These respondents saving and reserving to themselves now and at any time hereafter all manner of benefit and advantage of exception to the many errors and insufficiencies in the said bill contained, for answer thereto or to so much thereof as they are advised it is necessary for them to make answer unto, they answer and say that they know nothing positively of the facts stated in the bill - that they claim the same interest in the real estate of which Jesper Sumner their grandfather died seized and possessed, as their mother would have been entitled to if she were living, and submit their interest to the protection of the Court - And being answered pray to be dismissed the Court with costs &c -
