To The Honorable Judge of the County Court for the County of Southampton. In Chancery

Humbly complaining, sheweth unto your Honor, your complainants Wm H. Bradshaw, Joseph J. Harris & Sarah E. his wife, formerly Bradshaw, Martha M, Susan S & David L Bradshaw, the latter an infant who sues by Wm H. Bradshaw, his next friend, that during the year 18 Mordecai Bradshaw, departed this life, after having made & published his last will & testament, which was duly admitted to probat, and M. H. Bradshaw the Exr named therein qualified, as will more fully appear from Copies of the orders of probat & qualification, herewith filed, marked (A & B) & prayed to be taken as parts of this bill. That the sureties on M. H. Bradshaw's Executorial bond were John Patton & Jeremiah Chappell, as will appear from a Copy of said bond herewith filed & marked (C) & prayed to be taken as part of this bill. That Mordecai Bradshaw died seized & possessed of considerable real and personal estate, all of which he devised to his children; that the following named parties are his devisees - viz: Your complainants, Wm H. Bradshaw, Joseph J. Harris, in right of his wife Sarah E. Harris, who was the daughter of Mordecai Bradshaw, Martha M, Susan S, & David L Bradshaw

the last one being an infant under the age of 21 yrs, Amy J. Bradshaw, his widow & M.H. Bradshaw, as will more fully appear from a Copy of his will herewith filed, marked (D) & prayed to be taken as a part of this bill.

That M. H. Bradshaw, by virtue of his qualification, possessed himself of all the personal estate of his testator, which was considerable, and much more than sufficient to defray his funeral expenses & debts. That the said Mordecai H. Bradshaw has returned but one account of his executorial transactions, in which account he does not account for large sums of money that must necessarily have come into his hands, as Executor, and which your complainants charge did come into his possession; that by said account a balance is found due the estate, as will be seen from a Copy of said account herewith filed marked (E) & prayed to be taken as part of this bill. That M. H. Bradshaw has returned an Inventory of the property of his testator, which shows that the personal estate was worth about $9000. as will more fully appear from a Copy of the Inventory, herewith filed marked (F) & prayed to be taken as part of this bill. That your complainants are advised & charge that the said M.H. Bradshaw, Exr as aforesaid has been guilty of great neglect in investing a large part of the funds that came into his hands from the sale of the personal estate of his testator belonging to the estate of his testator to individuals, in doubtful, if not failing pecuniary circumstances, without taking any personal or other security, and that he loaned out other sums of money belonging to the estate of his testator, without taking adequate security. That your complainants are advised that the said M.H. Bradshaw & his sureties on his Executorial bond should be made responsible for all debts lost in this way. That the said M.H. Bradshaw, Exr as aforesaid has never settled with any of the devisees, though repeatedly urged to do so. That at the June of the County Court of Southampton County 1872, the powers of the said M.H. Bradshaw, as Exr were revoked, and the estate of his testator committed to the hands of D.L. Doles, who was then Sheriff for further administration, as will more fully appear from Copies of the orders of revocation & Committal, herewith filed, marked (G & H) & prayed to be taken as part of this bill. That there should be now a large fund in the hands of the said D.L. Doles, ready for distribution among the parties entitled thereto. In tender consideration whereof & inasmuch as your complainants are without remedy in the premises, save in a Court of Equity, where matters of this kind are peculiarly cognizable, To the end, therefore, that justice may

be done, your Complainants pray that the said M. H. Bradshaw, in his own right & as Exr of Mordecai Bradshaw decd, John Pettord, & Jeremiah Chappell who are his sureties on his Executorial bond, & D. L. Doles, Shff & as such Admr &c be boring non with the will annexed of Mordecai Bradshaw, & Mary J. Bradshaw may be made parties defendant to this bill & compelled to answer the allegations thereof. That an order may be entered directing a Commissr of this Court to take an account of the transactions of M. H. Bradshaw, as Exr of Mordecai Bradshaw, taking any ex parte accounts that have been heretofore returned, as prima facie correct, liable to be surcharged & falsified. That an order may be also entered directing D. L. Doles, Shff & Admr d.b.n. with the will annexed to render an account of his administration of the estate of Mordecai Bradshaw; that the said Mordecai Bradshaw's personal estate may be applied in due course of administration, & that your Complainants may be paid their respective shares. And that such other further, & general relief may be afforded your Complainants as the nature of their case may require or to Equity shall seem meet. And as in duty bound your Complainants will ever pray &c. May it please the Court &c.

Deposition of S.B. Prettlow taken before
Dr. Sebrell Comr in Chancery

Do you remember a conversation which occured at the Quaker Church May 1870. and its purport, between yourself and W. H. Bradshaw?

