The answer of Thomas B. Howard and Richard Whitfield
executors of the last will and testament of Willis Cowling
deceased to a bill exhibited by Willis H. Woodley
surviving executor of Andrew Woodley deceased on behalf of
himself and other creditors of Josiah Blunt deceased against
John C. Crump ~~and~~ former administrator of Josiah
Blunt deceased, the said Thomas B. Howard and Richard
Whitfield executors of Willis Cowling who was administrator
de bonis non of said Josiah Blunt, and other defendants
in the circuit superior court of law and chancery for
the county of Isle of Wight.

These defendants for answer to the said bill or to so much
thereof as they are advised it is material for them to answer
say that on the 23^d day of August 1828 the will of the said Willis
Cowling was proved in the court of Hustings for the city of
Richmond and they qualified as executors thereof. Soon after
their qualification numerous suits were brought against them in
the courts held in the said city for debts due by specialty
and simple contract. These defendants discovering that their testator
had acted in numerous cases as executor, administrator and
guardian apprized their counsel of that fact and were informed
that whatever was due from him in any such fiduciary
~~charge~~ character ought to be paid out of the assets in preference
to other debts of the said testator. But the accounts of the said
testator ~~was~~ in his representative character were in an unsettled
state at the time of his death; and these defendants could not
tell how much was requisite to pay debts of this description, nor
how much could lawfully be appropriated to other debts. Anxious
to pay over the assets to whoever was entitled thereto, and to keep
clear of any act which would amount to a derelict, they
exhibited a bill in the circuit superior court of law and
chancery for the county of Henric, coming before that court
all the legacies and distributives of those estates which were
in the hands of their testator as executor or administrator and
convening also
the wards whose guardian he had been, in order that there might
be a final and conclusive settlement of the said Cowling's
accounts as executor, administrator and guardian. The
numerous parties to that suit were all brought before the court
as speedily as practicable and on the 6th of March 1830

an order was entered directing an account of William Cowley's administration of the estate of Josiah Blunt and also an account of his guardianship of Cornelia W. Virginia and Indiana Blunt orphans of the said Josiah Blunt deceased. These accounts were accordingly settled by a commissioner of the court. The amount due from Cowley as administrator was stated; that amount was carried to the credit of the wards in their respective ^{proportions} ~~proportions~~; and hence the guardianship account showed the whole balance due. Upon these reports the cause was heard on the 30th day of November 1831, and a final decree then pronounced in the cause confirming the account thus settled of Cowley's administration on Blunt's estate, and confirming also the account thus settled of his guardianship of the orphans of said Blunt. Indiana Blunt one of the said orphans had died; and the court therefore divided her share between her two surviving sisters and decreed to John Blunt as guardian of Cornelia W. Blunt the sum of \$320.53 with interest on \$319.34 due her of from the first of August 1828 and to the said John Blunt as guardian of Virginia Blunt the sum of \$431.98 with interest on \$430.71 due her of from the same time till paid. At the time the decree was pronounced, these defendants did not know that there were any creditors of Josiah Blunt remaining undiscovered; but they deemed it proper that some provision should be made for their security in case such creditors existed. Accordingly the court at the suggestion of these defendants decreed that the said John Blunt was not to have the benefit of the said decree as guardian aforesaid until some person ^{should} ~~should~~ enter into two bonds with sufficient security or penalties equal to double the sums decreed to be paid to him as guardian aforesaid, conditioned to refund due proportions of any debts or demands which might afterwards appear against the estate of the said Josiah Blunt. This refunding bond the said John Blunt failed to give; and the money consequently was not paid. It remained in the hands of these defendants until the next term of the said circuit court of Henrico, to-wit: until the 9th of June 1832 when these defendants, in order to release the estate of their testator from any further payment of ~~money~~ interest on the said money, ^{had} ~~had~~ moved the said court to allow them (which the court accordingly did) to pay into one of the banks in the city of Richmond to the credit

credit of the said court the said sum of \$320.53 due to the guardian of the said Cornelia W. Blunt and \$74.14 do for interest making together \$394.67 do and likewise the said sum of \$431.98 due to the guardian of the said Virginia Blunt and \$99.63 do for interest making together \$531.61 do. And on the 12th day of June 1832, these defendants produced in the said court, a certificate of the teller of the Farmers Bank of Virginia shewing that they had paid into the said bank, to the credit of the said court the said two sums of \$394.67 do and \$531.61 do, together with other money due from the said Cowley on account of this administration of the estate of one Garbrough. Copies of the several orders and decrees of the said Circuit Court of Henrico of the 8th of March 1830, November 30th 1831, June 9th 1832 and June 12th 1832, shewing the matters herein before stated, marked No. 1 are filed with this answer as exhibits in support thereof.

