state of the said testator subject to the debts and legacies in the said will mentioned, and your orator and oratrix further shew unto your Honor that they are advised that by virtue of the said will of the said Alfred H. Ames decd. they are entitled to and may claim what upon a settlement of the said accounts, the said Pruden and wife may be found indebted to the estate of the said Alfred H. Ames including one moiety of the profit or share of James Ames estate to which the said Tabitha M. Ames died entitled, after the payment of her debts.

and your orator and oratrix further shew unto your Honor that in consequence of the said several qualifications of the said Nathaniel Pruden executor as aforesaid, and of the said Nancy Pruden, formerly Nancy Ames, both as guardian and administratrix, and of the above stated condition of the transactions by which were the consequence of the said qualifications, they have been unable to render to what extent, and for how much the said Pruden and wife ought to be liable to your orator and oratrix upon the said guardian and administration accounts respectively, or whether the amount to which your orator and oratrix are entitled, is due either in the one character or the other, and therefore your orator and oratrix are advised that for the purpose of settling the said accounts, properly settled and of shewing particularly in what manner, and from what account, and from whom the said demand is due, the whole subject and circumstances of the case above set forth ought to be covered and embraced by one and the same writ. And your orator and oratrix represent that since their intermarriage they have frequently applied to the said Nathl. Pruden and Nancy his wife in a friendly manner, and desired them to give to your orator and oratrix an account of the estates of the said James Ames and Alfred H. Ames, and of what the same consisted, and to know in what manner the same have been paid and applied, and how much there remains in their hands, as also an account of the said guardianship, and that they may pay to your orator and oratrix what upon the balance of such accounts shall appear to be due to them in right of your oratrix. And your orator and oratrix well hoped that the said Nathl. Pruden and Nancy his wife would have complied with such their reasonable request, as in justice and equity they ought to have done. But now to it, may it please your Honor, the said Nathl. Pruden and Nancy his wife, combining and confederating themselves to, and with divers persons at present unknown to your orator and oratrix, whose names when discovered, your orator and oratrix may only be inserted herein with apt words to charge them, contriving and endeavoring to fraud your orator and oratrix, and to defeat your oratrix of her just rights in the premises, absolutely refuse to comply with such reasonable request, contrary to equity and justice.

In consideration whereof, and for as much as your orator and oratrix are without remedy in the premises, except by the assistance of a Court of equity, where matters of this kind are properly cognizable and relievable.

To the end therefore that the said Nathaniel Pruden Senr. Executor of Alfred H. Ames decd. and the said Nathaniel Pruden Senr. and Nancy his wife Administrator and administratrix of James Ames decd. and guardian as aforesaid, and **Chas. Mann** High Sheriff and admor. as aforesaid of the Estate of Tabitha M. Ames decd. may upon their several oaths, full true and perfect answer make to all and singular the premises herein before mentioned, and that as fully and particularly as of the same were here again repeated and they there interrogated, that they may set forth discover and declare whether the said James Ames father of the said Alfred H. Ames did not die intestate, and about the time charged therein, whether the said Nancy Ames did not administer upon his estate, and whether she did not at the same time qualify as the guardian to his infant children Alfred H. Ames and Tabitha M. Ames; and whether the said Tabitha M. Ames died, and did she not die an infant and intestate, and when did she die; and whether she the said Nancy by virtue of her said qualifications on the estate of the said James Ames, and as guardian to her children did not receive and get into her hands, possession, custody, and power sundry valuable slaves and considerable personal property of the said James Ames decd. that the said Pruden and wife may set forth a true and perfect account of the estate of the said intestate, and render a true and perfect account of her transactions as guardian of the said Alfred H. Ames, and Tabitha M. Ames. That the said Nathl. Pruden Senr. may render a just and true account of his transactions as admor. of the said Alfred H. Ames. And your orator and oratrix pray your Honor that the said Nathl. Pruden and Nancy his wife may be decreed to come to a just account with them touching the slaves and personal estate of James Ames decd. and that they be compelled

to settle their accounts of the guardianship transactions of the said infants, and be decreed to pay to your orator and oratrix what upon such account or accounts shall appear to be due to them.

and your orator and oratrix lastly pray that they may have such other and further relief in the premises as to your Honor shall seem meet.

