The Commissioners appointed at the September Term of this Court, to view
the ground and to report to Court the conveniences and inconveniences that
will result as well to individuals as to the public from the opening
of a road from the Quaker Road to the Quaker Church to connect
with the road leading to Franklin near Bracy's Store, also a short
road of about three quarters of a mile leading from the said road
to the road near M^r. Saml. H. Totten's this day made their report
which is in these words; to wit; "Your Commissioners appointed at the
September Term of the County Court of Southampton for the purpose of
viewing the proposed route for a public road leading from the road
at the Friends' Meeting house to a point on the road leading from
Franklin to Black Creek Church at or near Cherry (Colored) Church,
by leave respectfully to report that the route they deem most proper
for said road will not cross any yard, garden, or orchard, that no
bridge will have to be built, that all the persons whose lands it runs
through have given their consent, without claiming damages except
two, whose lands not been heard from, and through the lands of
those it would not run far enough to occupy an acre of land,
the lands being very poor, scarcely any of it cleared and no yard
or orchard near and that we believe the said road would be
a great convenience to a large section of the County and consider
it a public necessity. We estimate the extent of the road to be
about six miles and the cost of opening it to be about Four
hundred dollars. We also viewed the route for the other road
mentioned in your order, leading from a point on the road mentioned
