~~Circuit Court of Southampton County~~

To the Honorable Geo: Blow. Judge of the Circuit Court of Southampton. In Chancery. Complaining sheweth unto Your Honor Your complainants Wm E. Warrell, John H. Warrell, Richard L. Warrell, Jos: K. Worrell & Fannie Warrell, all adults, that during the Jan 1880, Wm R Worrell their father, died after having made & published his last will and testament, which was duly admitted to probat at the — Term of the County Court of Southampton. That he was seized and possessed of considerable real Estate at the time of his death, a part of which he loaned his widow during her life. That his widow becoming dissatisfied with the provisions of the said will, renounced the same as will appear from a copy of her said renunciation, herewith filed as Exhibit (1) in this suit. That dower was assigned the said widow, embracing the homestead & 250 acres of land thereto attached. as will appear more fully from a copy of the report of Commissioners filed herewith as Exhibit (2) in this suit. That the said Wm R. Warrell left as his devisees Your complainants & John Gray & Evaline his wife, who was

a daughter of said Morrell.
That the widow of the said Wm R. Morrell
has lately died, and the land which
was assigned to her for her dower
is in the opinion of your Complain-
ants not susceptible of partition in
kind among the parties thereto entitled,
all of whom are adults. but that
the said John Gray & Evaline his wife
insist that it is susceptible of
division & will not consent to a
sale of the same. In consideration of
all which and inasmuch as your
Complainants are without remedy
in the premises except in a Court of
Equity where such matters are
properly cognizable, to the end there=
fore that justice may be done,
they pray that the said John Gray &
Evaline his wife be made parties
defendants to this bill and compelled
to answer its allegations. That
Commissioners may be appointed
to enquire & report whether the said
land can be divided in kind
without injury to any of the parties;
and if it cannot be done that the
same may be sold and the proceeds
divided among the parties entitled

and that Your Honor will grant such other further, General & Special Relief as to Equity may seem meet, or the nature of this Case may require and as in duty bound Your Complainants will ever pray &c.
May it please the Court &c.

Report of Commissioners -

Gray & wife

In this cause, your Commissioners beg leave to submit the following report. That pursuant to decree in this cause they have examined the land in the proceedings mentioned with a view to ascertaining whether it could be divided in kind without loss or injury - and they are decided of opinion that division in kind cannot be effected without making some of the shares worth very little. There are six shares. The land has upon all the building, and there of themselves would be more than one share is worth. and there is way of dividing them. Besides to cut the land up into six parts, would ruin all the shares as far as value is concerned. Some getting good land, open & tendible and others getting no land but houses. We therefore recommend that the same be sold. In our opinion the land is worth in fee simple $. [redacted] 1800. 00/100

All of which is respectfully submitted.
