✓ Doct. Joseph Holmes a surgeon reports that Wm Simmons (who ~~was a soldier~~ was a soldier in the new service under Col. Buford who has made application for a recommendation to be placed on the pension list) is so disabled by a wound in his arm as to render him incapable of having the proper use of it & that he hath also several other wounds of less consequence — & the court from their personal knowledge of this Wm Simmons ^{being satisfied} that he is probably ~~will~~ be incapable of manual labor by means of the wounds & being also sufficiently convinced that he rec^d those wounds in the defeat of Col. Buford recommends him as a proper person to be ~~agreed~~ placed on the pension list & receive the bounty of his country —

It appears to the court that the bridge over ~~the~~ at this place is in danger of falling for want of some repairs Ordered that ^{Doct. Dick} Wm Whitehead Thos. Edmunds or any 2 examine the bridge & let the necessary repairs

Ordered that the owner of the fish road from Capt Baines old store to the old Mansions line ^{open to} extend the road to the County line with the hands belong to his district to ^{by J. H. H.} app^r owner of y^e road in the room of John Crenshaw done

Ordered that he be adj^d till the course
