Commissioners Office April 10 1856

The undersigned Commissioner begs to submit to the Court the foregoing account of the transactions of Robert S. Prillow guardian to Elizabeth Prillow. The account is made up to the 15th day of February 1856, when the ward attained the age of twenty one years - The Commissioner reports that the foregoing account extends from the time the guardian qualified, although he had returned to the Court his accounts regularly. There were errors in the previous accounts, and it was agreed by the Guardian and the ward who was free, that the accounts should be settled entirely. The Commissioner finds a balance due the Ward on the 15th day of February 1856 of \$6974.88 cents.
