1847 November Rules

To the Hon. Richard H Baker judge of the Circuit
Superior Court of law & chancery for the County
of Southampton

Humbly complaining sheweth unto
your Hon. your orator Patrick H Rollings of
the County of Southampton that James H Pond
is justly indebted to him in the sum of
one Hundred & seventeen dollars & fifty three
cents with interest from the 15th day of
January 1842, your orator was jointly bound
with the said James H Pond as cosecurity
for Samuel M Pond in a bond executed to
Rice B Pierce on the 20th day of January 1840
in the sum of four hundred & twenty dollars
& forty eight cents, the said bond was put in
suit on the law side of this Court, judgment
obtained and execution issued which was
paid in the following proportions by the
principal & his securities, to wit Samuel M
Pond paid \$283.00 James H Pond \$48.44 and
your orator \$166.00, all of which will more
fully appear by copies of the said bond judg-
ment & execution with the return of the
sheriff thereon ^{with his receipt to your complainant} herewith filed marked (B)
and prayed to be considered a part of this
bill - The said Samuel M Pond is notoriously
& hopelessly insolvent and has been ever since
the payment made by him on the said
execution. Your orator is advised that he
is entitled to recover of the said James H Pond
one half of the except paid ^{by him} on the said execu-
tion over and above the amount paid by the
said James H Pond, to wit \$117.53 - Your
orator would also represent that Samuel
M Pond & James H Pond have removed
from the Commonwealth of Virginia and

are now residents of some foreign state
to your orator unknown and by so residing
out of the Commonwealth and evading the process
of the court have put it out of the power of
your orator to obtain a judgment & satisfac-
tion of his just claim & demand. Your orator
would further shew unto your Hon. that James
H Pond in consequence of the death of his mother
Mary Pond of this county has lately become en-
titled to a proportion of her estate which is
now in the possession & under the control of
Samuel Kello. The adm^r of the said Mary Pond
and which your orator hopes & believes will
be sufficient to pay & satisfy his demand.

In tender consideration of the premises and
in as much as your orator is ~~remediless~~ at &
by the direct & strict rules of the common law
and can not have adequate relief, save in a court
of equity; where matters of this & like nature are
properly cognizable & redressable he prays that
James H Pond, Samuel M Pond, and Samuel
Kello, ^{administrator of Mary Pond dec^d.} may be made parties defendant
to this bill with apt & proper words to charge
them and that they answer the premises,
that an order of publication may be made
against the absent defendants, that Sam-
uel Kello ^{as adm^r of Mary Pond dec^d.} may truly set forth & declare what
effects he holds in his hands belonging
to the said James H Pond; and that he may be
restrained from paying away or parting
with the same by sale compromise or other-
wise or from secretly conveying or disposing
of the same in any manner or any part
thereof until the demand of your orator with
legal interest & the cost of this suit shall
be satisfied & the further order of this court

and that your Hon. will be pleased to grant
such other general relief touching the pre-
mises as may be equitable & just; and that
your Hon. will grant to your orator the
common writ of subp^a commanding
the defendants to stand to and abide such order
and decree as to your Hon. may seem just
and proper, and as in duty bound your orator
will ever pray &c
