Leland 126
vs 3 Bill &c.

Leland's Son

1886 April Rules.

Wm A. Parker p. 4.

To

The Hon. Geo: Blaw, Judge of the
Circuit Court for the County of Southampton.
In Chancery.

Humblly Complainin^g, sheweth unto your
Honor, your Complainant, Joseph J. Leland,
that, at the January Term 1878 of the County
Court for the County of Southampton, Geo: M.
Leland qualified as his guardian, as will
fully appear from a certified copy of the
bond herewith filed as a part of this cause,
that the said Geo: M. Leland, guardian, has
never, since his qualification, rendered but
one account of his transactions, that your
Complainant having attained his majority,
has, time and again, requested him to ren-
der a further account, but the said
Geo: M. Leland, guardian, positively and per-
sistently refuses the same to render.

Your Complainant charges that the
said Leland as his guardian, owes him for
services rendered \$83.³⁸/₁₀₀, which have
never been paid; and, therefore, he claims
and is advised that the said Leland
should be required to render a further
and final account of his transactions as
guardian of your Complainant.

In tender Consideration whereof, and foras-
much as your Complainant is remediless

save in a Court of equity where matters
of this kind are properly heard, To the end
therefore that justice may be done, he
prays that the said Geo: M. Leland may
be made a party defendant to this bill,
and required to answer the same on
oath; That the said Geo: M. Leland be
required to render before one of the Com-
missioners of this Court a further and
final account of his transactions as
guardian of your Complainant, and that,
such ~~other~~, further, general and special
relief, ^{may be granted} as to equity ^{care may} may seem meet, and
the nature of the require.

And as in duty bound, Your
Complainant will ever pray &c.

May it please the Court, &c.
