+ Court vs. Williford Breach of the peace The defendant was brought into court by
the sheriff of this county into whose custody he was heretofore committed and the
points being fully heard, the court after hearing the testimony & all the circumstances
of the case are of opinion that the defendant find security for his good behavior
for the space of 12 months from this day himself in the sum of \$50 and two
securities in the sum of \$25 each - and it appearing to the court from
the evidence in this case that the Deft John Williford has so injured the
eye of Ezekiah Blizard that the same may probably amount to a felony
