c. 1.

L

The answer of Richard Pope and Lucretia his wife to a Bill
of complaint exhibited against them in the County Court
of Wiltshire by Angelina Hancock and Eliza Hancock
by

These respondents having and answering to themselves all
right of exception to the error in the Bill contained for
answer thereto (or so much as they are advised it is
material for them to answer) say that it is true that
Richard Williams made the will in the Bill alluded to
and that the complainants and their respondents
are the only persons entitled to enjoy said property in
the Complainants Bill mentioned. That the allegations in
therein (or such as they are bound to answer) they believe
are correct and are willing that this Court of Chy
shall make the decree prayed for or any other or
further order for this relief which may seem just
& proper - and they pray leave to be discharged
with the reasonable costs in this behalf expended.