These defendants have no knowledge of the purchase of land by Josiah Blunt from the college of William and Mary, nor of any obligation given by him for the purchase money in which Andrew Woodley the plaintiff's testator was surety, nor do they know if such obligation was given whether the same was discharged by the said Josiah Blunt or not, nor any thing of a judgment being obtained thereon against the plaintiff as executor of Andrew Woodley, or of any payment by the said executor on account of such judgment. In relation to all these matters the information which these defendants possess is derived from the complainant's bill.

These defendants insist that this court should not direct any new settlement of the accounts of their testator on the estate of Josiah Blunt. A settlement has already been made and confirmed by a court of competent jurisdiction in a suit in which every one known to be interested in the estate of Josiah Blunt was made a party. And since the final decree in that suit these defendants have proceeded to discharge the debts which remained after satisfying the decree, in paying other debts due from their testator by specialty. The office of an executor would be most intolerable, if after such efforts as these defendants have made to have a correct and conclusive settlement of their testator's accounts as executor, administrator and guardian it should be competent to any one, in any portion of the commonwealth alleging himself to be a creditor of an estate whereof the testator of these defendants was administrator, to file a bill in any portion of the commonwealth, no matter how distant, and require them to settle the accounts of their testator again. Not only should no such settlement be

be ordered by this court, but these defendants insist that this cause ought to be removed to the circuit superior court of law and chancery for the county of Henrico. In that county these defendants reside, and in that court the case of Cowlings execs vs Jeffries and others has been pending and subject to the order of that court is the whole ~~pending~~ fund arising from the personal estate of Jacob Blunt for which Willis Cowling was liable at the time of his death. The case is within the spirit, if not within the letter of the 38th section of the act passed April 16th 1831 to establish a court of law and chancery in each of the counties of the commonwealth and in certain corporations therein mentioned. and these defendants therefore ask that this court will ~~not~~ direct such removal accordingly. Or that the court will order the suit to be dismissed as to them, with a decree for their costs by them in this behalf most wrongfully sustained.

a doctor of medicine, and a short time
after the said Blunt purchased land in Stafford County of the
masters & professors of William and Mary College, he was in company
with said Josiah Blunt, and in speaking of the said Blunt's purchase
of the land aforesaid this deponent ask'd him Blunt if he did
not give a high price for the land, to which he answered, he did
give a high price, & should be put to it to make the money in
one time; this deponent then observed that the college or professors
care nothing above that, for no doubt they had the money secured,
to which said Blunt, replied, yes, my Uncle Amos Woodley is
my security & I think he is good if I am not - & further this depo-
nent saith not.

Smithfield Commissioners Office July 3^d 1833

Notice of the time and place for the settlement of the several accounts directed in the foregoing decree having been given to the parties interested in this suit, your Commissioners proceeded this day to the execution thereof.

Statement of the demand of Willis B. Woodley surviving executor of Andrew Woodley dec'd vs. Blunt's heirs.

1832
June 23^d For this sum paid by the executor to Edmund Christian, Treasurer of the College of William & Mary on an execution which issued on a Judgment in the Circuit Superior Court of Law and Chancery of Isle of Wight on a bond given by Josiah Blunt with Andrew Woodley, to the President and Masters of Wm & Mary College in the sum of \$519.90 mark. 170.53
Aug 21st To this sum paid ditto on ditto 147.31
Dec 21st To this sum paid Arch^d Atkinson Att^r for College on said execution 355.22

Your Commissioners has ascertained that Josiah Blunt died seized and possessed of real estate in Isle of Wight County which passed by devise or descent to the Infant defendants to wit

