To Richard E Baker judge of the circuit court of Southampton County in chancery sitting

Humbly complaining your Orator Francis E Rives who sues for himself and other creditors of George A. W. Newsome who will come in and bear this proportion of the costs of this suit, sheweth unto your Honor that in the year 1835 George A W Newsome of the county of Southampton departed this life intestate leaving considerable personal estate and no real estate and indebted to your orator by a bond dated the 1st of February 1837 in the sum of $217.50 cts some of which has been paid as will appear by the said bond herewith filed marked A and prayed to be taken as a part of this bill That Littleton R Edwards qualified as his administrator by the county court of Southampton as will appear by his letters testamentary herewith filed marked B soon after his death, your orator further sheweth that the said intestate Newsome was largely in debt so much so that he is informed that his estate will not be able to pay all his liabilities and that it be necessary to make a pro rata distribution among his creditors

In Tender consideration whereof and inasmuch as your complainant is without remedy at law and only entitles to relief in a court of equity where such matters are peculiarly cognizable in this Court humbly prays that Littleton R Edwards administrator of George A W Newsome may be made a party defendant to this bill and that the court will compel him as full and perfect answer make to the allegations herein contained as if he had been thereunto soon fully and specially interrogated, that the court would by its order direct him to settle an account of his transactions as administrator of George A. W. Newsome dec'd before a

commissioner of this court, and also direct the said commissioner to choose the said Newsomes creditors and take an account of all the debts outstanding against his estate in order that your orator may be paid within the whole or such part as the said reports will show him entitled of his debt, and that the court would grant such other and general relief the premises considered as equity may dictate and the nature of his case may require and as in duty bound your orator will ever pray &c

A Further Account of Debts or Demands against the estate of George A. Mc. Newsom dec'd

A Bond executed to James H. Judkins by M. D. Sumner and Saml. Kello, G. A. Mc. Newsom & J. R. Williams, his securities, for $700.00, payable October 28th. 1852, with interest thereon from that day. for the payment of which there was a Deed of Trust upon the property of said Sumner. And the Trustee in said Deed of Trust says that the property conveyed to him will be insufficient to pay the said bond by about $345.00. But the exact amount cannot be ascertained until the account of Sales is due, as there are other debts secured in

said deed of Trust. There will also be a small amount in the hands of the administrator of the said Summer which will go towards the payment of said debt, but the exact amount cannot be ascertained until a settlement of the Administrator's account and an account of the Debts or Demands against the said Summer shall be Taken. The Administrator of said Summer says his estate will be insolvent and largely in arrears

There is also a bond executed by John Yates and G. A. M. Newsom, John M. Exley & L. R. Edwards his securities sometime in the year 1856, for $500.00 to Irwin M. Duck, a part of which it is probable that the securities will have to pay, the exact amount of which cannot be ascertained until the Trustee settles his account, as reported in former account.

To the Circuit Court of Southampton County.

Pursuant to an order of the Circuit Court of Southampton County rendered at the May Term 1857, in a suit in chancery depending in the said Court between Francis E Rives plaintiff and Littleton R. Edwards admr. of George A W. Newsom dec'd defendant, the undersigned one of the Commissioners of the said Court to whom was referred for settlement by the said decree a order the account of Littleton R. Edwards' administration of the estate of George A. W. Newsom deceased, and also an account of all the debts outstanding against the estate of the said George A. W. Newsom distinguishing the dignity thereof reports to the Court, that on the 7th day of July 1857, he posted a notice against the several parties aforesaid at the Court House door of the County of Southampton and had published for once a week for four successive weeks in the South side Democrat a Newspaper published in the City of Petersburg as appears by the notice duly authenticated as to its publication requiring them to attend the settlement and taking of the said accounts, before him, at his said Office, on the 24th day of August 1857. On which day the Commissioner not being to complete the settling and taking of said accounts, he adjourned them over to the 21st day of September 1857. On which day the same not being completed they were again adjourned over to the 23d day of September 1857. At which time the Commissioner examined the vouchers, stated and settled the foregoing account, marked "A." of the said Littleton R. Edwards' administration of the estate of the said George A. W. Newsom deceased, up to the 1st day of September 1857, and on that day finds a balance due said estate, from the administrator of $1935.17¢. of which $49.47 is interest. The Commissioner also made up and completed the foregoing account marked "B." of all the Debts outstanding the estate of the said George A. W. Newsom dec'd. which were proved before him, and which amount to $548.53¢ inclusive of interest to the 1st day of September 1857, and they are all of the same class or of the 4th Class of Debts as enumerated under the Code of Virginia. The Commissioner reports specially that the administrator L. R. Edwards says he has not be able to settle up the estate of the said Newsom fully, that he has sundry small claims in his hands due the estate which he has not been able to collect and that all the debts enumerated he has paid out have been either debts of the first dignity or were paid as offsets. The Commissioner further reports to the Court that after the completion of the said accounts he retained them in his office ten days for the examination of the parties, which accounts with the decree and notices aforesaid are herewith returned. Given under my

hand, as Commissioner aforesaid, the 6th day of October 1857.

Note. The Commissioner states specially at the instance of L. R. Edwards, that the late George A. M. Newsom was bound jointly with himself and John M. Gurley as the securities of the late John Yates to bond for five hundred Dollars due and owing to Irwin M. Duck sometime about the commencement of the year 1856, which it is likely the securities may have pay a part of the estate of the said Yates being insufficient to pay the same.
