Mayett

To The Honorable Richard G. Baker Judge of the
circuit court of Southampton County in chancery sitting

Jenkins
Humbly complaining your orator John B
Sheweth unto your Honor that sometime in the fall
of the year 1857 your orator and Walter Majors both
of this county entered into a copartnership for the
purpose of trading as merchants, that each agreed
to place in the firm the sum of five hundred
dollars (\$500), to be increased from time to time as
the business required and to divide equally the profits
of the firm, your orator states that they placed
\$500 each in the firm and commenced business
and that nothing more has since been paid in by
either, your orator states further that sometime
during the year just the firm was dissolved by
mutual consent and that now he cannot bring
his partner to a settlement of the partnership
transactions, and that he now brings this suit for
the purpose of having a settlement and ascertaining
what are his profits or losses.

In tender consideration whereof and
inasmuch as your orator is only entitled to
adequate relief in a court of equity he therefore
prays that Walter Majors may be made a party defendant
to this bill, and compel him as full and perfect
answer make to allegations therein contained as if
he had been thereto more fully and specially
interrogated, and that the your Honor would
decree that an account be taken before one

of the commissions of this court of the partnership
Transactions of the firm of Embury and Magill
and upon the report thereof would deem your
orator his share of ~~the~~ both the principal and
profits if any or that each bear an equal share
of the losses, and that your Honor would grant
such other and general relief the premises considered
as equity may dictate and the nature of his case
may require and as in duty bound your orator will
ever pray we