One tract usually called 'The Castle', containing about 713½ acres for simple value thereof	\$1000.00
annual value of ditto	25.00
One other tract usually called 'The Grove', containing about 255 acres - for simple value thereof	1500.00
Annual value of ditto	40.00
One other tract usually called 'The College Land', containing about 180 acres - for simple value thereof	300.00
Annual value thereof	5.00

Upon the settlement of John C. Crumps Administration on the estate of Jos. Blunt dec'd marked E. there appears to be due from the Admin^r on the Estate on the 1st day of July 1828 the sum of \$153.50 - I am requested by the said Administrator to state specially to the Court that the children of his Intestate (the infant defendants) were supported by him from Nov. 18th 1824 till January 1826, he acting as Quasi Guardian & their necessary expenditures advanced by him for that time amounted to \$241.57 a sum much greater than the balance due from him as Administrator of their fathers estate.

Upon the settlement of the estate of Josiah Blunt dec'd as administered by John Blunt there was to be a balance of \$49.04 due from the said John Blunt December 1st 1832 - but I am requested specially to state that, that sum was placed to the credit of Cornelia & Virginia Blunt, children of Josiah Blunt in an account of Jos. Blunt's Guardianship of said Orphans marked E.

Upon the settlement of Archibald Atkinson's Administration on the estate of John Blunt dec'd the sum of \$2217.54 was on the 2^d of May 1833 found to be due from the said Administrator - but on that day it appears to your Commissioners that the said Administrator distributed according to law between the Widow of said Blunt and the Guardian of his children - settlement marked F.

From a statement made by James Johnson Admin^r de bonis non of Jos. Blunt, it seems that no estate of said Blunt has come to his hands to be administered.

Your Commissioners could not ascertain what debts paid by the several Admin^rs bound the heirs, because the vouchers used in the several settlements of the estate were not before him, the estate was administered by several persons now dead & some remote from this County - Your Commissioners has adopted the audited accounts reported to the County Court of Isle of Wight as correct, there being no evidence to surcharge or falsify them or either of them - All of which is respectfully submitted to the Court.

The defendant Mary Blair having departed this life, and Walter D Blair having only qualified as her executor, by consent of the plaintiffs and the said Walter D Blair, this suit is now reviewed against the said Walter D Blair in his character aforesaid, and on motion of the said Walter D Blair executor as aforesaid, and of the defendant Thomas I Kilby administrator of Sarah Yarbrough deceased, leave is given them to file their answers to the bill of the plaintiffs and thereupon they file the same, to which the plaintiffs by counsel, reply generally; And the cause came on this day to be finally heard on the original and amended bills, answers of the defendants, Elizabeth Jeffries, Mary S Shelton, Walter Shelton, Richard Lattimore, Elijah Foulkes Curator of the estate of Martha Munder deceased, John P. Price, Francis R Price, William Ruffin and Eleanor V his wife, John Blunt, Walter D Blair executor of Mary Blair deceased, Thomas I Kilby admin of Sarah Yarbrough deceased and of the infant defendants by their guardians, specially assigned, with

replications thereto, (and as to all the other defendants, on the several peremptory orders, taking the bill for confessed, as to them, which appears to have been duly executed, exhibits and the report of Commissioner Baker, made pursuant to the orders of the sixth day of March one thousand eight hundred and thirty, and the second day of February one thousand eight hundred and thirty, one, and was argued by counsel: On consideration whereof, the Court approving and confirming the account of Willis Cowling's administration on the estate of Richard Yarbrough deceased, doth adjudge, order and decree that the plaintiffs out of the goods and chattels of their testator, in their hands to be administered, do pay to the defendant Thomas I Kilby Coroner of Nausumond County, (and as such administrator of Sarah Yarbrough deceased the sum of nine hundred and fifty eight dollars, and eighty two cents, with interest thereon to be computed after the rate of six per centum per annum, from the thirtieth day of June one thousand eight hundred and twenty six until paid, that being the amount of principal and interest due from the testator of the plaintiffs, in his character of administrator of the said Richard Yarbrough deceased, and to which the said Sarah Yarbrough became entitled as sole legatee of the said Richard Yarbrough; But the said Thomas I Kilby, administrator as aforesaid is not to have the benefit of this decree until he or some other person for him, shall enter into bond with sufficient security, in a penalty equal to double the money hereby decreed to him, payable to the plaintiffs and conditioned to refund the said money if necessary for the payment of any debts or demands, which may afterwards appear against the estate of the said Richard Yarbrough and the costs attending the recovery of such debts or demands.