Yes I had heard that Mr Bradshaw had brought a suit against the securities of his brother, and being a friend to the parties felt some anxiety to know how the affair stood and took Mr B out to ask him about it. He didn't seem to understand very clearly how they stood himself, but I gathered from his conversation, that his brother had paid for two horses, which he W. H. Bradshaw had bid off at Mr Jas Harris' sale, & he also said that he had collected some money since Mr Hawkins Bradshaw had left. He said he should charge himself with about Four hundred dollars ($400.00). I dont think he said how much money he had collected, nor do I know how much was paid for the horses.

Examined by Mr Kelly

William D Butler, duly sworn deposes as follows. That the bond executed by him 15th Feby 1867 to M. M & Bradshaw Exor of Mordecai Bradshaw decd for $[illegible], was executed as a renewal of the balance on two bonds due Mordecai Bradshaw decd, after paying M M & Bradshaw Exor $3000.00 as follows, In Cash $100.00, and a draft on Morris Swaithney & Co for $200.00, which [illegible]. When I came out of the war I owed about Six Thousand dollars, I had at that time due to me from my former Mercantile transactions about Twelve Hundred dollars, from which I expected to realize enough to pay my debts, but I don't think I have rec'd more than $1000.00 from that amount, I commenced again to sell goods and for a while made money, and paid off as fast as I could my debts, amounting in all to about forty odd hundred dollars, I paid them as they were presented, to those who were more pressing generally. These payments were made during the period between 1865 and 1871. I have not been able since the war to pay my debts if pressed by my Creditors. There was one judgment rendered against me in 1865, in favor Lee & Bro which has never been paid in full. Mordecai M.

Bradshaw Exor of Mordecai Bradshaw lived Three and a half miles from my house. I dont know that I ever had any conversation about the debt with Mr Bradshaw after the renewal of the note. A small bill was made by Mr Bradshaw's mother & sister at my store, which Mr Bradshaw paid, not exceeding $20.00. Mr M & Bradshaw had the management of his father's farm, his mother & sister lived with him, the farm is a very fair one, capable of yielding a support for the family, if properly worked. Mr M & Bradshaw had a store in Petersburg and also one in the County on his father's premises. Since the war. At the close of the war, I owned a fee simple interest in a tract of land at Berlin Southampton Co, valued at $2500.00. I also owned in Nansemond Co. about 160 acres which I sold for $700. about the year 1866, in both of which my wife had a prospective right of dower. I have paid debts under execution since the war, not of the amount. Prior to the war I owned in Southampton a tract of Land known as the Edwin Bradshaw farm, which I bargained to sell to Mordecai Bradshaw died in his lifetime for $800.00 and signed a Deed therefor in blank, but which was never delivered to him. Mordecai Bradshaw died in 1861, and thereafter during the war in 1863 I sold the said land to Edwin Bradshaw for Bank money. I think he gave me $1500. for it. I think the Contract was abandoned at the suggestion of M. & Bradshaw before the resale by me to Edwin Bradshaw. (The blank Deed referred to is annexed). The note against M & Bradshaw was put in suit in April 1870.

Ques.

Do you remember the purport of a Conversation which you had with Mr S. B. Pretlow at the Quaker Church in May 1870, & if so state it.

Ans. I remember something of it. Mr Pretlow asked me if I understood anything about how Hawkins left his affairs. I told him from a rough calculation which Dr Dodds and myself had made, I thought Hawk. had collected between Two and Three Thousand Dollars, ($2000.00 and $3000.00) He asked me whether Hawk or myself had bought the two horses at Dr. Harris' sale, and I told him that I had; and that I was authorized by James Bradshaw to buy the Colt, which I did at $40— and I paid $176.00 for the Horse. Hawkins, myself and John Harris executed a bond for the payment of $216.00 the purchase money for both horses, which was afterwards credited by $40— paid by James Bradshaw. Hawkins paid off the balance of the bond. He then asked me, how I thought Hawk had expended my father's Estate, I told him I thought that he had loaned money to different parties, having found their bonds

bonds among his papers. These bonds were made payable to himself, not as Exor of my father, amounting I think to $500.00 ~~or $600.00~~ He also asked me if Hawkins had paid off any of the Legatees, my reply was that he had a receipt from John Harris who married my sister, for Four Hundred dollars. and that I expected to charge myself with the horse, or that is with the amount of the bond and interest, which Hawk had paid off (about $190.00) and also with One Hundred dollars which I had collected of Warren Edwards, as part of a bond due my father's Estate. ~~XXX~~ I told him I expected to Charge myself with $300.00, which I thought was really more than I had gotten.

Ques. by
Do you know that Mr Hawkins Bradshaw paid for any articles for the other Legatees? ~~He paid for~~ Ans. He paid for the Groceries consumed by the family, and for nescessary Clothing

And further this Deponent saith not.

Bradshaw, his son, (and Executor qualified as such Executor, & that he was afterwards removed from said office and the estate of said Testator put in the hands of D. L.
