My dear Sir:-

I am returning your letters with slips in the case of records requested of the service of Hopkins R. Funk and Albert D. Bryant. The first request was made for these records several weeks ago and we note that you state information as requested was furnished this office on November 17, 1930 but they have never reached this office. If you will, therefore, have the records examined in each case and furnish this office another statement it will be appreciated.

Yours very truly,

E. R. Combs, Comptroller,
