in that case to be enforced under a penalty, would by a natural
 be understood, that in the event of a failure on the part of
 the contractor to perform the work, according to agreement, such
 might wholly exonerate the County from any obligation which
 the Bridge, or to appropriate money for the payment of
 but some Commissioners with a less rigorous interpretation of
 and recommend that such compensation be made, and that
 as the Contractor may be entitled to in estimating the cost
 of the Bridge which is very respectfully submitted to the
 which was ordered to be entered of record
