

November 5, 1950.

Mr. Emmett F. Reese, Sr.,
Seabrook, Va.

My dear Sir:-

We wrote you on August 22, 1950, after receiving your claim for pension, asking about your total income from all sources, but have had no reply to that letter. I regret we cannot approve your claim until we know what that is. If your income from all sources combined is more than \$1000.00 per year, little or much, we can not approve your claim.

Please let us hear from you by early mail, so that we may know what disposition to make of your claim.

Yours very truly,

W. L. Combs, Comptroller,

By
Pension Clerk.
