240.

WASHINGTON

December 22, 1930.

Respectfully returned to

The Comptroller,
Commonwealth of Virginia,

Richmond, Virginia.

James W. Wynn was shown as Lieutenant Colonel and J. G. Holliday as Captain of Company G, 15 Battalion North Carolina Cavalry, reported as a Battalion of two Companies during 1863 and 1864 in State service.

There are no muster rolls on file in this office for Company B, 15 Battalion North Carolina Cavalry and no record has been found of the service, capture or parole of a man named Caleb Mverett as of that organization.

The records show however, that one Caleb M. Mverett, Private, Company E, 3 Regiment North Carolina Infantry, Confederate States Army, enlisted May 13, 1861, in Onslow County, North Carolina, age 27 years, residence Onslow County.

C. H. Bridgman
Major General,
