To the Hon Richard H Baker Judge of the
Circuit Court for the County of Southampton

In Chancery

Humbly complaining sheweth unto your
Honor your Orator S L Boles who sues
on behalf of himself and all other creditors
of Isaac Griffin dec'd who may come in and
contribute to the expenses of this suit
That in the year 1860 Isaac Griffin of
this County departed this life intestate
leaving a widow Moab Griffin and two
infant children Fanny and Hollen Griffin
his heirs at law. That at the term
1860 of the County Court of Southampton
Willis Broadhurst qualified as his administrator and gave bond
according to law. That at the time of the
death of the said Isaac Griffin he was in-
debted to your Orator in the sum of
dollars by bonds as will fully appear by the
exhibits herewith filed Marked A and
prayed to be taken as part of this bill
which said bonds are still due and unpaid
That the said Griffin was also largely
indebted to various other persons at
the time of his death which debts are
still unpaid. That he died seized and
possessed of considerable personal
estate which has passed into the hands

of Willis Bradshaw his administration but which is totally insufficient to discharge the large amount of debts outstanding against his estate. That the said Brian Griffin also died seized and possessed of a leasehold holding in the said County containing about acres which in a court of Equity may be applied to the payment of the debts due your Orator as well as to the payment of the other creditors of the estate. Your Orator further states that he has applied to the said Administration of Brian Griffin to pay his demand but that he has hitherto refused on the plea that he had not sufficient assets In tender consideration of all which and in as much as your Orator is without remedy in the premises except in a court of Equity to the end therefore that justice may be done he prays that Willis Bradshaw administration of Brian Griffin, Mark Griffin, Fanny Griffin and Helen Griffin may be made Defendants to this bill and answer the allegations thereof, that some fit and proper person may be appointed guardian ad litem to defend the infant Defendants, that the administration of Brian Griffin may be directed to settle before a Commissioner of this Court an account of his transactions, that your Honor will decree a sale of the said real estate and the payment of the debts due your Orator and other creditors and as in duty bound he will ever pray &c

May it please the Court to grant such other and general relief in the premises as Equity may dictate &c

Petition

Southampton County
Nov. 7th 1867

To the Hon. Richard H Baker Judge of the
Circuit Court for the County of Southampton
Your Petitioner Willis Bradshaw represents
that it would be much to the interest of all
persons interested that the real estate of which
Joseph Griffin died seized should be sold, that the
expenses & charges to which the infants chil-
dren would be entitled would be not to exceed
$40 which is all the estate which they have
and that in case this your Honor will direct
the sale of the said real estate your Petitioner
hereby agrees and binds himself to support
the said Children during the continuance
of the act known as the Stay law which
will be much more to the advantage of the
said Children than the receipt of the rents of
the said real estate