May it please your Honor

Joseph Prentiss }

To the Honourable the Judge, ~~of the Circuit~~ of the Circuit Superior Court
of Law and Chancery for the County of Isle of Wight, In Chancery sitting.
Humbly Representing, shew unto your Honor your Orator and Oratrix Charles Warren and
Elizabeth Ann his wife, which said Elizabeth Ann is the late widow, relict, devisee and
legatee of Alfred H. Ames decd. That a certain James Ames late of the County aforesaid
the father of the said Alfred H. Ames, departed this life Intestate, on or about the
day of ~~the~~ a.D. 1810 leaving a widow named Nancy, and two infant
children, that is to say Tabitha Wilson Ames, and the aforesaid Alfred H. Ames as his
heirs at law. That very soon after the death of the ~~the~~ Intestate, that is to say, on the
seventh day of January a.D. 1811 the said Nancy Ames the widow obtained letters of
administration, from the County Court of Isle of Wight, on the said Intestate's estate, in due
form of Law, and by virtue thereof possessed herself of many valuable slaves together
with all the other personal estate of the said Intestate to the amount of ~~of~~
and upwards: attested copies of which said order of Court granting administration, and
of the bond executed by the said administratrix together with the appraisement of the
estate of the said James Ames are herewith filed marked A. B. & C. and prayed to be
considered as a part of this bill. And your Orator & Oratrix further shew unto your
Honor that on the said seventh day of February a.D. 1811, the said Nancy Ames
qualified as the guardian of the said two infant children Alfred H. Ames and
Tabitha W. Ames, infants orphans of the said James Ames decd. and by virtue
thereof received into her hands and possession or by due diligence might have
received a large number of valuable slaves besides a considerable sum of
money, and bonds together with moveables and chattel property: an attested copy of the
said guardianship bond executed by the said Nancy Ames together with one William
Perkins as her security, in the penalty of \$10,000 is herewith filed, marked D. and prayed to
be considered as a part of this bill. And your Orator and Oratrix further shew that the
said Tabitha W. Ames departed this life an infant, without issue and intestate, on or
about the day of a.D. 1812 or 1813, and for want of administration ~~thereon~~
her estate, the same was committed to the hands of Charles Mearns High
sheriff of the County of Isle of Wight, for administration according to law. an attested office copy
of which said ~~last~~ mentioned order is herewith filed, and prayed to be considered as a part
of this bill. And your Orator & Oratrix charge that the said Nancy Ames the mother
and the said Alfred H. Ames the brother ~~was~~ the heirs at law of the said Tabitha W.
Ames decd. and entitled to whole of the slaves and other personal estate for which the
said Tabitha W. Ames died entitled. and your Orator and Oratrix further shew
that some time about the year 1815, or 1816, the said Nancy Ames intermarried
with a certain Joseph Chapman who has since departed this life. That no account
of the actings and doings of the said Nancy as administratrix of the said James
Ames has ever been made. That accounts of the guardianship of the said Alfred
H. Ames & Tabitha W. Ames have been returned to the County Court of Isle of
Wight, the one on the 7th day of July a.D. 1817, touching the transactions of the said
Nancy Ames, and the other in relation to the transactions of the said Joseph Chapman
guardian by virtue of his intermarriage with the said Nancy Ames and the balance
due thereon together with the accruing interest has been paid over to the said Nancy
as your Orator & Oratrix are informed they shall be able to prove, and which
has never been accounted for by the said Nancy: attested copies of the said two
guardian accounts marked E. & F. are herewith filed and prayed to be considered
as parts of this bill: And your Orator and Oratrix further shew unto your
Honor that the said Nancy Chapman on or about the day of a.D. 1826
intermarried with one Nathaniel Puden Esq. in consequence of which the said
Puden became admor: of the said James Ames decd. as also guardian of the said
Alfred H. Ames and liable in law for all the transactions of the said ~~the~~ ^{the} Nancy on
the said estate. That the said Alfred H. Ames the former husband of your Oratrix
departed this life on or about the day of January a.D. 1830 having first duly
made and published his last will and Testament, in writing, bearing date on or
about the 19th day of January a.D. 1830, and after his death the said Nathaniel
Puden Esq. the executor therein named proved the said will, in the County
Court of Isle of Wight, and took upon himself the burthen and execution
thereof, and by virtue thereof possessed himself or by due diligence might have
possessed ~~of~~ ^{himself} the slaves belonging thereto, besides other personal estate
to the amount of ~~of~~ and upwards: an attested copy of which
said will is herewith filed, marked (G.) and prayed to be considered as a
part of this bill: and your Orator and Oratrix further shew unto your Honor
that in the month of December a.D. 1833, your Orator & Oratrix intermarried,

Pruden et al. vs. Parker Willg B.
at

Matter et al.

Answer

May 5th: 1835 filed
by consent of the court

16th of August of that year a decree was awarded in the county court of Wileysburg for a division of the whole personal estate of the said James & Sons, including the portions thereof due to the said Tabitha & her heirs, (no administration on her estate having ever been granted to any one) the same was accordingly done by commissioners appointed in said decree, and the said estate was received by the said Joseph Chapman partly in right of your respondent then his wife, and partly as guardian of the said Alfred & Sons. Copies of the said decree, and of the said report of the commissioners acting under the same are herewith ^{marked H & I} filed, and prayed to be considered as part of the record. Your respondent Nancy while Nancy & Sons returned an account as guardians of the said Alfred and Tabitha which is filed with the counter-plaint bill marked C and is also relied on by your respondents.

