

An report concerning a road and place of building  
at Bravers was this day made by the persons appointed  
to view the same and is in the words following. That  
"the westerly side of Southampton street bearing date the  
"thirtieth day of August 1752. We the Subscribers being  
"first sworn have viewed the road and place for  
"building a bridge at Bravers and we find as follows  
"to wit that the old road ought to be revised and kept  
"in repair with a small alteration on the south  
"side along the Hill side a little higher up the  
"Creek than the present road and well answer the  
"same passage through the creek That there ought  
"to be a bridge built at the place where the former  
"bridge was built to answer the said road And that  
"the road will be convenient as well for the  
"inhabitants of the said county as for others Given  
"under our hands this third day of November 1752.
