Bill.

1866 September Rules

To the Hon R. H. Baker. Judge of the Circuit Court of Southampton County.

Humbly complaining sheweth unto your Honor. Your Oratrix. Fannie Hopkins Ingenhart. that her father James. B. Ingenhart departed this life on the 7th day of September in the year one Thousand eight hundred & fifty three having first made and published his last will and testament, a duly authenticated copy of which is herewith exhibited and prayed to be taken as a part of this Bill. That the said testator directed in his said last will and testament that all his estate real and personal should be equally divided between his four children Whitmell. H. Ingenhart. James B Ingenhart. your Oratrix and Margaret Hopkins Ingenhart. and that the portion of each should be allotted as soon as he or she arrived at the age of twenty one years. That in accordance with the provisions of the said last will and testament. one fourth of said estate was laid off and allotted to Whitmell H. Ingenhart and one fourth to James. B. Ingenhart as they respectively attained the age of twenty one years. Your Oratrix further represents that on the 20th day of April in the year 1857 her uncle Charles. F. Ingenhart qualified as the guardian of your Oratrix and her sister Margaret Hopkins Ingenhart and gave bond in the

penalty of
with A.B. Urquhart Sen and James B Urquhart
as his Securities. and that the said A.B. Urquhart has
died since the execution of said bond. Your
Oratrix having recently attained the age of twenty
one years and being entitled to receive her
share of her fathers estate which passed into the
hands of her Guardian as aforesaid has been ad
vised and requested by her said Guardian to
institute this suit in order that he might ob
tain the aid and direction of this Honorable
Court in making a proper division of the
estate in his hands as Guardian between Your
Oratrix and her sister the said Margaret A
Urquhart. Your Oratrix does not known
what she is entitled to receive. but reposing
the utmost confidence in the judgment and
discretion of her said Guardian and desiring to relieve him as
far as possible from all embarassment in
the final settlement of his Guardian account
she has instituted this suit at his special in
stance and request. To the end therefore that
Justice may be done and inasmuch as Your
Oratrix is without remedy in a Court of Law
and relievable only in a Court of Equity where such
matters are properly Cognizable. She prays that
the said Charles F. Urquhart. Margaret A Urquhart
James B. Urquhart in his own right and as ad

minis trator of A. B. Urquhart dec deceased may by proper process be made parties defendant to this Bill and compelled to answer its allegations, the adults in proper person and the infant. Margaret A Urquhart by Guardian ad litem to be appointed by the Court. That your Honor will make a decree directing an account to be taken of the actings and doings of the said Charles F. Urquhart Guardian as aforesaid and for the payment to your Oratrix of the amount to which she may be entitled upon a proper settlement of the said Guardian accounts. Grant to your Oratrix the Common writs of subpoena commanding &c and all such other and further aid and relief as equity and good Conscience may dictate and the nature of the case require and as in duty bound she will ever pray &c.

The answer of Charles. F. Urquhart Guardian of Fannie A Urquhart and Margaret A Urquhart to a Bill of Complaint exhibited against him in the Circuit Court of Southampton County by the said Fannie A. Urquhart And the said Respondent saving and reserving to himself the benefit and advantage of all proper exception to said Bill for answer thereto or unto such parts thereof as he is advised it is material for him to answer answers and says.

That his Brother James B Urquhart departed this life on the 7th day of Sept. in the year 1850 having first made and published his last will and testament an authenticated copy of which is herewith exhibited and prayed to be taken as a part of this answer. from which it will be seen that the testator directs his estate to be equally divided between his four children Whitmell. H. Urquhart. James B. Urquhart Fannie A Urquhart and Margaret A Urquhart and as each one of his children arrived at the age of twenty one years. his or her portion of his estate was to be laid off and allotted- This Defendant and his Brother Richard. A. Urquhart having been nominated and appointed as the Executors of the said last will and

testament of the said James. B. Urquhart qualified as such on the day of in the year 1850 and gave bond and security according to law. This Respondent further answering says that his Brother Richard A. Urquhart qualified as the Guardian of the four children of the said James. B. Urquhart on the day of in the year That two of the said children. Whitmell B. Urquhart and James. B. Urquhart have arrived at the age of twenty one years and have had their portion of the said estate laid off and allotted to them respectively. That Richard A Urquhart departed this life on the day of March in the year 1857 and a short time thereafter this Defendant qualified as the Guardian of the said Francis A. Urquhart and the Margaret A Urquhart and gave bond according to law with A. B. Urquhart and Jas. B. Urquhart as his securities.

