

FRANKLIN EDWARDS
COMMISSIONER OF REVENUE
SOUTHAMPTON COUNTY
FRANKLIN, VIRGINIA

Nov. 5, 1934.

Mr. John H. Johnson,
Pension Clerk,
Comptroller's Office,
Richmond, Virginia.

My dear Mr. Johnson:-

I herewith enclose Pension
Application of Mr. L. T. Worrell. This is the
case I mentioned to you a few days ago in
Richmond.

He has used every effort in trying
to secure the necessary data but all of his
officers and comrades with whom he served ap-
parently are dead and none of the records
either in Richmond or Washington show his
service. Among these papers is an affidavit from
Mr. Geo. W. Barnes whose word can absolutely be
relied upon.

At one time Mr. Worell, up until
a year or so ago, was in very comfortable cir-
cumstances but he has now lost practically all,
and deeply in debt, according to his statement,
which can be relied upon. I really believe it
is a deserving case and that the pension should
be granted if it is possible.

With personal regards, I am,

Very truly yours,

Franklin Edwards
Commissioner of Revenue
