Dismissed the defendant to pay all costs

The persons appointed by a former order of this Court to let the repairs of the bridge at the Court house of this County this day made their report in the following words (to wit) Pursuant to an order of the worshipful Court of Sampson County, bearing date 11th November 1788. We the subscribers being therein appointed for that purpose have let the repairs of the bridge at the Court house of said County, to Barnaby Drake Jr. for twenty one pounds nineteen shillings current money. Given under our hands this 8th day of January 1789, to be completed by the 1st day of April next, and if any repairs are other than what are specified in his bonds of this date, to be paid for according to the work. Josiah Vick, William Whitehead

Ordered that Edmund Tyler, Richard New and Samuel Kello or any two of them let the repairs of Round Hill bridge and causeway and report

Pursuant to the requisitions of the executors, it is ordered that Benjamin Blount Thomas Ridley John Simmons William Minor, Abner Digton Jones and Samue Kello inquire into and furnish the executors with vouchers and of all supplies borrowed for the last war and appropriated to that purpose and comply with the intentions of the said requisitions of the executors as far as within power and means their report to the next Court

Ordered that John T. Blou, William Thomas, and Jeremiah Tyler or any two of them view the distance across the low grounds near this place and report what would be the probable expense of creating a footway with timber or in any other manner across the said Low grounds
