

COMMONWEALTH OF VIRGINIA

**OFFICE OF STATE TREASURY - BOARD OF TREASURY
OFFICE OF THE AUDITOR OF PUBLIC ACCOUNTS**

Feb. 21, 1917.

Mr. Richard P. Ellis,
Branchville, Va.,

My dear Sir:

We have received no reply to our letter of Oct. 5th from you, concerning the property assessed to your wife. I refer you to that letter, which called for a certificate from the Clerk of Court substantiating your claim concerning the disposition of the property of your children. If your wife has disposed of her property by transaction deemed valuable in law and a record is made of this we will be able to approve your claim, otherwise as long as this much property is assessed to her we cannot grant you a pension under the law.

Yours very truly,

JHJ/DW.

Pension Clerk.
