To the worshipfull Court of Isle of Wight in Chancery
Sitting Humbly Complaining sheweth unto The Court
your Orator John Hallman ~~Administrator~~ ^{Administrator} of John Thomas
decd - late of The County aforesaid. That yours
intestates at the time of his death was legally possessed
of the following papers. - viz -

An order of the overseers of the Poor for newport, parish
in the said County, ~~directing~~ allowing to Rebecca Wells
Lintons the sum of five pound, for and towards her
support as a parishoner for that year - to be at the
Ordering and directing of the overseers of the poor. -

In the same order an allowance is made to Ann Allen
the sum of three pound for and towards her support, as
a parishoner for that year - to be also under the order and
direction of the overseers of the poor. -

In the same order an allowance is made to the said John
Thomas, the sum of four pound ten shillings, for finding
a Coffin, Sheet, &c - & burying Joseph Goodrich decd - and
also there was allowed to the said John Thomas Six Shilling
for his attendance that day as an overseer of the poor.

Which order, bearing date the 8th day of March 1790,
was by John Lark Wells, President of the overseers of
the Poor, to the said John Thomas, and addressed to
the Executors of William Bridges, the Collector. -

That an order of the same kind as before mentioned
and bearing the same date, there was allowed John Thomas
Six Shillings for his attendance as an overseer of the poor

in February then last past. — Due to William Parnell a Parishoner, The sum of fifteen pounds, for his support for that year. — ~~and also the sum which last order~~ Or so much thereof — as is herein above stated, ought to have been assigned, to the said Thomas; he having maintained the said William Parnell for and during that year, on the Credit of the above order; but the assignment was neglected from time to time, without any other Cause but negligence, untill the death of the said John de Wills. — Which Orders, with a Statement Due for greater Certainty hereunto annexed, and prayed to be taken and considered, as a part of this bill. — Your Orator is well assured that these sums were not paid — during the life of the said William Bridger, who was the Collector for the overseers of the poor at that period, Or since his death by any other person, and that they are still in justice due to your Complainant as the admo^r of the said Thomas. Under this impression he has applied to Simon Boykin who is the acting executor of the said Bridger, for payment; but he, on a variety of Pretences declines payment. — Your Orator is thereby driven to seek such redress as the laws of his Country will afford, and being deprived at least as to part of the amount, of any remedy at Common Law, for want of an assignment of the second order by the president of the overseers of the

poor, and fearing that other Causes may conspire to deprive him of his remedy at Law of the whole, he solicits the aid of your Wisdoms in equity.

In tender Consideration whereof and to the end that Justice may be rendered in the premises, He prays that Simon Boykin Executor of the said Wm. Bridger, be made defendant to this bill, and that oath, full, true, and just answer make to all and singular the allegations herein contained, Especially whithin his testator, the said William Bridger was not the Collector of the poor rates aforesaid.

And lastly, your Orator prays that such decree or order be entered for his relief as may comport with justice — and particularly that the said defendant, out of the estate of his testator be compelled to pay the sum of

£28 2 0 — with legal interest thereon from the last of December 1791 till its discharge and the Costs of this prosecution. — May it please