In respect to Willis Cowling's administration on the estate of John Price deceased, and on the estate of Mary R Price deceased, in as much as no objection is made by any party interested, to the settlement of the said Cowling's account on the said estates, heretofore made under an order of the County Court of Henrico, but on the contrary thereof, such of the legatees as have answered assent to the same as being a correct and proper settlement, the Court doth adjudge order and decree that the said settlement be established as final and conclusive and that the said Willis Cowling and those representing him, be discharged from all responsibility on account of his being administrator of the

said John Pice deceased or administrator of the said Mary R Pice deceased.

In respect to the debt secured by the deed from Willis Cowling to ~~John~~ John Lee (and) Robert Poore for the benefit of Elizabeth Simmings, the Court is of opinion, that such part thereof as has become payable & since the death of the said Cowling or is yet to become payable, (consisting of the notes drawn the first day of January one thousand eight hundred and twenty nine, on the first day of January one thousand eight hundred and thirty, and on the first day of January one thousand eight hundred and thirty one, and that becoming due on the first day of January one thousand eight hundred and thirty two,) is to be regarded in the administration of the personal estate of the said Willis Cowling only as a simple contract debt: notwithstanding the recital of the debt in the deed aforesaid, and the Court doth therefore adjudge order and decree that the plaintiffs apply to the satisfaction of the said notes due on the first day of January in the years one thousand eight hundred and twenty nine, one thousand eight hundred and thirty, one thousand eight hundred and thirty one, and that becoming due on the first day of January one thousand eight hundred and thirty two, such part of the personal assets of the said Willis Cowling, (and such part only as can properly be applied to the same,) as a simple contract debt; And in respect to the balance reported to be due by the said Willis Cowling, as executor of the said Elizabeth Simmings, as it appears that more than that balance is due to the said Willis Cowling's daughter Virginia Cowling, as a legatee of the said Elizabeth Simmings; The Court approving (and) confirming the said executorship account is nevertheless of opinion, (and) doth accordingly adjudge order and decree, that the plaintiffs who are both executors of the said Willis Cowling (and) guardians to his said daughter, do out of the goods (and) chattels of their said testator, in their hands to be administered, appropriate the sum of one hundred (and) fifty six dollars, and eleven cents, with interest thereon to be computed after the rate of six per centum per annum from the first day of January, one thousand eight hundred and twenty eight: being the balance aforesaid of the legacy due the said Virginia Cowling, (and) hold the sum so appropriated as guardians to the said Virginia Cowling.

As to the account of the said Willis Cowling's administration on the

estate

estate of Josiah Blunt deceased, the Court approving thereof, doth confirm the same: And the guardianship accounts of the said Willis Cowling shewing due to Cornelia W. Blunt, the sum of one hundred and fifty one dollars and twenty six cents, with interest thereon from the first day of August one thousand eight hundred and twenty eight; to Virginia Blunt the sum of two hundred and sixty two dollars and seventy one cents with interest on two hundred and sixty two dollars and sixty three cents part thereof, from the same time, and to Indiana Blunt the sum of three hundred and thirty eight dollars, and fifty five cents, with interest on three hundred and thirty six dollars, and sixteen cents part thereof from the same time, are likewise approved and confirmed: But as the said Indiana Blunt died during her infancy, leaving her two sisters the said Cornelia W. and Virginia Blunt, as distributees, the Court is of opinion that the said Cornelia W. and Virginia should receive not only the sums due them respectively, but also receive in equal moities the sum reported due the said Indiana Blunt: Therefore the Court doth adjudge, order, and decree that the plaintiffs, out of the goods and chattels of their testator in their hands to be administered, pay to the defendant John Blunt as guardian of Cornelia W. Blunt the sum of three hundred and twenty dollars, and fifty three cents, with interest on three hundred and nineteen dollars, and thirty four cents part thereof to be computed after the rate of six per centum per annum, from the first day of August one thousand eight hundred and twenty eight until paid: And also pay to the said defendant John Blunt as guardian to Virginia Blunt the sum of four hundred and thirty one dollars, and ninety eight cents, with interest on four hundred and thirty dollars and seventy one cents, part thereof to be computed after the rate of six per centum per annum, from the same time until paid: But the said John Blunt, is not to have the benefit of this decree as guardian aforesaid, until he, or some other person for him shall enter into two bonds with sufficient security, in the Clerk's Office of this Court: in penalties equal to double the sums of money hereby accrued to be paid to him as guardian to the said Cornelia W. Blunt and Virginia Blunt respectively, payable to the plaintiffs, and conditioned to refund one proportion of any debts or demands which may afterwards

