Commissioners Office Jerusalem 2 Feb 1861.
To the County Court of Southampton County

Your Commissioner reports to Court that William P. Harris the administrator of Joel Harris has exhibited before him a statement of all moneys received by the said administrator or with which he had become chargeable or had disbursed during the periods embraced in the foregoing account, together with the vouchers in support of the disbursements - That he finds a balance of \$699.24 (which has been distributed amongst the distributees at the request of the admr) to be due by the said Administrator to the said estate on the 20th day of December 1860 with interest on \$625.88 from that day - That the said account is supported by satisfactory vouchers and that the said administrator has given such bond as the law requires, the penalty whereof and the securities thereto are sufficient in the opinion of the Commissioner. The Commissioner did not charge the admr with interest on the whole balance of Dec 20 1859 because he had to pay out a good large sum early in the next year & there only from 1st April 1860, because the amount of the accounts of sales was received late in

the year and he wished to allow him time to pay debts & invest balance.

That the said administrator was embraced in the list of Fiduciaries posted up at the front door of the Courthouse of Southampton County, on the first day of January Court last, and now on this day (ten days having elapsed since the same was thus posted up), the foregoing account is made up and completed.

Given under my hand as Commissioner aforesaid the day and year first aforesaid

Henry S. Howard Commissioner

Southampton County In the Clerks Office February 2^d 1864.

This account of W^m P. Harris administration on the estate of Joel Harris dec^d was this day returned and filed for exceptions. And at a Court for the said County March 18 1864. the said account having lain one month & upwards in the Clerks Office and there being no exception thereto, was examined, confirmed and ordered to be recorded.
