To the worshipful Justices of the County Court of Isle of
Wight in Chancery sitting. Humbly complaining sheweth unto
your worship, your oratrix Laura Holliman, that at the division
of the negroes of her late father Joel Holliman died, the following
negroes were assigned to her and her sister Caroline, both minors
jointly: viz Dolphin, Phineas, Albert, Godfrey, Thaddeus, Silvia &
Lincy - and these ^{were} taken possession of by their relative and guardian
Geo. W. Barrell. That your oratrix has attained the age of
21 year, and it is deemed proper, as she has the right to call for
a division of the said negroes; but in consequence of the infancy of her
said sister Caroline, this cannot be done without the intervention
of this hon. Court. Where matters of this sort are brought on. To the
End. Therefore she prays that her late guardian Geo. W. Barrell
~~may be made party~~, and the said Caroline Holliman may be
made parties defendant to this bill and be compelled to answer
the same - That Commissioners be appointed to divide the said
negroes, into two equal parts, and one of which parts allot to her
and the other to her sister Caroline - and grant all
other necessary and proper relief, which may be meet and fit in
the premises - & grant &c.