appears against the estate of the said Josiah Blunt deceased, and the costs attending the recovery of such debts or demands.

And liberty is reserve to the defendants John Blunt, Cornelia W Blunt and Virginia Blunt to apply hereafter for a decree against the plaintiffs on account of the slaves Betty and Sally mentioned in the report of the Commissioners, provided they shall adduce evidence before the next term, shewing that the said Slaves came to the possession of the said Willis Cowling, and liberty is also reserve to all the infants defendants, to shew cause if any they can against this decree at any time within six months, after they shall have respectively attained the age of twenty one years.

Saturday June 9th 1832.

The plaintiffs representing that Thomas J Kilby to whom by the decree pronounced in this cause on the thirtieth day of November last, they were directed to pay in his character of administrator of Sarah Yarbrough deceased the sum of nine hundred and fifty eight dollars and eighty two cents with interest thereon from the thirtieth day of June one thousand eight hundred and twenty six, when a proper refunding bond should be executed by him, has not given such refunding bond, and they being desirous of relieving the estate of their testator from the payment of interest hereafter, on their motion they are allowed to pay upon this account into one of the Banks in the City of Richmond to the credit of this cause, subject to the future order of this Court, the said sum of nine hundred and fifty eight dollars and eighty two cents, and also three hundred and forty one dollars, and ninety seven cents for the interest thereon from the thirtieth day of June one thousand eight hundred and twenty six till this day, making together the sum of one thousand three hundred dollars, and seventy nine cents.

The said plaintiffs further representing that John Blunt to whom by the decree aforesaid, they were directed to pay in his character of guardian of Cornelia W Blunt the sum of three hundred and twenty dollars and fifty three cents with interest on three hundred and nineteen dollars, and thirty four cents, part thereof from the first day of August one thousand eight hundred and twenty eight, when a proper refunding bond should be executed by him, has not given such refunding bond, and they being desirous of relieving the estate of their testator, from any further payment of interest, on their motion they are allowe

to pay upon this account into one of the Banks in the City of Richmond to the credit of this cause, subject to the future order of the Court, the said sum of three hundred and twenty dollars and fifty three cents, and also seventy four dollars and fourteen cents, for the interest thereon from the said first day of August one thousand eight hundred and twenty eight till this day, making together the sum of three hundred and ninety four dollars and sixty seven cents.

And the said plaintiffs further representing that the said John Blunt to whom by the decree aforesaid, they were directed to pay in his character of guardian of Virginia Blunt, the sum of four hundred and thirty one dollar and ninety eight cents, with interest on four hundred and thirty dollars and seventy one cents "part thereof from the first day of August one thousand eight hundred and twenty eight, when a proper refunding bond should be executed by him, has not ^{yet} given such refunding bond and they being desirous of relieving the estate of their testator from any further payment of interest, on their motion they are allowed to pay upon this account into one of the Banks in the City of Richmond to the credit of this cause, subject to the future order of the Court, the said sum of four hundred and thirty one dollars and ninety eight cents, and also ninety nine dollars and sixty three cents for the interest aforesaid, from the said first day of August, one thousand eight hundred and twenty eight, until this day, making together the sum of five hundred and thirty one dollars and sixty one cents.

