The Hon. Geo. Brown, Judge

William H. Edwards

against

Stiff

Substantive

John F. Edgar, P. Geo. W. and Josephine Edwards, Defendants
Richard L. Edwards, Sheriff, Subscribers as above, Plaintiffs.

This day, when James came in again to be heard in the papers formerly read and the copies of correspondence filed, I made presents to the Court of this term of the bond set to enforce the compliance therewith and was argued by counsel, the consideration thereof, the bond date appearing, that in view of the fact that the Court of John F. Edgar, P. Geo. W. and Josephine Edwards, paid \$1000, and provided for the Sheriff's salary the only debt of said in the debt system, and after paying the costs of that debt and claims owing the execution of the purchase money in other cases and taken, I set to himself as Sheriff of the said John F. Edgar, P. Geo. W. and Josephine Edwards and held the said debt as the same term and condition as set forth in the debt to have been satisfied by the Court of the 10th of April 1868, and against his proceedings to commit in order to further decree that the said W. H. Edwards should not proceed to any other debt until he or some one for him should have succeeded in the Office of this Court, but with good and sufficient security in the payment of the hundred dollars, (understood for a faithful performance of the terms and any other condition may be entered in the Court.)

William H. Edwards who says on behalf of himself and all other condition of John Edwards &c.

This case came on this day to be heard in the Office of the Commissioner, before the Court, as to the actual compliance or when proof had been taken and the debt failing to appear, as made appears, as in the account of the Sheriff's salary by L. C. Edwards, Sheriff, Subscribers as above and in Exhibit filed with said debt and in replication to said answer and was argued by counsel, the consideration thereof, the bond date appearing, that in view of the fact that the Court of John F. Edgar, P. Geo. W. and Josephine Edwards, paid \$1000, and provided for the Sheriff's salary the only debt of said in the debt system, and after paying the costs of that debt and claims owing the execution of the purchase money in other cases and taken, I set to himself as Sheriff of the said John F.
