Bell Commissioner or who made this affidavit was examined as a witness touching the application and it appearing to the Court that the said property on which the said tax was applied had been paid over by the Executors to the legatee and distributees of the said Estate and ascertained and that said taxes paid by the said legatee and distributees and it appearing that not two years have elapsed since the book in which the said alleged erroneous entry had been made was certified by the Clerk of the Court of this County, and that application for redress against the erroneous entry was made on this day for the first time. On consideration whereof and from the facts found the Court is satisfied that the charge of the said James Clayton is erroneously charged in said book with taxes amounting to \$124.14 & Whereupon it is ordered that the Executors of the said James Clayton be exonerated from the payment of the taxes so erroneously charged if not already paid if not paid that it be refunded to them.
