1870 January Rules

To the Honorable E. P. Pitts Judge of the Circuit
Court of Southampton in chancery sitting

Humbly complaining your Orator Gellum
Edwards who sues for himself and all the other
creditors of Edward W. Mapesbury Deceased
will come in and bear their portion of the costs
of this suit, sheweth unto your Honor that
on the 20th of January 1869 E. W. Mapesbury
in his lifetime executed his bond to your orator
for the sum of \$202.50 etc which is still
unpaid and herewith filed marked exhibit A
and prayed to be taken as a part of this bill
that sometime in the month of May 1869
E. W. Mapesbury departed this life intestate
leaving considerable estate both real and personal
and his brother Wm A. Mapesbury and his nephew
James P. Mapesbury his distributees and heirs at
law, that since his death his brother and
nephew have sold a tract of land which they
inherited from him known as the Buntings
and two small tracts adjoining to Samuel T
Hend for the sum of \$3.000 for which they
are responsible the estate should the assets
remaining prove insufficient, that three
months having elapsed the estate of the
said E. W. Mapesbury was committed to
the hands of Demarcus L. Dole sheriff of
Southampton for administration at the
August term of the county court of Southampton
as will more fully appear by a certified copy
of the said order herewith filed marked B
and prayed to be taken as a part of this bill

Your orator states further that since the qualification or appointment of the said Dols as administrator of the said E. W. Mapenburg he has applied to him to pay him the bond sum with fees which he declined doing, alleging as a reason therefor that he had been but recently appointed, that he knew nothing scarcely of the condition of the assets which might come to his hands or of the amount of the debts of his intestate and that he had rather he would institute a suit in chancery against him he might settle his account and have an account taken of the debts outstanding against his intestate and pay out under a decree of this court. Under consideration whereof and inasmuch as your orator is without relief at law and only entitled to relief in a court of equity where such matters are peculiarly cognizable he therefore prays that Demarcus L. Dols sheriff of Southampton and as such administrator of E. W. Mapenburg Deed Wm A Mapenburg and James P Mapenburg may be made parties defendant to this bill and compel them as full and perfect answer make to the allegations therein contained as if they had been themselves personally and specially interrogated, that the court would direct Demarcus L. Dols to settle an account of his transactions as administrator of E. W. Mapenburg before one of the commissioners of this court and also direct the said commissioners to take an account of all debts outstanding against the estate of the said

E. W. Mapenburg of the annual and actual value of the lands whereof he dies seized and proposed and what lands have been sold by his heirs at law since his death and for how much money and on the coming in of the said reports, that the court would direct the said Dols to pay your orator his bond and that should the personal assets prove insufficient that the lands be sold for that purpose and that the court would grant such other and general relief the premises considered as equity may dictate and the nature of his case may require and as in duty bound your orator will ever pray etc.

Commissioners office

Jerusalem Oct 10 1871.

Your Commissioner reports to the court, that he has
made up a further account of the administration of
D.S. Doles on the Estate of E.W. Mapenburg up to the
first of October 1871. and on that day finds a balance
due the Est. to be \$ 2730.10 cents including interest. and
also made up an account of additional debts against
E.W. Mapenburg's Est. up to the first day of October
1871. and finds the amount of debt to be \$ 869.69 cents
with interest added up to said date.

Your Commissioner respectfully states specially, that he
has allowed the debt due Abram Riddick for the follow
ing reasons.

1st In the deed of 28 Sept 1859 to Willard. Trustee. Negro Augus-
tus is conveyed to secure certain debts - various bonds. to
which Mark T. Pate was security.

2nd In deed of 28 Dec 1859. this same Negro Augustus is
again conveyed to E.W. Mapenburg Trustee for certain pur-
poses. (but of course subject to the Lien of the Deed of 28 Sept
1859.)

3rd That Mapenburg the Trustee having notice in both deeds
that there was various debts secured by Negro Augustus
should have invited a suit to have all debts, duly establis-
hed before he paid out any funds. (Yet on 10th Jan'y 1860
(only 12 days after the deed of 28 Sept 1859 was executed
& only 102 days after Deed of 28 Sept 1859 was executed,
Mapenburg by his answer admits. he sold Negro Augustus
and paid the whole amount to Lynes - only one claim
to which Mark T. Pate was security. when as a ratable
share (about one half) should have been paid to the
debt held by Dr Pratt & Co to which Mark T. Pate was
security with Abram Riddick & H. S. Goodwyn

Being a debt secured by Deed of 28th Sept 1839 as one to which Mark T Pate was security.

~~the whole debt~~ Reddick having paid the whole debt is entitled to all the rights of Pate the creditor, and if the Trustee (Mansfield) paid out the money so soon after the deed of Trust was made & without requiring a suit to convene the creditors secured. he took the responsibility, and is liable, just as if an administrator pay out funds under a year - The innocent security ought not to suffer by neglect of the Trustee