Thomas C Howard and Richard Whitfield Executors of the last Will
and Testament of Willis Bowling deceased plaintiff
against

Elizabeth Jeffries Cornelia W Blunt Virginia Blunt infant
Children of Josiah Blunt, deceased, and John Blunt their guar-
-dian and other defendants

This cause came on this day by consent of the
plaintiffs and of the defendant John Blunt by their Counsel
and of the defendants Cornelia W Blunt and Virginia Blunt
who are infants, by their Guardian ad litem, to be heard as to
the said defendants, Cornelia W Blunt, Virginia Blunt, and John
Blunt, upon the Bill, the answers of the said defendants, and
replications thereto, and the exhibits filed with Bill and was
argued by Counsel. On Consideration whereof, and by further
consent in writing of the plaintiffs and said defendant John
Blunt, by their Counsel, the Court doth Order that the plaintiff
render before one of the Commissioners, an account of the
administration of their Testator on the Estate of Josiah Blunt
deceased, and also an account, of their Testators guardianship
of Cornelia W, Virginia and Indiananna Blunt, orphans of the
said Josiah Blunt deceased: Which accounts the said Commis-
sioner is directed to examine state and settle and Report to
the Court, with any matters specially stated deemed pertinent
by himself, or which may be required by the parties to be so stated
And the Court doth further order if the accounts of the plaintiffs tes-
tator as guardian for the years 1826 and 1827 filed as Exhibits with the
Bill and marked N^o 29 & N^o 30. be offered as evidence before the Com^r
that the defendants have leave to surcharge and falsify the same if
they can

Commissioners Office

Richmond October 18th 1830.

Pursuant to the foregoing Order of the Court and at the instance of the plaintiff a Notice was issued on the 10th of July appointing the 26 of August last and this Office the time and place for commencing the accounts ordered. The notice was returned with Service thereof acknowledged by the defendant Blunt and is herewith filed.

On the day set the plaintiff Howard and the deft Blunt attended the case was commenced and continued to the 13th inst. to afford time to said plff to make a further examination of the books and papers of his intestate for more materials from which to produce the accounts ordered. On the 13th inst. the defendant Blunt again attended and the plaintiff having in the mean time furnished ^{your Com^{rs}} with all such papers seeming to have reference to the accounts ordered as they had been able to find, considerable progress was made. On the 14th inst. the plts. by their attorney Conway Robinson Esquire and the defendant Blunt attended and a thorough examination was had of the whole subject. The results of which embodied in the annexed accounts are respectfully submitted.

A An account of Willis Bowling's admn of the Est^y of Josiah Blunt dec^d shewing a balance of \$181.77^{cts} in favor of said Est^y on the 31 Dec^r 1827 and a further Balance of \$954.10^{cts} also in favor of said Estate on 30th June 1828 which balances are carried in their proper proportions to the individual accounts B.C & D. This admn acc^t seems to embrace every thing except two dower Negroes who it is not doubted were once in the possession of the admn he having married the Widow of his intestate but it does not appear what became of them. All the other dower Negroes have been traced they either died or were sold and are accounted for. The two missing were appraised in Nov^r 1824 Betty to \$100 & Sally to \$50⁰⁰ 1828. The deft Blunt claims the amt of the apprais^{mt} with int thereon from August

For the sake of brevity some charges are entered in this acct of admn which would have been apporportioned among and charged in the accounts B.C.D. had it not been entirely apparent that the representatives of the Widows can have no claim on the balances shown on this account as they arise from proceeds of Negroes sold in which she had already had more than she was entitled to. The account ^B shews Willis Bowling indebted to his Ward Cornelia Blunt in the sum of \$151.26^{cts} with interest thereon from the 1st Aug^t 1828 until paid. The defendant Blunt objects to this acct. because the balances in favor of Bowling allowed him on his oath by the County Court of Isle of Wight (see Exhibits No 29 & No 30 filed with bill) are therein also allowed. He alleges that those settlements are wrong on their face in charging the Wards beyond their income and also that the charges therein for board and for tuition are unreasonable and extravagant. This latter objection does not appear to your Commissioner to be well founded as regards the charge for board, and as to the cost of tuition it seems to be a matter for the discretion of the guardian. But as it may be that he should not in any event have expended at their cost more than the net income of the Estate of his Wards a statement is annexed in a note at foot of this account and of the account C shewing what will be due from him under that restriction.