The said Joseph Chapman also returned an account as guardian of the said Alfred filed with said bill marked H showing that the amount due from the estate of the said James & Sons to the said Alfred was received and credited by said Chapman. The said account is also relied on by your respondents. Your respondent Nathaniel Pender after his intermarriage with the said Nancy returned an account as guardian of the said Alfred showing a balance due the estate of \$1,573³/₄. He has also returned to the county court of Wileysburg an account current as executor of said Alfred

which shows a balance due him from the estate & said Alfred of \$124.91³/₄. which sum is still due and unpaid he having expended all the estate except the negroes, and having given the said negroes into the possession of the said Elizabeth Allen (then & now) before the said account was made up and stated, showing said balance due from said Alfred's estate to your respondent. Copies of said guardian's account and said current are filed marked J, and prayed to be considered as part of the record.

Your respondent Nathaniel Pender on discovering that no account was returned by his wife Nancy (while married by his wife Nancy) as guardian of the said Alfred, after having returned his own guardian and executorial accounts and supposing everything settled up to the time of his intermarriage; applied to the county court of Wileysburg on the 7th day of March 1834 (and before the institution of this suit) for an order to have an account stated by a commissioner, which has accordingly been done; the said account marked K is herewith filed and is also prayed to be taken as part of the record. The balance found due on this account to the said Alfred is less than the sum due to your respondent as executor, from the estate of the said Alfred, and the difference is now justly due to your respondent, which he asks the court to decree to be paid to him by the complainants.

The answer of Nathaniel Pender and
Harvey his wife (formerly Chapman)
(and formerly Ames) to a bill ex-
hibited against them in the circuit
superior court of Law & Chancery for the
county of Blount by Charles Matters
and Elizabeth Ames his wife (former-
ly Ames) and moved by said
Matters as owner of said Elizabeth
Ames deceased.

These respondents saving &
reserving to themselves all advantage
of exception to the many errors
and insufficiencies of the said bill
for answer thereto, answer and say,
that it true as charged by the
plaintiffs that the said James Ames
mentioned in said bill died
intestate about the time stated,
that your respondent Harvey quali-
fied as his administrator, and as
guardian of Alfred H. Ames and
Tabitha M. Ames, that the said Tabitha
died an infant about the year 1812.
your respondents further answer that
the said Harvey received into his
possession as administrator the es-
tate of the said James Ames and
consisting of several negroes and
other personal property, that the
same (after paying the debts as-
sessed the said) remained in
his possession until his return
marriage with Joseph Chapman,
and after the death of the said
Tabitha: that in the year 1816
a suit was instituted for the
purpose of settling the estate of the
said James Ames, and on the

Sale of Night Court House
 April 2nd 1836.

Agreeably to the annexed decree of the Circuit Superior Court of Law & Chancery, I have examined, stated & settled the account of Nancy Chapman's transactions as guardian of Alfred A Ames from the year 1820 to that of 1826 inclusive, chiefly upon the evidence of Barthol. Lightfoot, and find a balance due the ward of \$279.71 with interest thence from the 1st day of Jan'y 1827. — I have also made up accounts of Nathl. Pruden sen's transactions as guardian of Ames from the year 1827 to that of 1829 inclusive, and as Ext^d of the said Alfred A Ames decd., upon vouchers laid before me. A small balance of \$75 7/8 is found to be due the ward on the guardian account which I have carried into the executorial account, and upon the last, a balance appears to be due the executor of the sum of \$142.66, of which the sum of \$113.14 will carry interest from the 1st day of Jan'y 1832 & the balance of \$29.52 will carry interest from the 30th October following till paid. — From a memo^o appended to the foot of the accounts, it will be seen that according to the above facts, a balance is now due the ward of \$233.48 with interest from the 30th Oct 1832. — All of which is respectfully submitted.

Note 1. This was a note given by the orphan to the merchant with whom he was living, and no doubt was for extra clothing: it was therefore considered as a proper voucher upon the circumstances of ^{the} ward.

Note 2. This was a bond assigned to John Stallow by Charles Sewell, and was no doubt executed for the consideration of work done by the said Stallow as a Sailor - allowed upon the same grounds as that above.

Note 3. This account is for board & some few articles of clothing, and for the keeping of a horse for a part of two years, which seem to be reasonable - & for money advanced at different times - The money part of the account is supported by memoranda which seem to be have been kept in the hand writing of the ward, & is no doubt correct. - The ward was at the time, in expectation of being married, & was married shortly afterwards, & upon the circumstances it was considered just & proper to allow the charge.
