The Answer of Anthony Holladay to the Bill of injunction
exhibited against him in the Worsliff Court of Isle of Wight
by John Woodley

This Respondent saving to himself all right
of excepting to the various errors in the said Bill of Complaint
contained for answer thereto. Says that it is true that he
gave upon such a bond as is mentioned by the complainant
and that he issued his execution upon the judgment obtained
upon the same in the Court of Isle of Wight. But he
denies that there ever was a payment made which was
not credited. He avers that £11.8.0. were paid to William
Atkinson for him. which sum is credited on the face
of the execution. This Respondent however is willing to
admit the propriety of that statement of the Bill respecting
the note of £1.10. taken in by him. He denies, that he has
received any articles since the date of the bond from the Compt.
as he has stated in his account. And lastly prays to be
hence dismissed with his costs in this behalf expended

Anthony Holladay appeared before me one of the
Justices of the peace for the county of Isle of Wight and