The account C shews Willis Bowling indebted to his Ward Virginia Blunt in the sum of \$262.71^{cts} with interest on \$202.63^{cts} part thereof from 1st August 1828 until paid. The note at foot shews the effect of the restriction.

The account D shews Willis Bowling indebted to his Ward Indiana Blunt in the sum of \$338.55^{cts} with interest on \$336.10^{cts} part thereof from 1st August 1828 till paid.

I am requested to state the fact that Willis Bowling survived his wife but a few days not exceeding a fortnight and was severely indisposed during that whole period.

infants by the said John Blunt their guardian Defts:

The defendant Mary Blair having departed this life and
Walter D Blair having duly qualified as her Executor, by con-
sent of the plaintiffs and the said Walter D Blair this suit is
ordered to stand revived against the said Walter D Blair in his
character aforesaid; and on motion of the said Walter D Blair
Executor as aforesaid and of the defendant Thomas I Killy ad-
ministrator of Sarah Yarbrough deceased leave is given them to

to file their answers to the Bill of the plaintiffs and thereupon they
filed the same to which the plaintiffs by Counsel replied generally
and the cause came on this day to be finally heard on the original
and amended Bills. Answers of the defendants Elizabeth Jeffries
Mary S Shelton Walter Shelton Richard Lattimore Elijah Fawkes
Curator of the Estate of Martha Menden deceased, John P Price Francis
R Price William Ruffin and Eleanor V his wife John Blunt Walter
D Blair Executor of Mary Blair deceased Thomas I Kilby, admor of
Sarah Yarbrough deceased and of the infant defendants by their
guardian specially assigned with replications thereto and as to
all the other defendants on the several decretal Orders taking the
bill for confessed as to them, which appears to have been duly executed
exhibits and the reports of Commissioner Baker made pursuant to
the orders of the sixth day of March One Thousand Eight Hundred
and Thirty and the second day of February, One Thousand Eight
Hundred and Thirty one and was argued by Counsel. On Confede-
ration whereof the Court approving and confirming the account
of Willis Bowlings administration on the Estate of Richard Yarbrough
deceased, doth adjudge Order and decree that the plaintiffs only
of the goods and chattels of their Testator, in their hands to be admin-
istered do pay to the defendant Thomas I Kilby Coroner of Nanse-
mond County and as such administrator of Sarah Yarbrough dec^d
The sum of Nine hundred and fifty Eight Dollars and Eighty two
Cents with interest thereon to be computed after the rate of six
per centum per annum from the twentieth day of June one thou-
sand Eight Hundred and twenty six until paid that being the
amount of principal and interest due from the Testator of the plain-
tiffs in his character of administrator of the said Richard Yarbrough
deceased and to which the said Sarah Yarbrough became entitled
as sole legatee of the said Richard Yarbrough. But the said
Thomas I Kilby admor: as aforesaid is not to have the benefit
of this decree until he or some other person for him shall enter
into bond with sufficient security in a penalty equal to

double the money hereby decreed to him payable to the plaintiffs
and conditioned to refund the said money if necessary for the pay-
ment of any debts or demands which may afterwards appear
against the Estate of the said Richard Yarbrough and the costs
attending the recovery of such debts or demands.
In respect to Willis Bowlings administration on the Estate of John
Price deceased and on the Estate of Mary R Price deceased in as
much as no objection is made by any party interested, to the set-
tlement of the said Bowlings account on the said Estates, heretofore
made under an Order of the County Court of Henrico, but on
the contrary thereof such of the legatees as have answered
assent to the same as being a correct and proper settlement
the Court doth adjudge Order and decree that the said settle-
ment be established as final and conclusive and that the said
Willis Bowling and those representing him be discharged from
all responsibility on account of his being administrator of the said
John Price deceased or administrator of the said Mary R Price dec^d
In respect to the debt secured by the deed from Willis Bowling
to John Lee and Robert Pore for the benefit of Elizabeth Timmings
the Court is of opinion that such part thereof as has become payable
since the death of the said Bowling or is yet to become payable (con-
sisting of the notes due on the 1st day of January One Thousand Eight
Hundred and Twenty Nine on the first day of January One thou-
sand Eight Hundred and Thirty and on the first day of January
one thousand Eight Hundred and Thirty one and that becoming
due on the first day of January One Thousand Eight Hundred and
Thirty two) is to be regarded in the administration of the personal
Estate of the said Willis Bowling only as a simple contract debt
Notwithstanding the recital of the debt in the deed aforesaid and
the Court doth therefore adjudge Order and decree that the pet^{rs}
apply to the satisfaction of the said Notes due on the first day of
January in the Years one thousand Eight Hundred and Twenty Nine
One thousand Eight Hundred and Thirty One thousand Eight Hundred

