Preston's answer

To the Hon: Richd. H. Baker judge of the Circuit Court of Isle of Wight County, in Chancery sitting. Humbly complaining shew unto your honor, your Orator, Nat.l P. Young as trustee, and Nathaniel P. Young and Thomas Hall administrators of Mills E. Marshall dec.d, that the said Mills E. Marshall a resident of the County aforesaid, departed this life on the 3d day. 1861 , intestate, leaving a widow named, Joanna Marshall, and the following Children as his heirs and distributees at Law, viz, Mary J, Alpheus, Joseph, Charles, Alice Ann & Emma Marshall, all of whom (the said Children) are under twenty one years of age. That the said Nat.l P. Young & Thomas Hall have qualified as administrators of the estate of the deceased, as will appear by a copy of the Order of the County Court of said County herewith filed marked "A", as a part of this Bill.

your Orator further state that the said Mills E. Marshall during his life time, on the day of executed a deed of trust, conveying the Court House property, store house & a moiety of the mill property thereto adjoining, to the said N. P. Young trustee as executor of Thos. S. Saunders to secure the payment of $ to W. W. Joyner & N. P. Young. as will more fully appear by a copy of the said trust deed herewith filed, marked "B" and prayed to be taken as a part of this Bill. That after the death of said Marshall, to wit, on the the said N. P. Young as trustee, according to the requirements of said deed, and for the objects thereof, sold at Public auction, the property therein conveyed, for the sum of $6140.00; and after the payment of debts of said trust, and the payment of the debts then due, there remained as will appear by a statement signed & herewith filed on the 23d January 1861, in his hands the sum of $2672.93. your orator further state, that the outstanding debts of their intestate, owing by them amount between 5 and $600.00 to pay which it will be necessary to sell a negro woman, named Dinah & her children four in number & small the only negro property belonging to the decedent, unless Cato they be allowed to the requisite amount from the balance remaining in the trustees hands as above stated, and this they allege is not only desired by the widow, she being unwilling to have sold the said negro woman & children, but will be to the interest of the children of their intestate. But your orator not being certain as to the nature of the said surplus of $2672.93, whether it was realty or personalty (as the said sale of the trust property was after the death of the deceased) - and therefore not knowing what control, if any, they as administrators had over the same, deemed it advisable to submit the matter to this honorable Court, and solicit its aid in the premises. They therefore pray, from the unwillingness on the part of the widow & children to have sold the said negro woman & children, on account of the attachment for them, and believing that from the present condition of public affairs, that the same would be at a great sacrifice, that in lieu of selling the said negroes, whatever sum may be required to pay the debts of the deceased, may be taken from the said surplus & so appropriated - And furthermore, from the unsettled condition of the Country, for their safety, they ask this Hon: Court, to direct in what manner they shall invest the residue of said trust fund, which may be left in their hands. your orator are without adequate remedy save in this hon: Court:

To the End therefore &c. they pray that Joanna Marshall the widow, and the said children viz, Mary J, Alpheus, Joseph, Charles, Alice Ann & James Marshall be made parties, defendants to this Bill, and be compelled to answer the same. That the sum aforesaid & for the objects aforesaid be allowed to be taken from the said trust fund, instead of selling the said negroes, and that all other & further relief be granted in the premises which to Equity may seem right, and the nature of the case may require &c.

To the Circuit Court
of Isle of Wight County:

Pursuant to a decree of said court made on the 18th day of May 1867 in a suit in chancery depending in said court between A P Young Trustee for Mills E Marshall A P Young administrator of M E Marshall Plaintiff & Joana R Marshall, Mary T. Marshall, Stephens Marshall, Joseph Charles Marshall, Alice Ann Marshall & James Marshall infants of said Mills E Marshall Defendants, the undersigned one of the commissioners of said court, to whom was referred for settlement by said decree the accounts of the transactions of A P Young as Trustee for Latimer & als & as Administrator of Mills E Marshall & of what sums remained in the hands of said Trustee & Administrator, what disposition had been made of the same how invested & the balance remaining in his hands - reports to the court that on the 2d day of March last, he issued notices to said parties requiring them to attend the settlement of said accounts, before him at his said office on the 20th of said month, which notices were acknowledged as served by R A Whitfield Attorney for all of said parties - That the said Plaintiff appeared pursuant to said notice, & he thereupon examined the vouchers & stated settled the foregoing accounts of A P Young as Trustee for M E Marshall & as Administrator of M E Marshall -
The account of said Trustee shews nothing remaining in his hands, the balance remaining after paying the sum to the widow of Mills E Marshall directed to be paid by the decree therein of December Term 1861 - is passed to the credit of State=ment A, the credits of which are derived from said Balance due from said Trustee - from the balance due from him as said Administrator on the date of said decree for the purpose of creating a fund for the payment of debts due by said Estate & directed to be paid by said decree. The balance due by said Administrator has accordingly also been passed to the credit of said fund Making the sum of $3238.29 for the payment of the debts directed to be paid thereout by said decree of December 1861
That on the day of 186 he deposited in the Farmers Bank of Virginia at Richmond to his credit as Trustee for M E Marshall the sum of $320.05 - & on the day of 1862 he deposited in the same Bank to the same credit the sum of $2000.00 making in all the sum of $2320.05 as will appear from the accompanying certificate of deposite - That the funds thus deposited as well as all the funds constituting the fund of $3238.29 were derived from the payment of the sales of the property of Mills E Marshall & was collected in Confederate Money early in 1862 & the latter part of 1861 when that currency was at par -
That in accordance with said decree the said A P Young commenced paying off the debts of said estate, but that owing to the excitement of the country growing out of the war he found great difficulty in doing so - That it is known to your commissioner that said A P Young deposited the funds aforesaid in said Bank for safe keeping under the advice & counsel, it being impracticable to pay the creditors immediately from the cause aforesaid though he commenced doing so on the 20th of December 1861 & the retention of funds was regarded as dangerous in this region - That he drew checks for the amount due the creditors of said Estate whenever practicable & after the evacuation of Norfolk left these checks in the hands of an agent for the purpose of payment - That in this manner he paid by check debts to the amount of $1154.74 - & in Cash to the amount of $1165.00 making the total amount of debts paid $2320.74

as will appear from Statement A & the following account. The said A P Young laid before your commissioner an order of the County Court of Isle of Wight County of January 1863 directing the sale of Rick & her children to prevent their escape to the enemy & an account of their sales under said order, which order & acct of sales respectively marked (P. & A) are herewith filed. The said A P Young denied your commissioner to report, that after the sale of said Negroes he applied to the Judges of the Circuit Court for authority to invest the funds of said estate, but on account of the uncertainty about the law on the subject, the application was declined, that he then sent a petition to invest said funds to Judge Sayres of Petersburg, but the messenger bearing it was turned back by the raid of the enemy & the said A P Young after notice by the Banks that all funds remaining on deposite would be invested, deemed it best to invest the funds belonging to said estate & accordingly did so in 5 per cent Confederate Bonds for $3500.00 amounting with the interest, premium & cash to $3.804.85 as will appear from the foregoing account B of investment. The said Bonds with the Brokers statement of the purchase in the name of A P Young as Trustee & Administrator of M E Marshall respectively. The foregoing investment as shown by Statement (B) was derived from the sale of the Negroes aforesaid & the balance of the funds on deposite as aforesaid, which balance exceeds the amt that would properly have been left after paying the checks of the creditors, in consequence of many of the checks not having been presented for payment in consequence of the difficulty of communication.

Given under my hand as commissioner aforesaid the day & year first aforesaid.