That as such Guardian he received from Jas B. Urquhart Exor of R. A. Urquhart dec'd the Estate due to his said Wards Consisting of a large number of Negroes, a tract of land lying in Southampton County known as the "Old Place" containing One Thousand

Acres; Twenty six Thousand seven Hundred Dollars in Mynock City Bonds; and 1 Bonds of Incumbrances Amounting to Thirty two Thousand Nine Hundred and Six Dollars & sixty seven cents

Your Respondent Admits that the Complainant Fanny N. Ingraham, having Arrived at the Age of Twenty One Years is entitled to receive her due proportion of the Estate of her Father; And Avers that he is most willing And desirous to surrender the same into her hands; But in Consequence of unforseen difficulties arising from the late War, more especially affecting all Manner of Securities and every species of property, He has found it difficult & not impossible, to make such division & Allotment, as would be Consistent with justice and Strict equality; without the Assistance and Authority of a Court of Equity, having Cognizance of such Cases.

And this Respondent for further Answer says, that in the discharge of his duty as Guardian Aforesaid and acting in accordance with his own Judgment, as well as, under the Authority and direction of the County Court of Southampton County, He proceeded from time to time to invest the funds which came into his Hands from the Collection of the individual bonds

Mayor whose authority he was apprised

falling due, And the proceeds of the Estate so far as not required for the Support and Maintenance of his Wards, in Registered Bonds of the State of Virginia. of which he now holds, to the Amount of $33.800 not including Two Years ~~coupons~~ Interest thereon, which under a late act Assembly he has funded. in new Bonds to the Amt of $4066.00

This Respondent as Guardian &c also holds Bonds of the City of Norfolk to the Amount of $2670.00. The Interest on which for Three Years and a half. he was Compelled to fund in new Bonds. It being the Interest remaining due and unpaid up to the 1st July 1865. which Amounted to $5650.00

The value of these securities has been seriously impaired under the disturbed Condition of the Country. And the Market price thereof as Your Respondent has been informed & believes, would Amount to but little more than fifty Cents in the Dollar.

So Far as the Negroes belonging to the Estate and which constituted a large element in the value thereof, Your Respondent duly hired them out from Year to Year, receiving the hire of such as were in his possession; ~~until~~ as long as they remained under his Control.

Answer of

C. F. Urquhart & Co

And this Respondent for further Answer
says. That the Balance found due by
Your Respondent, by Commissioner Parker
in his last Settlement was $6984646.42 As
appears by his Report of the 10th April 1866.
Which is filed as an exhibit marked B
But as Your Respondent has been informed
and believes that there have occurred serious
Errors in the statement of the Account, he
Respectfully prays. that his whole Account
may be referred to a Commissioner of this Court.
for Settlement, and that such instructions
may be given and such decree for the
amount of the Property herein before referred
to. as may ensure Justice to all Parties
concerned, and be consistent with Equity &
good Conscience -

And Your Respondent having now
fully Answered the Allegations set forth
in the said Complainant. Bill of Complaint.
as fully and Circumstantially as he is
prays to be dismissed with his Costs. &c

Southampton Circuit Court Clerks Office November 7th 1866

facts stated in the foregoing answer are true so far as he knows or believes

But that at different times during the Years 1862. 63 & 64 & 65 They Changed their Residence passed out of this County and ceased to be property from this Source, during the period referred to, Nothing Remains but a few Bonds for hire of doubtful value. & from which but little if any thing will be ultimately realized.

The Respondent for further Answer Says that as Guardian aforesaid He holds Indemnity Bonds to the Amount of between Eight and Nine Thousand Dollars. a list of which Shewing the Names of the Obligors, dates and Amounts, is herewith filed as an exhibit marked (A) and prayed to be taken as a part of this Answer. These Bonds, from the great Shock which has fallen upon the People of the County in their pecuniary relations, although unquestionably good at the time they were taken, have become so doubtful and uncertain as to present an almost insurmountable Obstacle to a fair and just distribution. And whilst Your Respondent sees but little difficulty in adjusting the rights of the Parties so far as the other property herein before referred to, is Concerned. Yet Your Respondent feels that full justice cannot be done, without the interposition of this Court in regard to these Bonds.
