appeal } Unseen an appeal from a judge

till the 6th day of April 1864

recovered by the appellee against the appellant the 6th day of April 1867
for \$35 with interest from 15 Nov 1866 & costs.

This day came the parties by their attorneys who being fully heard, and the evidence adduced considered, it seems to the Court that there was error in the judgment of the said Therefore it is considered that the same be affirmed, and that the appellee recover against the appellant and Wm. Briggs her surety the amount thereof, together with ten per centum per annuum damages thereon from the foresaid 6 day of April 1867 till payment, and his costs by him in this behalf expended.

James H. Collett having obtained an attachment against the estate of J. E. Thompson has removed his effects out of this State so that there will not probably be sufficient within the State to satisfy the paper claim for \$24. payable 1st Sept. 1867. And the Constable having been advised that the Deft. has no effects within his jurisdiction and that he had all what was in the hands of Rich^d S. Bryant as garnisher & summoned him to October County Court. This day came the pt and off by his attorney and the said Richard S. Bryant being solemnly called & not appearing. It is ordered that he be summoned to appear here on the first day of the next Term to show cause if any he can why an attachment should not be issued against him for his said contempt.
