Daniel's adm. Pds.

1860. Act. Decree to
distribute & make apt.

May 1861. Rept. of distribution
filed.

May term 1861
final decree.

To the Hon. Rich^d H. Baker judge of the Circuit
Court of Isle of Wight County.

Humly complaining sheweth unto your honor, your oratrices
Orators, Elizabeth⁴ Daniel, Sarah⁵ H. Daniel & Virginia³⁵ A. Mills
et, Elizabeth⁴, & George⁶⁷ H. Daniel, the last four being infants under
the age of twenty one years who sue by their mother & next friend your
Oratrix Elizabeth Daniel, that one Mills Daniel of the said County,
departed this life about the of December 1856, intestate, seized
and possessed of a considerable real & personal estate. He left a widow
the above mentioned Elizabeth, and the following children - viz, the said
Sarah⁵ H., Virginia² A., Mills et, Elizabeth⁴ & George⁹ H. Daniel - the plaintiff,
above mentioned, as his heirs and distributees at law. The last four named
are minors under the age of twenty one years. One Nathaniel P. Young
has qualified as administrator of the estate of the said intestate &
has proceeded to administer the same.

Your Orators state, that their intestate is much indebted, and that besides
other he was indebted in considerable sums to R. A. Lyubart, Saml. J. By
Ben. Gray Carroll & - Mrs. J. S. Chapman ex. of J. S. Chapman et. Lewis Edwards ad. of J. Edwards
et. et al. P. Jordan & others contractors to the estate.

That his debts will be at least \$8000.00 - his negro property at the appraised
values will be about \$7325.00. The amount of account of sales as returned
by the administrator is \$8748.22 - the names of the negroes are Lige, Robt³ &
Robt³ jr, Wm, Dawson, Girl Rose, Minny, Octavia, Amanda & Fanny -
ten in number. The real estate of the decd, consisted of the Homestead
with a saw mill & attachments supposed to contain 419 1/2 acres & valued at
\$4095.00 of 75 adjacent lands valued at \$225.00 & the "Apple white
tract" of 200 acres valued at \$600.00 - all lying in Isle of Wight County -

Your Orators have reflected with great concern, in connection with their friends
& relatives, on their condition, and their future means of support, under the

Circumstances above detailed. It can be seen, that the debts of
their intestate if they ^{are} ~~shall~~ ^{are} more than as estimated above, will
consume all of the amounts for which the Chattels properly sold,
and nearly all of the negroes besides - at most not more than two
negroes could be saved subject to division - and leaving your orator, most
of whom would be minors, to be supported and educated, with the tract
of Land heretofore mentioned - without the means of Cultivation
or making available, the said mill, or the two of the said tracts which
are valuable chiefly for the wood, or timber thereon - to retain this real
estate under such circumstances would be a decided injury
to those entitled, as ^{it} obviously would have to be sold, and partition
of the same could be demanded at any time - Your orator
therefore, after reviewing the matter again & again, with the advice of
their friends & acquaintances, are convinced, that their interests
will be greatly promoted, by selling all the real estate of their
intestate out & out, apply the proceeds to the payment of
his debts and exempt the negro property for the liability
to be first subjected - and they pray that your honor will grant
a decree for such end. Your orator, Elizabeth the widow, does
herby agree that the sale may be so made, and that a sum in full
equivalent to her dower in the same be assigned to her, in lieu
of her dower therein - or to any other arrangement that may enhance
the interests of her children - and she believes from all that she can learn
that the creditors of her late husband will not be delayed & if so
they would cheerfully submit to any temporary inconvenience -

Your orator states that a portion of the estate, of Land & negroes
has been heretofore conveyed by the said wills bequeathed to
N. H. Whitfield & N. P. Young as trustees - as also appear by

a copy of the deed bearing date the 16th of April 1848 - her
with file ^{as} and prayer to be taken as a part of the bill -

