Mr John M. Gentry

Dear Sir.

I have received your favor of 20th inst, and hasten to give a reply which may be satisfactory, I trust.

D. H. Dringoot's interest in Geo. C. Dringoot's real & personal estate is $\frac{1}{4}$ part. The personal estate of Geo. C. Dringoot is insufficient to pay his debts, and the Courts of Ohio have empowered me as Adm^r upon bill filed and exhibits made, to sell a portion of his real estate there to make up the deficiency. I have in part executed the order, and will during the present year fully execute it. From this statement, you will at once perceive that D. H. Dringoot's interest is narrowed down to only $\frac{1}{4}$ part of the proceeds of G. C. Dringoot's real estate. And this interest is reduced still lower by D. H. Dringoot having in his life time conveyed to myself his interest in the lands in this County for \$110. These lands belonging to my Uncle's estate in Ohio have been decreed to be sold - and that portion of them which will be divided among the heirs by the Court, has been

appraised at \$14,892, by Comm appointed by
the Court for that purpose. The lowest price
which these lands can be sold for under the
laws of Ohio is $\frac{2}{3}$ of the above, say - \$9,928.
From this sum deduct \$928, the supposed
expenses of making sale, and you have the
net ^{aggregate} proceeds of real estate \$9,000.
D. H. Dringool's part will therefore, under this
supposition & calculation be the sum of \$400.
From this sum of \$400 is to be still further
deducted a sum of money in fee simple in lieu
of dower of one undivided third of one undivided
twenty fourth part to which his widow
was entitled. This will probably be \$75, which
will leave say \$325, applicable to the payment
of D. H. Dringool's debts. This, I think, is
the lowest sum, which his interest under
the existing appraisement, will be worth. If
this land should sell for the full appraisement
or beyond that sum, you can readily make
the calculation from the above data, what
his interest will then be worth. I hold two
notes against the late D. H. Dringool, and it
is my intention to attach his real estate in Ohio
to pay them. I intend pursuing this course,
because I will save his securities the
trouble of doing so. I might require payment
of his securities here, and save myself the
trouble of collecting it in Ohio.

Below please find statement of amt due from
D. H. Dringool to Admin of Geo. C. Dringool.

1. Bond due 10 Aug 1808 \$140.15
Int from 10 Aug '48 till paid

2. Bond due 5th Jan 1808 \$550.00 ~~\$550.00~~
subject to cr of 6th Jan 48 \$89.50
leaving the bal then due \$460.50
Int from 6th Jan 1808 till paid

I am, Sir, very respectfully
Yours,
Edward Dringool

The sale of land in Ohio will take place
Feb or March, and I expect leaving for
Ohio next month.

The Comr. has come to state specially that Edward Dringdale holds a bond against the estate of D.H. Dringdale, with John M. Gursley security, for the sum of \$550-00, at what time does not recollect - that said bond would have been paid by the security who is liable for the debt presented to the Comr, but said security could not get

possession of the same in consequence of the absence of said Edward Dringdale in another state. The above statement is made at the request of said John M. Gursley -

The Comr. also states that all the bonds reported above except the one due Jas. H. Sebrall, are bonds taken in by the securities of D.H. Dringdale, in whose favor they are reported, the securities being considered as standing in the same position as the original creditors, had the bonds been in their possession
