Mrs. Laura V. Barker,
Franklin, Va.

My dear Madam:-

We have been unable to find any record of your husband's service among the Confederate war records, either in Washington or Richmond, as a member of Company H. Ross' Brigade, on the roll covering a period from November 1862 to June 1864.

If you have any papers in your possession or can obtain a sworn statement from any person having personal knowledge of your husband's service, please let us have that information by early mail.

Yours very truly,

E. R. Combs, Comptroller,

By
Pension Clerk.
