To the Honorable Jorge Blow judge of the Circuit Court of Southampton County in Chancery sitting

Humbly complaining your Orator Erasmus Vick sheweth unto your Honor that in the fall of the year 1882 his father Jesse B Vick died intestate possessed of considerable estate both real and personal and leaving the following persons his distributees and heirs at law to wit Wallis Vick a son, Effie V Cobb an infant only child of Effie Cobb a daughter now deceased and who was married to W. R. L. Cobb, your Orator Erasmus Vick a son, Clara a daughter married to J. F Calimer, and Ida a daughter married to Jesse E Cobb and that Jorge W. Vick qualified as his administrator giving bond and security according to law all of which will more fully appear by a certified copy of the said bond herewith filed marked A and prayed to be taken as a part of this bill

Your Orator sheweth further unto your Honor that there are but few debts against his father's estate and that the personal estate will more than pay the same, That some some of the heirs at law have received during the lifetime of the said Jesse B Vick considerable advancements for which they must account, Your Orator sheweth further that the

* George W Vick admr Jesse B Vick dec'd

said Jesse B Vick left some four or five hundred acres of land to be divided among the heirs at law and as some of the parties are infants it is necessary to come into a court of chancery in order to effect a division or if that be not practicable to have a sale

In Tender consideration whereof and inasmuch as your Orator is without relief at law and only entitled to relief in a court of equity where such matters are peculiarly cognizable He Humbly prays that Walter Vick, J. F. Talimer and Clara Talimer his wife, * Jesse L Cobb and Ida Cobb his wife and Effie V Cobb an infant of tender years by some fit and proper person her guardian may be made parties defendant to this bill and that the court would compel them as full and perfect answer make to the allegations therein contained as if they had been thereunto more fully interrogated That the court would order a commissioner of this court to Take the following accounts 1st of George W Vicks transactions as administrator of Jesse B Vick dec'd 2nd an account of all the outstanding debts against Jesse B Vicks estate and the actual and annual value of all the real estate whereof he died seized and possessed and what advancements were made by Jesse B Vick in his lifetime to his children and to which of them and that the court would appoint commissioners to divide the lands whereof the said Jesse B Vick died seized and possessed according to the rights of the parties interested and that the court would grant such other and general relief the premises considered as equity may dictate and the nature of his case may require and as in duty bound your orator will ever pray &c and the said Erasmus Vick kindly gives notice to all the defendants interested that he should ask the court to allow out of the estate a reasonable fee to his counsel Myers Shands & Son for the prosecution of this suit

Commissioners Report

The undersigned commissioners who were appointed by the court made a decree entered at the May term 1883 of the circuit court to divide the lands whereof Jesse B Vick died seized and possessed into five equal parts among his heirs at law and if partition could not be made them to allot to either of the parties who would accept it and pay to the other parties such sums as their interest therein may entitle them to or allotment of part and sale of the residue or whether the same was susceptible of division and if partition could not be made to recommend a sale, beg leave to report that Jesse B Vick died seized and possessed of a tract of land containing 49.57 acres leaving five children that there is only one dwelling house on the said land that they find that partition cannot be made nor would any of the heirs accept the said lands and pay to the others the value of their interest in the same nor can there be any allotment of part and sale of residue and they therefore recommend a sale of the whole of the said land. They

further recommend that the said land be sold in two tracts as follows a tract lying on the east side of the Jonesboro road containing 200 acres and having on it a log cabin or dwelling and the tract lying on the east side of the Jonesboro road and adjoining the other and containing 257 acres and which has the dwelling house and the out houses on it, All of which is Respectfully Submitted by
