Aug- Rules

To The Hon. Rich^d. H. Baker, Judge of The Circuit Court for
the County of Southampton - In Chancery.

Humly complaining sheweth your complainant Delilah
Bick administratrix of James Bick dec^d. of The County
aforesaid that on the 17th of May in the year 1843,
James Bick your complainant's husband and intestate,
~~predeceased~~, purchased at a public sale a negro woman
named Phoebe and her infant child, since named
Charles and loaned them to his personal friend and
family connection John Bick who was then in
needy circumstances - The services of the said negro
woman being indispensable to the said John Bick
and family, she and her child were permitted to remain
with them; And in November in the year 1847, the
said James Bick and John Bick entered into a
written agreement, under seal, to the following effect
to wit: "That if the said John Bick or his heirs
would pay to the said James Bick all the claims
or debts which were due him from the said
John Bick, Then the said woman and child should
be the absolute property of the said John Bick,
but if said debts were not paid as aforesaid, that
then the said woman and child should be sold
and the proceeds of sale be paid to the said James
Bick in part or full satisfaction of said debts"
Your complainant states that the original of
said written agreement is now in the hands
of Benjamin F. Bick administrator of the said John
Bick dec^d, and asks that he may be compelled
to produce the same before this Honorable Court
and that it may be taken as part of this bill.
Your complainant further states that since the
execution of said writing above stated, the said
James Bick and John Bick have both died, and
your complainant qualified as adm^x. of James

bick, and Benjamin F. bick some of the said John
bick - that your complainant still holds all
the claims against the said John bick which were
due and owing to her intestate in his lifetime, none
of which have been paid, now amounting to
the sum of \$915. ³⁹/₁₀₀ with interest from Jan'y 1st
1844, and also in the sum of \$40 ⁴⁵/₁₀₀, and in
the further sum of \$705. ⁰⁰/₁₀₀ with interest
from the 27th day of October 1847 and are here
- with exhibited as part of this bill - That the said
woman and child are now in the possession
either of the said Benj. F. bick some of the said
John bick, or in that of Mary bick, the widow
of the said John bick, both of whom positively refuse
to pay the claims aforesaid, or to give up the said
woman and child and have them sold and the
proceeds of sale applied according to the agreement
referred to above - Your complainant has made
frequent demands upon the parties to make their
election, and either to pay to her the abovementioned
debts, or to give up the said woman and child
in order to have them sold pursuant to said
agreement, both of which, they have invariably
refused to do, as well as all the heirs of the said
John bick who are of full age - In consideration
of the facts before stated your complainant prays
that Mary bick, Benj. F. bick in his own right
and some of John bick, Amos Drury and his
wife Louisa formerly bick, Daniel Christopher C.
Sebastian C. Franklin, and Victoria J. bick
all heirs of the said John bick, and the said
Christopher C. Sebastian C. Franklin and Victoria
J. bick infants under age, by some fit and
proper person to defend them, be made parties
defendant in this suit. and that the said

parties be compelled to make their election, and
either pay to your complainant the abovementioned
sums of money, and all interest due thereon;
or that your honor will grant a decree for
the sale of the said woman and child according
to the terms of the said agreement aforesaid - and
such other and general relief as your complainant
in justice and equity may require, and she will
as in duty bound ever pray &

Vick Benj^r & Vick

The answer of Benjamin F. Vick administrator of John Vick decd one of the Defendants, to the bill of complaint of Delilah Vick administration of James Vick decd.

This Defendant now and at all times heretofore saving & reserving to himself all benefit and advantage of exception as for answer to the said bill as so much thereof as he is advised it is material or necessary he should make answer unto, answering overt, that it is true he is the administrator of John Vick decd and in that character has in possession a certain slave named Phoebe & her infant child, and that there was a written agreement between his intestate and James Vick similar to that stated and called for in the bill of the complainant a copy of which is herewith filed marked (A) and prayed to be taken as a part of this answer. That he is ready either to deliver the slave to the Plaintiff or to pay to her the debt due from his intestate whenever he can ascertain what any degree of certainty which would be better for the interest of the estate which he represents. That in January 1843 his intestate executed a deed conveying a large amount of property, (consisting of land and slaves which he then had in possession, together with a reversionary interest in a number of slaves held for life of Nancy Samms), to Life B. Vick as trustee, in trust to secure a considerable amount of debts due the Plaintiff's intestate and others which said decd is now of record in the Clerk's Office of Southampton and a copy thereof herewith filed.

marked (B) and prayed to be taken as a part of this
Answer. That a large portion of the said property
was soon after sold by the said Geo. B. Vick
and applied to the payment of the debts provided
for by the said will, but that a considerable part
thereof remains still unsold to wit, a small
tract of land and the reversionary interest in
the slaves held by Nancy James, which last
has very lately increased much in value
in consequence of the death of the life tenant.
He believes that all the debts provided for in the
said will were fully paid off from the proceeds
of the sale aforesaid, except those due James
Vick and that they were almost if not altogether
extinguished, though he has no means of
ascertaining ^{what} may be now due him without
the aid of this Honorable Court. He is advised
that he has a right to require the Plaintiff to
prayer first to have the remainder of the property
conveyed in the said will, sold and applied to the
payment of any balance due the intestate,
and that a Commissioner of this Court then
settle an account showing what balance
if any may be still ^{due} from John Vick to James
Vick in order that this Defendant may act with
discretion in the premises and decide whether
it is better he should deliver the slaves or pay
the said balance. And praying an award be
made there to be dismissed with his costs be