They do not wish to dispute, nor do they question the accuracy
of all the statements made in said deed - but have
no doubt but that many of the debts, therein con-
tained have been settled, or part - They pray therefore
that the conditions of their trust transactions may be
inquired into - & repay to the accomplishment of the
objects of the trust - To this end she pray that the
said Whitfield, and N. P. Young as ^{trustees} of the
estate of Mills bequeathed, and as trustees and

Ans. W. D. G. & Chapman & son of same the same in, L. B. Edwards ad. of J. Edwards & son
and - W. D. G. & son & son - Gray & son of G. W. G. & son -

may be made parties defendant to the bill aforesaid
to wit - That an account be taken of the trust debts
outstanding and also from the estate of their intestate
& of the transactions of the said trusts & all other accounts
which may be necessary in the premises and that your honor
will decree a sale of the said real estate, & for the
objects heretofore mentioned and grant any & all other
relief which may be fit in the premises & grant the

The deposition of Mrs R Purdie taken at the office of C B Hayden on the 29th day of Aug. 1837 - by the said C B Hayden as commissioner in chancery to be used by him as evidence in ~~the~~ ^{the} enquiry required by the decree of the Circuit Court of Isle of Wight made at the May Term 1837, in the chancery suit depending in said court, in which Elizabeth Daniel & others are Plaintiffs & N P Young as Administrator of Mills Daniel &c are Defs -

The said deponent being first duly sworn answers respectively as follows.

Quest 1st - State what opportunities you have had of becoming acquainted with the Land & Negroes belonging to the estate of Mills Daniel dec'd & say whether in your opinion the interest of the infant children of said dec'd would be most promoted by the sale of the Land or Negroes for the payment of the debts, if it should be necessary to sell either.

Ans I am well acquainted with said Land & Negroes - having been for many years the medical adviser of the family. I think the interest of the infant children would be most promoted by a sale of the land & reservation of the negroes, as the negroes will for many years increase in value, & the land will depreciate under the usual management of the County, & the negroes will yield a larger income on their value than the land.

Signed -

Mrs R Purdie

The deposition of W^m M Crocker taken at same
time & place -

The said deponent being first duly sworn answers
as fully
Overt 1st - State what opportunities you may have
had for becoming acquainted with the land &
negroes belonging to the estate of Mills & Daniel Leidl
& in your opinion which would most promote
the interest of the infant children of Mills & Daniel,
the sale of the land or negroes for the pay ment
of debts, if the sale of either should be necessary
for that purpose -

Ans - I have been a near neighbour of said
Daniel for twenty years & have never had per-
suant opportunities of becoming acquainted
with the land & negroes belonging to his estate
I think it would be best for the children to
sell the land & save the negroes - because the
negroes will increase in value & the land will
decrease - the buildings now being in a state of
decay - & further this deponent saith not -

Signed -

W^m M Crocker

That the said Adm appeared before your commissioner in obedience to said notice & he thereupon, examined the vouchers

the debts of the said decd., the Court doth adjudge - order &
decree - that Nathaniel J. Young, who is appointed a

best & most judicious; And that the said Commr. ascertain
the fee simple value of the Power interest of the said Widow -

But the Said A. P. Young is not to proceed to act under
this decree as such Commissioner, until he shall have
entered into bond with sufficient security in the penalty

Daniel decd, the undersigned one of the commissioners of said
court, to whom was referred for settlement by said decree
the account of the transactions of N P Young as admr
aforesaid; of any other outstanding debts against the
said decedent or his estate, & of the respective amounts
due the creditors of said decedent already reported
after deducting the payments decreed them by said
decree, reports to the court that on the 2nd day of August
1838, he appointed the 6th day of September following, at
his office aforesaid, for receiving proof of any other
debts or demands, not heretofore reported against the
said decedent or his estate, & posted a notice of such time &
place to the creditors of the said estate, & all others concerned,
at the front door of the court-house of said county, on the
first day of two successive terms of ~~said court~~, court of said
county, to wit at the August & September terms 1838. That
the several creditors of said estate whose names are mention-
ed in the foregoing account, appeared before the commissioner
at his said office, upon the day specified in the notice &
the several subsequent days to which at the request of
creditors the same was adjourned, & exhibited & proved to
the satisfaction of your commissioner, their several claims
against the said decedent or his estate, as set forth in the
said account, upon which your commissioner has com-
puted interest up to the 18th of Oct 1839, & on that date finds
the aggregate amount of said debts inclusive of interest to
be \$1145.63. Your commissioner further reports, that it

