The Court proceeding to consider the propriety of erecting a bridge across Black Blakes
river where Mr. Clump's bridge formerly stood. It appearing to the Court that the Justices
have been duly summoned agreeably to the order made at the last Court, and being of
opinion from all the circumstances of this case that the bridge contemplated will be of
great public utility doth order that Simon M. Lee, Jordan Edwards John H. Lee be
appointed Commissioners ^{to meet on the 1st day of June next at an confer} on the part of the County with the Commissioners to be ap-
pointed by the County Court of Isle of Wight, and to meet at the place on the day of
as to the manner and condition of erecting the said bridge or repairing the present old
bridge. That the said Com. take bond & security of the undertaker of the bridge con-
ditioned for the faithful performance of the contract, and make report thereof to this Court
after the said bridge shall have been completed according to contract - and it is further
ordered that these proceedings be certified to the said County Court of Isle of Wight and
this Court doth respectfully request that Court to appoint Commissioners on their part to
meet the Com. before appointed at the day and place aforesaid.
