On the motion of Henry Ford and Lewis A. Branch for leave to open a new road from the Smithfield road over the corner of Shadrach Wynters place to strike the main point road near Lewis A. Branch. The commissioners having been appointed to view the way proposed for said road to run this day made their report which is ordered to be recorded and is in those words to wit: "The Worshipful Court of Southampton City. We the undersigned having been duly qualified by oath, have proceeded according to the order of the Court made at December Session, directing them to view the course of the road proposed to be done from near the corner of Shadrach Wynters place to some point of the main point road near Lewis A. Branch. And having carefully performed that duty, they are of opinion that said road will be of material advantage to the whole district of Country in that vicinity - that it will be productive of little or no damage or inconvenience to any one in the manner it is proposed to open it - that it meets the general approbation of all concerned, except one individual whose land it will not touch in any part of its route, and that upon the whole they are decidedly of opinion that the opening of the proposed road in every point of view is expedient and highly desirable. Geo. G. Gray, Esq. J. H. Burgess, Lewis A. Branch." And it is ordered that the proprietors of the land through which the said road will run be summoned to the next Court to show cause if any they can why the said road should not be opened as proposed.
