Nannie G. Worrell, Samuel J. Joyner & John Beaton,
John N. Sebrell Jr. Trustee and J. Emmett Sebrell.

**DEFEND-
ANTS.**

Complaining sheweth unto the Court your complainants as
aforesaid, that Thomas S. Charles of the county of Southamp-
ton is indebted to them in sundry amounts, as follows:

To your complainant Bain & Co. in the sum of \$159.32,
of which is evidenced by note and \$97.42 residue there-
of, is evidenced by open account, both of said items being
payable November 1st. 1899.

To your complainant E. Whitfield & Co. in the sum of
\$341.95, evidenced by open account with interest on \$36.39
from January 1st. 1899 and on \$305.56 residue thereof, from
January 1st. 1900, at which time same will be due.

To your complainant J. D. Pretlow in the sum of \$200.00
evidenced by one bond of grantor bearing date September 6th.
1899 and payable sixty days after date with interest from
November 6th. 1899, at which time same will be due and pay-
able.

To your complainant E. P. Hart in the sum of \$48.00 ev-
idenced by one certain bond bearing date August 22nd. 1899

and due and payable sixty days after date.

To your complainant Knight Bros. in the sum of \$109.80 evidenced by an open account due and payable October 1st. 1899 with interest from that date; all of which evidences of debt are hereby filed and marked respectively "A" "B" "C" "D" "E"; That the said Thomas S. Charles, at the time he incurred the several debts and obligations herein last above set forth, was in possession of a valuable tract of land in the county of Southampton, containing one hundred and ninety (190) acres more or less, lying on the road leading from Courtland to J. D. Pretlow's and on the South side of Pretlow's Mill Pond, known as the Orris Charles home place and worth \$2000.00 or more; that he was also possessed of a large lot of chattel property, to-wit: five mules, seven horses, three log-wagons and all necessary harness belonging to same, forty barrels of mixed feed of oats and corn, two buggies and four sets of harness, thirty hogs, two carts and harnesses, two tons of hay and household and kitchen furniture in his home-house on the farm aforesaid; that an interest in the said real estate was devised to said defendant Thomas S. Charles by the last will and testament of his brother John E. Charles deceased, subject to the payment of the decedent's debts, which debts have not yet been paid; that J. W. Williams has qualified on the estate of said decedent as administrator c.t.a.

That being so indebted to your complainants, and being so seized and possessed of the land and chattel property mentioned as aforesaid, the said Thomas S. Charles, on the 22nd. day of September 1899, conveyed to Samuel J. Joyner the aforesaid farm of one hundred and ninety (190) acres in consideration;

ation of \$1500.00, which amount he admitted to have received in cash from grantee upon the execution and delivery of the deed, the said property being sold subject to a prior deed of trust thereon, to John N. Sebrell Jr. Trustee, dated May 6th, 1898 to secure Dr. J. Emmett Sebrell in payment of the sum of \$500.00, all of which will more fully appear by reference to a copy of said deed filed herewith as "Exhibit F." that on the 28th. day of September 1899, the said Thomas S. Charles by a paper writing, conveyed all of his chattel property of every nature and description, to Nannie C. Worrell of the county of Southampton, in consideration of \$1500.00 to him in hand paid, which paper writing was duly admitted to record and a copy of which is herewith filed as "Exhibit G"; that on the 25th. day of September 1899, this same Samuel J. Joyner, to whom had been conveyed the tract of land hereinbefore described, by a deed which was duly admitted to record, conveyed this identical tract of land to one John Beaton, also a citizen of Southampton County, in consideration of the sum of \$1500.00 and the assumption of the bond \$500.00 due to Dr. J. E. Sebrell, all of which will more fully appear by reference to a copy of said deed herewith filed, marked "Exhibit H".

Your complainants aver and charge that the said conveyances from Thomas S. Charles to Samuel J. Joyner and Nannie C. Worrell, were made with intent to hinder, delay and defraud your complainants who are creditors of the said Thomas S. Charles, that the said grantees, Nannie C. Worrell and Samuel J. Joyner did not pass any consideration for this property, that they had not then, have not now nor ever have had sufficient funds with which to buy the property conveyed to them; that no money and certainly no ~~valuable~~ considera-

^{passed} tion from said grantees, Nannie C. Worrell and Samuel J. Joyner to Thomas S. Charles, but that the said grantees knowingly participated in the fraudulent purpose of the grantor and thereby aided him in attempting to place his property beyond the reach of his creditors; that the deed from Samuel J. Joyner to John Beaton was likewise made with^{out} valuable consideration, and to hinder, delay and defraud the creditors; that the same was but another act in the pre-concerted plan of these defendants to place the property of the said Thomas S. Charles further out of reach of his creditors; that no valuable consideration passed between the said Joyner and Beaton, but that the purpose of the said Charles to hinder, delay and defraud his creditors, was participated in by the said Beaton also; and your complainants are advised and believe that they are entitled to have the said debts set aside and the property subjected to the payment of their several debts under the direction of this Court.

Your complainants further state that the said Thomas S. Charles, some weeks before he had conveyed this property to these parties, executed to J. D. Pretlow, one of your complainants, a deed of trust on the farm of said one hundred and ninety (190) acres, to secure the bond of said Pretlow herein-before mentioned and described, but that your complainant, having confidence in the honesty of the said Charles, did not admit the said deed of trust to record and has received this recognition of gratitude as his reward.

Your complainants aver and charge that the chattel property herein-before described, is of a nature perishable and expensive to keep, that if left in the hands of Nannie C. Worrell, who is totally irresponsible, that it will be wasted

destroyed, secreted, consumed in the use and otherwise damaged, and that unless an injunction is granted enjoining and restraining the disposition of the same by the said Nannie C. Worrell, and a sale of same under the statute, your complainants will suffer great loss and damage.

In tender consideration whereof, and for as much as your complainants are remediless in the premises save by the aid of the Court of equity where all such matters are alone and properly cognizable, to the end therefore, that justice may be done, they pray that Thomas S. Charles, J. W. Williams Administrator c.t.a. of John E. Charles deceased, Nannie C. Worrell, Samuel J. Joyner, John Beaton, John N. Sebrell Jr. Trustee, and J. Emmett Sebrell may be made parties defendants to this bill and required to answer the same, but answers under oath are expressly waived; that attachments may issue seizing and holding the property conveyed by the said Thomas S. Charles to the future order of this Court; that, if necessary, an injunction may issue enjoining and restraining the said defendants or such of them as may be in possession of the property herein-before described from disposing of or exercising control over said property; that the conveyances of said property made by Thomas S. Charles and filed herewith as a part of this bill, may be declared null, void and of no effect because made to hinder, delay and defraud his creditors, and that the conveyance from Samuel J. Joyner to John Beaton may be declared, without consideration, null and void; that said property may be subjected to the payment of your complainants' debts under proper directions of this Court; that judgements may be entered against said Thomas S. Charles for the several amounts due by him to your complainants; that all

such orders and decrees may be entered, inquiries and account directed and all such other further general and special relief granted to your complainants as the nature of their case may require or to equity shall seem meet.

Notice is hereby given that the Court will be asked to allow reasonable fees to plaintiff's Counsel conducting this cause.

And your complainants will ever pray, etc.
