requires the Com^r to take an account, to accompany this report. The said defendant also exhibits refunding bonds which, ^{he} took from the distributees, and that if upon the final decision of this case, the Plff, should recover, he thinks upon every principle of equity that a decree should be entered up ^{exclusively} against them. These bonds are filed with this report. marked. A. B. C. D. E.

It appears from the statement of the Trustee, that the Land was divided among the same distributees. to whom the Negroes were assigned; that he employed Thomas Worrell to survey and divide the same agreeably to the opinion & decision of the Court, and that the whole tract contained 195 1/2 acres; but that he has no memorandum or statement shewing what the whole, or the particular Lots drawn by the distributees was valued at; and that the said distributees still hold their proportions thus allotted to them —

The grantor in the aforesaid deed in trust makes a gift of \$120.00 to the Children of David Newsum to wit. William Henry Newsum, Simon Everett Newsum and Mary Ann Newsum; the last named, having died previous to the death of ^{the} grantor; the said sum of \$120. was divided and paid over in equal proportions to the two survivors, William H. & Simon E. Newsum, out of the funds arising from the personal estate aforesaid on the said 29th day of March 1830

In the deed in trust there were Ten Negroes named to wit. Rose, Amos, Lucy, Selia, Nat, Mary,arena, Mason, Fanny, & David, and the defendant Magit states that Rose was an Old woman sold before the grantor. — there were 17 distributees and one sold making 18. so their increase was 9. at the time they were distributed; and the plaintiff has introduced the depositions of Joel Vick and Matthew Vick taken before the Court to prove the increase since the distribution see the depositions filed as part of this report
