To the Hon. Richd. H. Baker judge of the Circuit Court of
the County of Scott in Chancery &c.
The joint and separate answer of Jno. N. Chapman and
Jas. A. Chapman executors of the last Will and testament
of James Chapman dec'd. to a Bill filed against them by
one William Milby in the said Court.

These respondents saving & excepting &c. for answer to so much
of said Bill as they are advised it is material for them
to answer say, that they are the executors, as stated, of their late father
who they believe was guardian to the said Plaintiff. and
they state that a full settlement, as they are informed, has been
had of the transactions of their testator as guardian to the
Complainant, and all that was due to the said Milby
has been paid to him, as he admitt them. and your respondents
deny every fact stated or said Bill indicating the contrary.
They state, that they well know that the Complainant was speaking
about & for Publicity that he was of age, and could not get a settlement
with his guardian, whereupon the said James Chapman being at
the time confined to his bed, or room, under severe affliction, sent for
the Complainant and had the settlement in the Bill referred to, and
paid the amt due to him, and this settlement then made in the presence
of Complainant, with all the Vouchers before him, & he, the said Milby is & has since
a good accountant, and acquiesced in for several years by him, your
Orators allege is legal, good & binding upon the said Complainant.
If the Complainant was not then of age, he practiced a gross fraud
upon his guardian, and they allege that he was of age. Besides, it is
very suspicious, that he should wait until the death of his late guardian
who was familiar with all the facts, and then Complains & sues his executors whom
he suspects are, as they are necessarily ignorant of many circumstances
important to a just defence. This Milby for years past, has been as needy
as he now is, for no one would trust him for several years past, he
at least he would not pay his debts if he could avoid it,
has either Cloaked his property, or has insolvent; your respondents
deny all allegations imputing indebtedness by their testator to the Complt, and deny
that he is entitled to any relief &c &c.
