

The Commissioners appointed to act in the last term, on the repairs of the Bridge across Nettoway river at Jerusalem as the rebuilding of the same and to report, this day made their report, which being considered by the Board is approved and it is ordered that the same Commissioners, Thomas P. Butler, John J. Knicker and Richard J. Doudart act on the building of a New Bridge across Nettoway river at Jerusalem provided the same can be done for one thousand Dollars in currency and if not they are to proceed to act on the lowest bridge and then the establishing of a Ferry there and in either case they make a report to Court.

Ordered that the Sheriff of this County summon all the acting Justices of this County to the next term of the Court to take into consideration the several reports of the Commissioners appointed to act on the repairs or rebuilding of Bridges of this County.

The Commissioners appointed at the last term of this Court to view conjointly with the Commissioners of the County of West of Wight County, the various localities on the Blackwater river where bridges were formerly situated and report the propriety of rebuilding the same or the erection of others instead thereof made a report in conjunction with the Jcts. of Wight Commissioners. which report is adopted in part as follows: It is ordered that the same Commissioners in conjunction with Commissioners from the County of West of Wight act on the lowest undertaking or undertakings the rebuilding of the three several Bridges, to wit, One at Franklin across Blackwater river, one at Juni and the other at Broadwater across the same river, and they are directed to report their proceedings to Court for confirmation or rejection. And it is ordered that a copy of this order be certified to the County Court of West of Wight County.

Ordered that the Court be adjourned till tomorrow morning at 10 o'clock.

Edward Beaton J.P.