was his intention to make up the further accounts directed
by said decree so as to report the same to the spring term 1839
of the court, for which purpose the said administrator
placed the necessary vouchers in his hands, but he was pre-
vented by protracted sickness from doing so. That on the
15th of August last, he issued notices against the several
parties aforesaid, requiring them to attend the settlement
of the other accounts directed by said decree before him at
his said office on the 27th of August, last, which notice

receipts for his fiduciary year ending Nov 30th 1838, as the
necessary papers were placed in the hands of the commis-
sioner for the use at the proper time, although it was not
made until after six mos from the termination of the year.
The use of the balances due the creditors heretofore reported
is waived by the counsel in the suit, he deeming the
report of commissioner Young on that subject suffi-
cient for the practical purposes of the suit. The com-
missioner further reports, that after the completion of the
accounts he retained the same in his office ten days for
the examination of the parties.

VALUABLE REAL ESTATE IN THE
COUNTY OF ISLE OF WIGHT,

FOR SALE AT AUCTION.

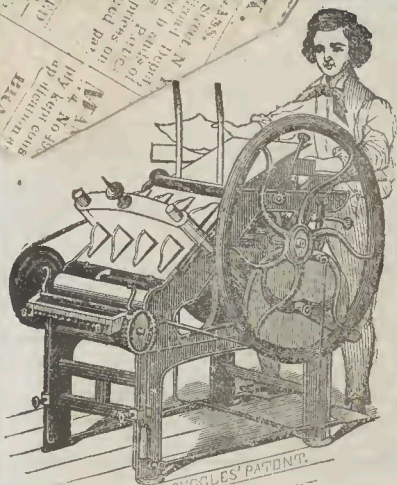

BY VIRTUE, and in pursuance of a decree of the Circuit Court of Isle of Wight county, pronounced on the 20th day of October, 1857, in a suit therein pending, in which Elizabeth Daniel, et. als. are plaintiffs, and N P Young, adm'r, of Mills Daniel, et. als. are defendants, I shall, as the Commissioner appointed by said decree, expose to sale upon the premises, at public auction, on Wednesday, the 9th day of December next, if fair, if not, the next fair day thereafter, (Sundays excepted) the following real estate, in the proceedings mentioned, whereof the said Mills Daniel died, seized and possessed, to wit: The 'Manor Tract' containing by estimation, 419½ acres, a deep proportion of which is in cultivation, and the balance well set in all necessary timber, lying in the county aforesaid, about 4 miles west of the town of Smithfield, adjoining the lands of Wm M Crocker, Julius O Thomas and others, and within about one mile, of the flour mill of S Junius Wilson. Upon this tract are a good dwelling and all necessary out houses; also two valuable apple orchards of the best varieties of apples for brandy, vinegar and winter use, and a fine collection of other fruit trees; also valuable grist and saw mills.

A tract of 75 acres adjoining the above tract and the lands of S Junius Wilson and others, upon which there is a comfortable house, and of which, a small portion is in cultivation.

The 'Urquhart tract' containing 200 acres, lying about one mile South of the manor tract, upon which there is a small house. A very small portion of this tract is cleared, the balance in wood timber. These lands are of excellent quality, and all that portion which is in cultivation is very productive. The purchaser will be allowed six months credit, on the purchase money by giving bonds with security, to be approved by the Commissioner, and carrying interest from the day of sale.

By authority of said decree, I shall reserve the privilege of selling the said lands in such parcels as may seem most judicious.