red and thirty one and that becoming due on the first day of January one Thousand Eight Hundred and Thirty Two, such part of the personal assets of the said Willis Bowling and such part only as can be properly be applied to the same as a simple Contract debt. And in respect to the balance reported to be due by the said Willis Bowling as Executor of the said Elizabeth Timmings as it appears that more than that balance is due to the said Willis Bowling's Daughter Virginia Bowling as a legatee of the said Elizabeth Timmings. The Court approving and confirming the said Executorship account is nevertheless of opinion and doth accordingly adjudge order and decree that the plaintiffs who are both Executors of the said Willis Bowling and guardians to his said daughter do out of the goods and chattels of their said Testator in their hands to be administered appropriate the sum of one hundred and forty six Dollars and Eleven Cents with interest thereon to be computed after the rate of six per Centum per annum from the first day of January one Thousand Eight Hundred and Twenty Eight being the balance aforesaid of the legacy due the said Virginia Bowling and hold the sum so appropriated as Guardian to the said Virginia Bowling. As to the account of the said Willis Bowling's administration on the Estate of Josiah Blunt deceased the Court approving thereof doth confirm the same and the guardianship account of the said Willis Bowling shewing due to Cornelia Blunt the sum of one hundred and fifty one dollars and twenty six Cents with interest thereon from the first day of August one Thousand Eight Hundred and Twenty Eight. To Virginia Blunt the sum of Two Hundred and sixty two Dollars and seventy one Cents with interest on Two Hundred and sixty two Dollars and sixty three Cents part thereof from the same time and to Indiana Blunt the sum of Three Hundred and Thirty Eight Dollars and fifty five Cents with interest on Three Hundred and Thirty six Dollars and sixteen Cents part thereof from the same time are likewise approved and confirmed But as the said Indiana Blunt died during her infancy

Leaving her two sisters the said Cornelia W and Virginia Blunt as distributees the Court is of opinion that the said Cornelia W and Virginia Blunt should receive not only the sums due them respectively but also receive in equal moities the sum reported due the said Indiana Blunt. Therefore the Court doth adjudge Order and decree that the plaintiffs out of the goods and Chattels of their Testator in their hands to be administered pay to the defendant John Blunt as guardian of Cornelia W Blunt the sum of Three hundred and twenty Dollars and fifty three Cents with interest on Three hundred and Nineteen Dollars and Thirty four Cents part thereof to be computed after the rate of six per centum per annum from the first day of August one Thousand Eight hundred and twenty Eight until paid and also pay to the said defendant John Blunt as guardian to Virginia Blunt the sum of Four hundred and Thirty one Dollars and Ninety Eight Cents with interest on four hundred and Thirty Dollars and seventy one Cents part thereof to be computed after the rate of six per centum per annum from the same time until paid. But the said John Blunt is not to have the benefit of this decree, as guardian aforesaid until he or some other person for him, shall enter into two bonds with sufficient security, in the Clerks Office of this Court. in penalties equal to double the sums of money hereby decreed to be paid to him as guardian to the said Cornelia W Blunt and Virginia Blunt, respectively, payable to the plaintiffs and conditioned to refund due proportions of any debts or demands which may afterwards appear against the Estate of the said Josiah Blunt deceased and the costs attending the recovery of such debts or demands. And liberty is reserved to the defendants John Blunt Cornelia W Blunt and Virginia Blunt to apply hereafter for a decree against the plaintiffs on account of the slaves Betty and Sally mentioned in the report of the Commissioner, provided they shall adduce evidence before the next term shewing that the said slaves came to the possession of the said Willis Cowling

And liberty is also reserved to all the infant defendants to show cause
if any they can against this decree, at any time within six
Months after they shall have respectively attained the age of
Twenty One Years.
